

SS&C and Blue Prism

The combination of Blue Prism's market leading RPA solutions, and SS&C's top position in the financial services and healthcare industries will yield increased business value for customers and shareholders

Highlights

- ✓ Blue Prism and SS&C have a common strength on servicing customers from highly regulated industries. The combined product portfolio will immediately increase value to our existing customers
- ✓ The combined portfolio addresses a broad cross section of the capabilities required for Intelligent Automation, including RPA, Process Discovery, Low Code App Design, Business Process Management (BPM) and Intelligent Services
- ✓ The combination of Intelligent Document Processing capabilities between Chorus and Blue Prism Decipher will increase the scope of use cases that rely upon extraction of data from documents
- ✓ The combination of SS&C Chorus BPM and Blue Prism's RPA capabilities will enable the support for both complex and simple processes to be designed, orchestrated and managed at scale
- ✓ Blue Prism and SS&C are both committed to supporting a flexible deployment model and will combine resources to accelerate towards enhanced and additional cloud offerings
- ✓ Blue Prism's Digital Exchange offers a marketplace that enables the extension of core product capabilities, opening up opportunities to provide customers with greater access to solutions and integrations, across the SS&C portfolio

About Blue Prism

Blue Prism is a global leader in intelligent automation for the enterprise, transforming the way work is done. Blue Prism has users in over 170 countries in more than 2,000 businesses, including Global 2000 and public sector organizations, that are creating value with new ways of working, unlocking efficiencies, and returning millions of hours of work back into their businesses.

About SS&C Technologies

SS&C is a global provider of investment and financial software-enabled services and software focused exclusively on the global financial services industry. Founded in 1986, SS&C has its headquarters in Windsor, Connecticut and offices around the world. Some 10,000 financial services organizations, from the world's largest institutions to local firms, manage and account for their investments using SS&C's products and services. These clients in the aggregate manage over \$44 trillion in assets.
