

Curriculum Overview

Grade 6 Boys
Judaic Studies

TORAH SHEB'AL PEH

Our Oral Traditions, the Mishna and Gemara, are the interpretation of the Written Torah, and the mastery of these texts is an integral part of our Jewish observance. Students in Middle School are introduced to the Mishna and Gemara using a scaffolded approach. Students are grouped according to skill development and are engaged in the stimulating debate which is the hallmark of Talmud study.

HEBREW LANGUAGE ARTS

Students develop their conversational Hebrew using a “whole-language” approach to instruction which focuses on reading and writing skills, as well as Hebrew literature and grammar. Students learn about the Land of Israel as well as special days on the Jewish calendar.

FOUNDATIONAL PILLARS OF THE TORAH ENVIRONMENT

To create a lifelong love for Torah and instill a positive Jewish identity, the curriculum is enriched with a variety of programs that focus on Shabbos, the Jewish Holidays, and middos (character development). Through assemblies, contests, songs, and school-wide events, students develop a firm, lifelong appreciation for our rich Jewish heritage and mitzvos.
