Wait Patiently

Sometimes life demands that we just wait. We would love to do something else but waiting seems to be the only answer. It's not easy for most of us. We wait in lines, but not very patiently. We wait at traffic lights and wonder why it takes so long for the light to change. We wait for the call from the doctor's office and wonder why it takes a week or more to get results back from a test.

We are challenged to wait for many different things. Maybe one of the hardest waits of all is waiting for God to answer a prayer or give us direction in our lives. I've known people that have prayed for their husbands or wives to accept Christ and become a follower. Sometimes they have prayed for decades. We wait on God because we believe in Him. We believe He knows everything about us and that He has the power to change our circumstances or help us through difficult times. The Psalmist gives us two actions to help us while we wait on God. Be brave and courageous, he wrote. If you trust God, you can be brave. If you believe that He has your best interest in mind, vou can be courageous even in the face of what looks like certain defeat and ruin. Be strong and confident in the mighty power and love of God. Wait for it. Wait for His help to come. He will come and help you.

Member Reminder: On the anniversary of your enrollment date, you will be charged a \$75.00 renewal fee in addition to your suggested monthly share amount.

Worth the Trip

April 15th, 2019

No matter the size of Liberty HealthShare's membership, our staff is deeply grateful to each and every individual who has trusted us to facilitate the sharing of their medical bills. We know everyone is busy with plenty of pressing matters, which is why it is always memorable and moving when members go out of their way to express their gratitude to us.

Members Bud and Linda recently visited our offices in Canton, Ohio. After receiving a difficult diagnosis, they found themselves on the receiving end of cost sharing with the Liberty HealthShare community. Their experience was such a positive one that they made the drive all the way from their home in New York simply to thank our team in person. This gesture was so touching to us that we asked Bud and Linda to sit down and record a <u>short message</u> as an encouragement to the rest of our members.

We want to thank Bud and Linda - and you, our members - for your trust as we work to make possible the sharing of medical costs in this community.

Maternity & Membership: What to Expect

April 10th, 2019

Here at Liberty HealthShare, we are invested in helping our members navigate the process of paying for their medical costs with as little confusion and stress as possible. We've done our best to make the maternity process simple and straightforward because we know you would rather prepare to welcome your new bundle of joy than worry about confusing policies.

Here are a few helpful tips for members during maternity and pregnancy:

Once you know you are expecting, as early as possible, we ask that you call our pre-notification line (888-604-4337) to inform us of the pregnancy. A representative will ask you about your due date and confirm eligibility for sharing. *Keep in mind that members must be enrolled before conception for maternity to be eligible for sharing.*

When you call the pre-notification line, you will be assigned a Maternity Advocate. This person will help manage the financial side of things during your pregnancy, up to and including the delivery. Your maternity advocate will send a welcome e-mail with some preliminary information, so be sure to read that in case you have any questions. During your initial contact, he or she will also ask you a few questions about your plan for delivery and then reach out to your providers.

Typically doctors and facilities charge a "global fee" that includes certain services (ultrasounds, office visits, labs, etc.), and the advocate will work to negotiate the fairest, most reasonable amount for this fee. This is one of the reasons it is important for expecting mothers to pre-notify as early in their pregnancy as is possible, in case a provider's fees are excessive.

Because this global fee is usually negotiated, we ask that maternity bills be sent directly to the maternity advocate via e-mail, rather than submitted through the ShareBox. Bills must be itemized and include date(s) of service, service codes (five-digit CPT codes) and prices. Receipts must show the name of the provider who was paid.

Please note: As of September 1, 2018, doula services are no longer eligible for sharing. For expecting mothers who pre-notified regarding a pregnancy prior to September 1st, doula expenses will be shared in at a maximum of \$1,000.

Once you bring your new family member home, he or she can be added to your membership as a dependent. We will need notification in writing from the sharing member within 30 days.

NOTE: We always recommend members familiarize themselves with our <u>Sharing Guidelines</u> <u>document</u>, which contains in-depth information about all aspects of membership.

Please note that our guidelines are amended from time to time, so you should always reference the current version housed under "Resources & Education" on <u>our website</u> (or click on the link embedded above) rather than any printed or downloaded version you may have.

As you grow your family, we are excited to play even a small part in the process. It's an honor for us to make possible the sharing of your medical costs with your fellow members. We can't wait to meet your new addition!
