HOW TO REPORT CRIMES & EMERGENCIES

In the event of an emergency, members of the College community (except those at the Utica Campus who should always call Campus Police first) are instructed to first call 911 giving his or her name, location, and the nature of the emergency to the 911 operator. Immediately thereafter, the person reporting should call and report the incident to the Campus Police at the appropriate number at the locations listed below. Please note that if you are using the College phone system, you must dial 9+911 (except the Vicksburg-Warren Campus). If you are using an outside phone, such as a cellular phone, then you should only dial 911.

To Protect and Serve

The **Campus Police Department** (Public Safety) is a team of professionals working to provide a secure environment in which the educational mission of the College can be fully realized. The officers and staff are service-oriented and committed to the safety and well-being of those associated with Hinds Community College. They provide crime prevention and control, criminal investigation, traffic and parking supervision, disaster coordination, maintenance of public order and other related services. The officers of the department are responsible for the enforcement of state and local laws. They also work closely with the Dean of Students Office/Operations Dean to ensure that safety policies and procedures are uniformly executed and conveyed in a clear and consistent manner to the College's students, faculty and staff. The department's ability to function as an independent law enforcement agency enables the staff to respond to situations requiring police assistance while still maintaining the autonomy of the College.

Our Officers and Their Training

Campus security is provided by a College-employed staff of Campus Police officers supplemented with contract security officers.

- Police officers are certified by the State of Mississippi Board of Law Enforcement Officers Standards and Training and are sworn Peace Officers.
- Campus Police officers receive basic law enforcement training at the Mississippi Law Enforcement Officers' Training Academy and all receive continuous in-service training in law enforcement and human services.
- Security officers, although without police power, are able to enforce College rules and regulations.
- Officers are in constant radio communication with mobile and stationary units as well as other police agencies.
- Marked vehicles allow flexibility and mobility in patrolling the campus area.

Facility Access and Security

Hinds Community College operates under an "Open Campus" policy. However, there are specific security measures regarding access to campus buildings and social events.

- Identification cards with proper validation are issued to all students and employees. They are to be used for admission to residence halls, athletic facilities, and social events. These cards are necessary for students and employees to take advantage of library, bookstore, financial aid, food service, and business office privileges. Failure to visibly wear one's I.D. card at all times when on College property can result in fines and disciplinary action, including suspension from HCC. The I.D. card must be surrendered to any College official upon request.
- Exterior entrances to residence halls, academic, technical, career and athletic facilities are routinely and regularly patrolled and secured by the Campus Police/Security officers. Additionally, Campus Police/Security officers provide routine and regular foot and/or vehicular patrol of the Campus.
- Maintenance of security hardware and electronics is provided by the College's maintenance employees and registered locksmith.
- Private business or solicitation may not be conducted on College premises, including residence halls and/or academic buildings, except when a student organization has requested a particular service which is directly relevant to the purpose of that organization and has been given approval by the appropriate college officials.
- The Campus will be closed to all unauthorized personnel from 12:00 p.m. until 7 a.m. each night. Students must be either in the process of entering the residence hall or leaving the Campus. This procedure is not intended to either penalize or limit students' entry or exit from the hall, but is intended to provide optimum conditions for security operations.
- Exterior entrances to all residence halls have controlled access either by electronic or mechanical locks.

Hinds Campus Police Assistance Programs

Many staff members, students and visitors to our campuses may be unaware of the services that our office provides. The following is a list of things that we can do for you:

- Investigate all incidents on campus.
- Make emergency notifications.
- Escort service to your vehicle or building to building.
- Maintain the College lost-and-found service.
- Provide engraving services for personal belongings.
- Issue vehicle registration decals.
- Provide classes, clubs, offices with programs on safety awareness and crime prevention tips.

Campus Safety and Security Measures

- Provides a full service police department on four campuses and security on two.
- Provides and maintains doors that lock to all rooms and buildings.
- Make and issue all College door keys (locksmith).
- Implements safety and security awareness programs, such as self-defense and substance abuse education.
- Provides outside emergency phones located near the women's and men's residence halls, and other strategic campus locations.
- Conducts campus lighting and safety surveys.
- Trains residence hall staff to respond to routine and crisis situations.
- Provides residence hall information desks which operate 10 hours per day.
- Issues identification cards to all students and employees, which provide access to campus activities and facilities.
- Manages campus parking.

Security in the Residence Halls

Hinds Community College has 11 residence halls. There is no on-campus housing for married students. All students have the opportunity to request changes in room assignments, which are accommodated as quickly as possible based upon available facilities. The College does not provide off-campus housing.

- Trained Hall Directors and Resident Assistants staff the halls and are on call 24 hours a day. They undergo thorough training in enforcing residence hall security procedures.
- Residence Hall Staff Members are assigned to the desk at the main entrance of the residence halls during specific hours of the day.
- All exterior doors in residence halls are locked at 10:30 PM and reopen at 1:00 PM when staff are on duty. The student's I.D. is the key which opens the main entrance of the hall to residents needing access. The student rooms in residence halls have locks and windows that have locking devices.
- Overnight guests in the residence halls may only stay on the weekends. They must be students of the same sex and must be pre-approved in writing by the Hall Director, not by a Resident Assistant.
- When the red emergency button phone is pushed it will automatically connect to the Campus Police Department.

Residential Campus Safety & Security Programs

Currently, the College has a multi-faceted program to inform students and employees of campus security procedures and crime prevention.

- The Campus Police/Security Department, along with the Dean of Students Office, utilizes printed materials, student forums, special emphasis week programs and multi-media presentations to promote crime prevention and awareness in the College community.
- Schedule annual emphasis week programs focus on a variety of topics including alcohol and drug abuse awareness, self defense, crime prevention and reporting crimes.
- Guest speakers are invited on campus to present programs relative to such topics as accepting responsibility for one's own actions, developing civic responsibility to report, prevent and deter crime.
- Residence Life staff offers many different programs that address all facets of life such as interpersonal relationships, improving study skills, time and stress management, self defense, rape prevention, AIDS education and social/intramural events.

Missing Person Procedure for Resident Students

The purpose of this document is to establish procedures for Hinds Community College, to respond to and assist with reports of missing students as required under the Higher Education Opportunity Act of 2008. This procedure applies to students who reside on campus and are deemed missing or absent from the College for a period of more than 24 hours without any known reason or which may be contrary to usual patterns of behavior. Such circumstances could include, but are not limited to, reports or suspicions of foul play, suicidal thoughts, drug use, any life threatening situations, or where a student may be known to be with persons who may endanger the welfare of the student.

All reports of missing resident students shall be directed to the Campus Police Department, which will conduct an investigation to determine whether the student is missing. If a missing student is under 18 years of age, the College is required to notify the parent or guardian no later than 24 hours from the time the student was determined to be missing by the College. The College will also notify other law enforcement agencies if deemed necessary after the student is determined to be missing.

All residential students will have the opportunity to designate an individual or individuals to be emergency contacts, who will be notified by the College no more than 24 hours from the time the student is determined to be missing. All confidential emergency contact information will be on file with Housing and Residence Life and will remain in effect until changed or revoked by the student.

PROCEDURE:

1. Any and all reports of missing students shall be directed to the Campus Police Department.
2. An investigation will be initiated to determine the validity and credibility of the missing person report. The Campus Police Department and Housing/Residence Life will gather all essential information about the student from the person making the report and from the students' acquaintances. The information to be obtained includes, but is not limited to, personal descriptors, clothing last worn, locations where student may be, persons or witnesses who may have information, vehicle descriptions, information of the physical and mental well-being of the student, up-to-date photographs, class schedule, etc.
3. The Dean of Students or designee will notify the emergency contact individual that the student is missing. In the event the student is under 18 years of age or is not emancipated, the College shall make notification to the custodial parent or guardian.
4. If the listed actions are proven to be unsuccessful in locating the missing student, notification will be made to other agencies for assistance in the location of the missing student.
5. The Dean of Student's Office shall initiate whatever actions deemed appropriate and in the best interests of the missing student.
6. College President and his cabinet will be notified in accordance with this procedure.

Reporting Crime to Other Campus Security Authorities

While the College prefers that students promptly report all crimes and other emergencies directly to Campus Police or Campus Security or 911, we also recognize that some students may prefer to report to other college officials. The Clery Act recognizes certain college officials and offices as Campus Security Authorities (CSA). The act defines these individuals as officials of an institution who have significant responsibility for students and campus activities, including, but not limited to professionals in student services and housing staff members, faculty advisers to student groups, and/or the athletic director and head coaches, and states these individuals can receive a report. An official is defined as any person who has the authority and the duty to take action or respond to particular issues on behalf of the institution.

Emergency Response Procedures

Any emergency should be promptly reported to Campus Police by dialing one of the following numbers:

JACKSON CAMPUS: Academic/ Technical Center	601.987.8170	Campus Police
JACKSON CAMPUS: Nursing/ Allied Health Center	601.376.4911	Campus Police
RANKIN CAMPUS	911	
RAYMOND CAMPUS	601.857.3911	Campus Police
UTICA CAMPUS	601.885.6151	Campus Police
VICKSBURG CAMPUS	601.638.0600	Deans Office

Provide the location of the emergency and what is going on. Be prepared to answer all questions asked.

Hinds Community College has a comprehensive emergency response plan that is activated any time an emergency occurs that will require the activation of the Campus Crisis Action Team (C-CAT) emergency response team oversight to provide guidance for the College's response.

The C-CAT assures appropriate response to any campus emergency. This team is made up of members of emergency management, campus police, physical plant, student services and other vital staff and meets monthly to plan campus emergency response, to conduct table-top and live drills to prepare for a variety of campus emergencies, assess and evaluate emergency plans and capabilities, and to debrief after any campus emergency. The C-CAT also works with local first responders to coordinate response efforts and to conduct joint drills.

Class Closing Procedures

NOTE: Only the President or his/her designee shall have the authority to cancel classes/work or adjust the times at which they end or resume.

A particular campus, all campuses, or other locations where classes are taught in the Hinds Community College District will close when the safety and well-being of the student body is in jeopardy. There may be times when one campus is closed and others will be open.

Faculty, staff, and students should not call administrators or public safety. The college community will be notified via the EagleOne Alert Network (www.eagleone.hindscc.edu) if there is a closure announcement. In the absence of any announcement, the college community should assume the college is operating on its normal schedule. All students, faculty and staff would be expected to report to classes and work. Students not reporting to class will be counted absent and employees not reporting to work will have to take a personal day of leave.

In the event of an emergency closing, classes and activities will be cancelled according to the following announcement times:

By 6:00 a.m. to announce a closing for the day or a delayed opening

By 11:00 a.m. for afternoon classes and activities

By 4:00 p.m. for evening classes and activities

Delayed Opening

In the event that a **DELAYED OPENING** occurs in the middle of a class period, students and faculty are advised that if your class has one hour or longer of instruction / lab / studio time remaining – your class **WILL** meet. For example, your class meets from 11:00 a.m. to 1:45 p.m. There is a 12:00 noon Delayed Opening. Your class **WILL** meet for the remainder of the class period from 12:00 to 1:45 p.m.

Early Dismissal

In the event that an **EARLY DISMISSAL** occurs in the middle of a class period, students and faculty are advised that if your class has one hour or longer of instruction / lab / studio time before the Early Dismissal – your class **WILL** meet. For example, your class meets from 2:00 to 3:15 p.m. There is a 3:00 p.m. Early Dismissal. Your class **WILL** meet from 2:00 to 3:00 p.m.

However, if your class has less than one hour of instruction / lab / studio time before the Early Dismissal – your class will **NOT** meet. For example, your class meets from 12:30 to 1:45 p.m. There is a 1:00 p.m. Early Dismissal. Your class will **NOT** meet.

Building Evacuation

Every person in the building, including staff, faculty, students, visitors, and contractors where the fire alarm is sounding or when directed to do so by emergency officials, regardless of known or suspected cause, is required to evacuate immediately. Persons evacuating must leave via the closest exit. Any equipment that could cause a fire should be turned off before exiting if it can be done quickly and safely. Exits are posted throughout each building.

Elevators: Elevators cannot be used by any person as a means of emergency evacuation. Elevators in most buildings are pre-set to return automatically to the bottom floor. Use of an elevator can result in opening on the fire floor, exposure to life-threatening levels of fire or gases, and being trapped in a malfunctioning elevator.

Evacuation for the Mobility and Visually Impaired: Persons with mobility impairment may be allowed to “defend in place” and not be required to evacuate if they are: (1) located above or below the level of building exit, and (2) physically cannot exit without assistance.

Definition of Mobility Impaired: Persons who use a wheelchair, crutches, canes, walkers, etc. Persons who are able to walk should exit if possible, but need to decide if they can safely descend the stairs. Those with emphysema, asthma, heart disease, and arthritis, depending on the situation, may also follow the guidelines for defending in place.

Visually Impaired: Persons who are visually impaired should, with the assistance of others, evacuate the building using the stairs, if they are familiar with their immediate surroundings and frequently traveled routes. If visually impaired persons are unfamiliar with the emergency evacuation route and assistance is not available, they should defend in place. To assist visually impaired persons:

- Announce the type of emergency.
- Offer your arm for guidance.
- Tell the person where you are going, obstacles you encounter.
- When you reach safety, ask if further help is needed.

Hearing Impaired: To alert people with hearing limitations:

- Turn lights on/off to gain the person’s attention, or
- Indicate directions with gestures, or
- Write a note with evacuation directions.

Personal Emergency Plans (PEPs) for Persons with Disabilities

Although the process of developing a Personal Emergency Plan is optional for students and staff, the College encourages proactive planning on the part of the entire college community for emergency conditions. Individuals with disabilities may require additional assistance with alerting, evacuating, and sheltering in the event of an emergency.

The College offers the opportunity, through a confidential process, to develop a PEP that could include such strategies as storing extra equipment or medications, providing public safety with your class and personal schedule, specific evacuation procedures, sheltering procedures, volunteer rescue assistants, and designating means of communication in the event of an emergency.

Although not required, faculty, staff, and students are encouraged to identify their concerns about evacuation in case of an emergency, and to develop a PEP that is effective for them.

Even without a PEP in place, having a cell phone on you at all times and programming the public safety phone number into your phone can allow you to alert public safety if an emergency occurs and you have concerns about evacuating.

Students wishing to create a PEP for themselves, or those with questions about evacuations can contact public safety at Campus Police or Campus Administrative Office listed on page one.

Defend in Place: Unless the fire or other hazard is life threatening to a mobility-impaired person, or the person is on the ground floor (exit level of the building), then it may be advisable for that person to remain in her or his currently occupied room. If the individual decides to defend in place, he or she must immediately:

- Notify others evacuating that you are remaining in your room and ask them to contact public safety with that information immediately upon exiting the building.
- If a phone is available, call 911 to inform them that you are defending in place, and your exact location.
- Close the door to prevent smoke entry, and, if necessary, put towels or any other available fabric at the crack at bottom of the door.
- If possible, move to a window with a brightly colored cloth to wave to the fire department. Do not break the window unless absolutely necessary. (Breaking the window could allow smoke to enter the room from the floor below or injure a person below).

Assembly: Once outside the building, all occupants should proceed to the designated assembly areas for a roll call. Each organization is responsible for determining the assembly areas for all buildings that their participants and staff may be using, especially the housing areas. These areas should be at least 25 feet away from the building and should leave access for emergency personnel to enter the building. The building liaison and/or faculty/instructor will take the roll call and report back to the emergency coordinator. The roll call is an important function as town emergency personnel responding to the incident need to determine if anyone is missing and may be in the building. If employees are missing, do not re-enter the building! Notify emergency response personnel and/or the emergency coordinator and inform them of the missing employee's name and last known location. Re-entry into the area will be made only after clearance is given by the emergency coordinator or his or her designee.

Each building coordinator should keep a list of people who live or have offices in the building. Examples include class rolls, dorm lists, and staff rosters. Because the college is a public place, all people in the building may not be on a roster. The evacuated groups should be polled by the building liaison as to who may be left in the building.

Campus-Wide Evacuation

- Evacuation of all or part of the campus will be announced by the Department of public safety or appropriate agency.
- All persons (students and staff and their visitors) are to vacate immediately the area of campus in question and relocate to another part of the campus grounds or off campus as directed.

Emergency Information and Drills Emergency Procedures are posted in each building and provided to new employees at orientation. All Hinds Community College residential buildings have two evacuation drills each semester.

Campus Emergency Alert System – EagleOne

Campus Emergency Notification System

Emergencies either man-made or natural can occur at any time and for any reason. Hinds Community College strives to keep our students, faculty, staff, and visitors' safe at all times. Hinds Community College's Emergency Alert System is called EagleOne Alerts.

The EagleOne Alert Network uses SMS/ Voice messages, Emails, Emergency Info Line (601.857.3600), EagleOne Website, and Eagle Vision to communicate vital information to let students and staff know when there is an emergency on or around campus and what they need to do to be safe. EagleOne Alert is the accurate source for emergency information for Hinds Community College.

More information about the EagleOne Alerts and can be found at <https://www.hindscc.edu/emergency/eagleone-alert>. The EagleOne Alert Network is tested on the first day of every month at noon (weather permitting).

Fire Safety and Education Program

Hinds Community College's fire safety education program is multi-faceted. Initial training on the college's fire safety program is provided at the first hall meeting each year. Additional information and reminders on fire safety zones and evacuation procedures is provided to all students prior to the start of fire drills for the year. Residence hall staff receives additional training prior to the start of each semester. The college provides additional fire safety education to students who violate campus fire safety policies and to those that request it.

POLICIES & PROCEDURES FOR DRUG AND ALCOHOL

Public Intoxication Procedure

The College forbids the possession and/or consumption of alcoholic beverages or drugs on the campus and/or at any activity sponsored by a student organization at the College on college owned or controlled property. Drunkenness or evidence of intoxication is a violation of law on college property. Drunkenness can be caused by alcohol, drugs, narcotics, or other intoxicating substances.

The College will take additional steps with students who appear impaired to the point where they are drunk (not in control of themselves) on campus in order to protect that student and the campus community. Therefore, if in the opinion of appropriate college officials a student is impaired (public drunk or under the control of mind altering substances), then the following action will be taken:

1. The student's parents or legal guardian will be called to come and take custody of the student (if the student is under the age of 21);
2. If the parent or legal guardian cannot be contacted, or if the parent or legal guardian refuses or is unable to take custody of the student within one and a half hours, then the student will be arrested and transported to jail.

Hinds Community College Drug & Alcohol Procedure

Hinds Community College strives to maintain an environment free from the effects of intoxicants or illicit behavior affecting or mind altering substances. It is our belief that a drug-free environment benefits Hinds Community College, its students, staff, and the community at large. It is our further belief that this environment can be best achieved through an intentional, consistent, and visible effort that is preventive as well as reactive in nature.

One of the goals of Hinds Community College, as well as all higher education, is to encourage and enable students to develop their sense of personal responsibility, their ability to make timely, sound decisions, and to exercise responsible citizenship. These are also expected of the employees of the College.

Hinds proposes to create, promote, and maintain a drug-free environment through thoughtful programs to create and heighten awareness of drug and alcohol problems, referral to appropriate treatment and screening, and educational efforts concerning the nature and effects of alcohol and drug abuse.

Sec. 22 "The Drug Free Schools and Communities Act Amendment of 1989" (Public Law 101-226).

This public law states that no institution of higher education will receive federally funded financial assistance unless it has adopted and implemented a drug and alcohol awareness program for students and employees by October 1, 1990. The awareness program must include several importance factors:

- describe legal sanctions under local, state and federal laws for the unlawful possession or distribution of illicit drugs and alcohol
- describe the health risks associated with the use of illicit drugs and alcohol
- describe appropriate drug or alcohol treatment plans that are available to the students and employees of the institution
- describe acceptable standards of conduct that prohibit the unlawful possession, use and distribution of illicit drugs and alcohol
- ensure that the sanctions are consistently enforced
- provide for a biennial review of its program to determine its effectiveness and implement

Penalties for Drug/Alcohol Use & Abuse

Students who fail to observe these standards of conduct will be referred to a Disciplinary Committee or an Administrative hearing officer for appropriate action.

Title IX & Sexual Harassment Policy

(Including Sexual Assault, Sexual Harassment, Domestic Violence, Dating Violence and Stalking)

INTRODUCTION

What is Title IX and Sex Discrimination?

The U.S. Department of Education's Office for Civil Rights (OCR) enforces, among other statutes, Title IX of the Education Amendments of 1972. Title IX protects people from discrimination based on sex in education programs or activities that receive Federal financial assistance. Title IX states that:

No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving federal financial assistance.

What is Sexual Harassment?

Defined by the U.S. Department of Education's Office for Civil Rights in the 2020 regulations, sexual harassment replaces sexual misconduct. Sexual harassment includes any of three types of misconduct on the basis of sex, all of which jeopardize the equal access to education that Title IX is designed to protect:

- (1) Any instance of quid pro quo harassment by a school's employee;
- (2) Any unwelcome conduct that a reasonable person would find so severe, pervasive, and objectively offensive that it denies a person equal educational access;
- (3) Any instance of sexual assault, dating violence, domestic violence, or stalking as defined in the Violence Against Women Act (VAWA)

What is a Title IX Coordinator?

The Title IX Coordinator primary responsibility is coordinating the College's efforts to comply with and carry out the responsibilities under Title IX, at Hinds Community College. The Title IX Coordinator is responsible for receiving and reviewing complaints of sex discrimination and sexual harassment, as well as retaliation for the purpose of interfering with any rights or privileges secured by Title IX.

The Title IX Coordinator, designees includes the Lead Deputy Title IX Coordinator and Deputy Title IX Coordinators on each campus. Title IX Coordinators are also referred to as the recipient when submitting a complaint.

Lead Deputy Title IX Coordinator

Is a designee of the Title IX Coordinator, who assist with overseeing the Title IX Sexual Harassment process.

Deputy Title IX Coordinators
