

Medical Information Form

You will need the following information to fully complete this form:

- Student Driver's License or State Issue ID (your school ID is NOT acceptable)
- Picture of Medical Insurance Card or Medicare Card (if applicable).
 - You will take a picture of the front and back of the card.
 - Please crop the picture so that the only thing visible is the card.
 - Policy numbers must be clearly visible in the picture.
- List of medications, allergies, medical conditions, etc.

Once you've gathered the information above, please click the link below to complete the Medical Information Form. You should be able to go back and edit this information later. Be sure to read all of the instructions on the form.
