Azure One-Day Bootcamp

AN INTENSIVE & INTERACTIVE ONE-DAY BOOTCAMP THAT PACKS WEEKS OF LEARNING INTO ONE CONVENIENT EVENT

In today's security-first, cloud-first business environment, enterprises and government entities are turning to Microsoft Azure as their trusted cloud to spin up virtual machines in minutes; provide scalable and durable cloud storage, backup and recovery solutions for any data, big and small; create single sign-on to any cloud app and enforcing multi-factor authentication – just to name a few. So, where do you begin?

DynTek's One-Day Azure Bootcamp encompasses a strategy session, Azure primer, demonstration and hands-on lab, so you can experience the comprehensive solution from vision to reality.

1 CLOUD VISION

Map out your 5-year plan while linking your investments to specific business initiatives and ROI.

► Current Cloud Trends & ROI Models
