

TOTAL PROTECTION, CONSTRUCTION

THE KOORSEN ADVANTAGE

The Koorsen Fire & Security team knows the unique challenges of maintaining safety and security in the construction industry. Trust the experts at Koorsen for all of your fire, security and life safety needs for any construction project. Koorsen's NICET certified and factory trained associates have the knowledge and experience to design, install, service and repair virtually any type of fire or security system.

WHO WE SERVE

Construction facilities have stringent regulations and guidelines regarding the service and inspection of life safety equipment. We take these regulations seriously, and we work hard to stay abreast on all the current changes and regulations. Trust the experts at Koorsen to protect all of your life safety equipment.
