

TOTAL PROTECTION, RESTAURANT

THE KOORSEN ADVANTAGE

Maintaining NFPA and OSHA compliance in any kitchen requires constant vigilance, and so does the safety of your employees, customers and equipment.

Partner with Koorsen Fire & Security for total protection from one source. We have a long history of bringing complete fire and security services to everything from a full-kitchen restaurant to a small diner. Our team of factory trained and certified associates ensure the job is done right the first time—so that your downtime is minimal, your facility is safe and secure, and your employees and equipment are protected.

WHO WE SERVE

SAFETY SHIELD

Koorsen Fire & Security is now a proud distributor of Safety Shield. Safety Shield is a state-of-the-art, fiber-based grease filter that captures and contains over 98% of airborne grease before entry into the kitchen exhaust system and eventually into the environment.

THE BENEFITS

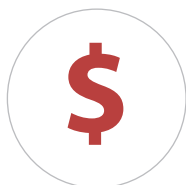

- Improves fire safety
- Reduces need for exhaust hood cleaning
- Saves on labor
- Minimizes waste
- Extends the life of your roof
- Decreases need for repairs & maintenance
- Environmentally friendly
