Customized Solutions For KanTime

Business Owner's Policy

A Business Owner's Policy (BOP) combines protection for all major property and liability risk in one package. This type of policy assembles the basic coverage required by a business owner in one bundle.

Property & Casualty

Property coverage protects your business owned property against physical damage and/or theft. This also includes business interruption coverage if your property were to incur physical damage preventing your business from operating.

Commercial Auto

Commercial Auto provides full physical damage to your business owned vehicle. The coverage would include \$1,000,000 auto liability and a \$1,000,000 limit for hired/non-owned auto liability.

Workers' Compensation

Workers' Compensation protects your entity if sued by an employee who was hurt on the job. It also provides medical, disability and loss of wages to an employee who is hurt on the job.
