

April 14, 2021

Dear Parents,

Today, your child is coming home with a handout including an important parent survey.

As a non-public school, Shalom Torah Academy is able to access some funding through your local school district. These funds are used for technology, instructional materials and professional development, which all contribute to the quality of your child's education. In order to apply for this grant, the district requires the survey form to be filled out.

Even though you likely filled one out earlier in the year, this form is for 2021 and does need to be filled out again.

**This form must be filled out for all current Shalom families (Pre K and up) who live in New Jersey or New York.**

**Please complete and submit it to the school office by May 3rd.**

Please note that your responses will be kept strictly confidential.

Thanks you for your cooperation.

Sincerely,

Mrs. Suri Leiter
