

# Assess, Train, and Recruit with Aspirant

Take informed action to strengthen your recruiting team through skill benchmarking

## RPOA Member Introduction: Aspirant's Recruiter Assessment & Training

An organization's success is limited by its talent, so outstanding recruiting capabilities can create a serious competitive advantage. But understanding where a recruiting team needs to improve and how to address those shortfalls can be very difficult. To make that process simpler and more effective, Aspirant has developed its Recruiter Assessment & Training program.

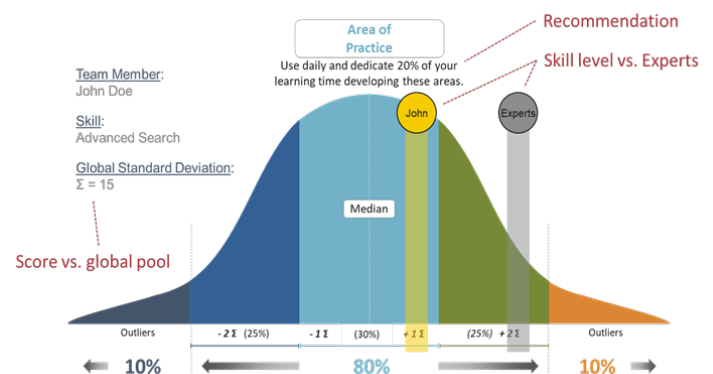

**A valuable resource for inhouse recruiting or RPO recruiting teams**

Focus on *developing the right skills* for your organization

Apply the Aspirant Recruiter Assessment

The Recruiter Assessment uses *objective criteria* and a global talent pool to benchmark individuals across a breadth of disciplines:

- Essential & Fundamental Skills
- Network & Marketing
- Communication & Outreach
- Tools & Automation
- Advanced Search
- Diversity

Unlock insights to provide your team with a competitive edge

- 1 Define Skill Sets
- 2 Identify Knowledge and Skill Gaps
- 3 Train and Reassess

Aspirant is a proud RPOA partner, and excited to offer fellow members an exclusive discount!

**Individual Assessment: \$179 (normally \$249)**

- Objective measurement of sourcing and recruiting skills
- Benchmarking to uncover gaps that create relative weaknesses
- Prioritization of competencies for development
- Recommended learning paths tailored to your team's specific needs
- \$179 credit towards enrollment in training curriculum

A representative will be reaching out with more information and to answer any questions. Those interested in getting started right away can reach out directly to **Patty Silbert: Executive Vice President, Talent Strategy & Acquisition.**
