PRODUCT BULLETIN

Commercial Product Management

DATE: 1/13/2022

SUBJECT: VPAK Thermostats & Additions

DOCUMENT NUMBER: 001-022-VPAK

AUTHOR: Bascom Cotner

BULLETIN TYPE: Application & Installation

PRODUCTS AFFECTED: VHA09, VHA12, VHA18, & VHA24

All non-Friedrich thermostats and/or accessories must be approved by Friedrich before use with Vert-I-Pak units. Failure to confirm operability with the Friedrich can cause operational failure and/or component damage and will result in removal of Warranty.

Friedrich is available to help, review, .and consult on any of the above-mentioned thermostats and/or additions to aide in application/approval.

For any questions, please reach out to a Friedrich sales or product management representative.
