HP Color LaserJet Managed E55040dn

Fast speeds. Brilliant colour. Deepest Security¹

Speed and colour are the perfect pair for your business.¹ That's why this energy-efficient printer and Original HP Toner cartridges with JetIntelligence combine to produce vibrant, professional-quality documents right when employees need them.

Dynamic security enabled printer. Only intended to be used with cartridges using an HP original chip. Cartridges using a non-HP chip may not work, and those that work today may not work in the future. Learn more at: http://www.hp.com/go/learnaboutsupplies

High-speed performance meets energy efficiency

- This printer wakes up fast and prints your first page fast in as quickly as 8.5 seconds.¹
- Speed through tasks and save paper. Print two-sided documents as quickly as one up to 40 $\mbox{ipm.}^2$
- This printer uses exceptionally low amounts of energy thanks to smart, media-sensing and toner technology. $^{\rm 3}$
- Equip employees to breeze through tasks with the adjustable 10.9 cm (4.3 inch) 10.9 cm colour touchscreen.

Your fleet - simple, protected, streamlined

- Centralise control of your print environment with HP Web Jetadmin⁵ and help build business efficiency.
- Protect sensitive business data with embedded and optional HP JetAdvantage security solutions. $^{\rm 4}$
- Further safeguard data stored on the printer and in transit, using advanced, optional security features.⁶
- Give workgroups what they need to succeed. Easily develop, deploy, and add on HP and third-party solutions. $^{7}\,$

Print whenever business demands

- Easily print from a variety of smartphones and tablets – generally no setup or apps required. $^{\rm 8}$

More. Pages, performance, and protection.

- Avoid frustrating reprints, wasted supplies, and service calls using Original HP toner cartridges.
- Count on professional quality at fast speeds HP ColorSphere 3 toner works best with your HP printer.
- Get the Original HP quality you paid for with anti-fraud technology.
- Spend less time replacing toner, and more on business. Choose high-yield toner cartridges.

Product walkaround

HP Color LaserJet Managed E55040dn

- 250 sheet output bin
 Front door access to toner cartridges
- 3. Built-in automatic two-sided printing
- 4. 550 sheet tray 2 with locking paper tray guides
- 5. 10.9 cm (4.3 inch) colour touchscreen
- 6. Hardware Integration Pocket
- 7. Easy-access USB port
- 8. Right door (access to fuser and print path)
- 9. 100 sheet multipurpose tray 1
- 10. Gigabit/Fast Ethernet 10/100/1000 Base-TX network port
- 11. Hi-Speed USB 2.0 printing port
- 12. Hi-Speed USB 2.0 Host for optional solutions port

Technical specifications

Model	HP Color LaserJet Managed E55040dn
Product number	3GX99A
Functions	Print
Control panel	10.92 cm (4.3 in) touchscreen with colour graphics
Print	
Print technology	Laser
Print speed ¹	Black (A4, normal): Up to 38 ppm; Colour (A4, normal): Up to 38 ppm; Black (A4, duplex): Up to 38 ipm; Colour (A4, duplex): Up to 38 ipm;
First page out ²	Black (A4, ready): As fast as 6 sec; Colour (A4, ready): As fast as 7 sec; Black (A4, sleep): As fast as 9 sec; Colour (A4, sleep): As fast as 9 sec;
Print resolution	Black (best): HP ImageREt 3600; Colour (best): HP ImageREt 3600; Technology: HP ImageREt 3600, Pantone Calibrated;
Monthly duty cycle ³	Up to 120,000 pages A4; Recommended monthly page volume ⁴ : 2,000 to 15,000
Printer smart software features	Print preview, duplex printing, print multiple pages per sheet (2, 4, 6, 9, 16), collation, watermarks, store print jobs, easy-access USB, HP EasyColor
Standard print languages	HP PCL 6; HP PCL 5c; HP postscript level 3 emulation, native PDF printing (v 1.7), URF (AirPrint)
Fonts and typefaces	105 internal TrueType fonts scalable in HP PCL, 92 internal scalable fonts in HP Postscript level 3 emulation (Euro symbol built-in); 1 internal Unicode Fonts (Andale Mono WorldType); 2 Internal Windows Vista 8 Fonts (Calibri, Cambria); Additional font solutions available via third-party flash memory cards; HP Laser Jet Fonts and IPDS Emulation available at http://www.hp.com/go/laserjetfonts
Print area	Print margins Top: 2 mm absolute/5 mm assured image, Bottom: 2 mm absolute/5 mm assured image, Left: 2 mm absolute/5 mm assured image, Right: 2 mm absolute/5 mm assured image;
Duplex printing	Automatic (standard)
Processor speed	1.2 GHz
Connectivity	
Standard	1 Hi-Speed Device USB 2.0; 2 Hi-Speed USB 2.0 Host; 1 Gigabit/Fast Ethernet 10/100/1000 Base-TX network; Hardware Integration Pocket
Optional	HP Jetdirect 2900nw Print Server J8031A, HP Jetdirect 3000w NFC/Wireless Accessory J8030A, HP Jetdirect 3100w BLE/NFC/Wireless Accessory JJN69A
Mobile printing capability ⁵	HP ePrint; Apple AirPrint™; Google Cloud Print™; Mopria™ Certified; ROAM capable for easy printing
Supported network protocols	Via built-in networking solution: TCP/IP, IPv4, IPv6; Print: TCP-IP port 9100 Direct Mode, LPD (raw queue support only), Web Services Printing, IPP 2.0, Apple AirPrint [™] , HP ePrint, FTP Print, Google Cloud Print; DISCOVERY: SLP, Bonjour, Web Services Discovery; IP CONFIG: IPv4 (BootP, OHCP, AutoIP, Manual, TFTP Config, ARP-Ping), IPv6 (Stateless Link-Local and via Router, Stateful via DHCPv6); Management: SNMPv2/v3, HTTP/HTTPs, Telnet, TFTP Config, FTP FW Download, Syslog; Security: SNMPv3, SSL Cert Management, Firewall, ACL, 802.1x
Network capabilities	Via HP Jetdirect Ethernet embedded print server (standard) Supports: 10Base-T, 100Base-Tx, 1000Base-T; 802.3az (EEE) Support on Fast Ethernet and Gigabit Ethernet; IPsec (standard)
Hard disk	Optional, 500 GB (with accessory B5L29A)
Memory	Standard: 1 GB ;Maximum: 2 GB
Media handling	
Number of paper trays	Standard: 2 ;Maximum: 5
Media types	Paper (plain, light, bond, recycled, mid-weight, heavy, mid-weight glossy, heavy glossy, extra heavy, extra heavy glossy, cardstock, card glossy) colour transparency, labels, letterhead, envelope, preprinted, prepunched, coloured, rough, opaque film, user-defined

Footnotes

¹ Measured using ISO/IEC 17629. For more information, see hp.com/go/printerclaims. Exact speed varies depending on the system configuration, software application, driver, and document complexity.

² Measured using ISO/IEC 24734 and excludes first set of test documents. For more information, see hp.com/ao/printerclaims. Exact speed varies depending on the system configuration, software application, driver, and document complexity

³ Based on HP testing using the ENERGY STAR® program's Typical Electricity Consumption (TEC) method or as reported in energystar.gov vs. competitive single-function color laser printers with print speeds between 31 and 44 pages per minute (ppm) as of November 2014. Actual results may vary.

⁴ Some solutions require download or additional purchase. Learn more at http://www.hp.com/go/printingsolutions. ⁵ Universal device plug-in is offered with HP Web Jetadmin 10.3 SR4 and higher. HP Web Jetadmin is free and available for download at http://www.hp.com/go/webjetadmin.

⁶ Use of the optional HP Trusted Platform Module accessory may require a firmware upgrade.

⁷ Solutions deployed through the Hardware Integration Pocket (HIP) may require additional purchase.

⁸ Local printing requires mobile device and printer be on the same network or have a direct wireless connection. Wireless performance is dependent on physical environment and distance from access point. Wireless operations are compatible with 2.4 GHz operations only. Remote printing requires an Internet connection to an HP web-connected printer. App or software and HP ePrint account registration may also be required. Wireless broadband use requires separately purchased service contract for mobile devices. Check with service provider for coverage and availability in your area. See hp.com/go/mobileprinting for more details.

Technical specifications disclaimers

¹ Measured using ISO/IEC 24734, excludes first set of test documents. For more information see http://www.hp.com/go/printerclaims. Exact speed varies depending on the system configuration, software application, driver, and document complexity

² Measured using ISO/IEC 17629. For more information see http://www.hp.com/go/printerclaims. Exact speed varies depending on the system configuration, software application, driver, and document complexity. ³ Duty cycle is defined as the maximum number of pages per month of imaged output. This value provides a comparison of product robustness in relation to other HP LaserJet or HP Color LaserJet devices, and enables appropriate

deployment of printers and MFPs to satisfy the demands of connected individuals or groups

⁴ HP recommends that the number of printed pages per month be within the stated range for optimum device performance, based on factors including supplies replacement intervals and device life over an extended warranty period.

⁵ To enable HP Roam, some devices may require firmware to be upgraded and an optional accessory to add Bluetooth[®] Low Energy (BLE) beaconing capabilities. Customer can purchase the HP Jetdirect 3100w BLE/NFC/Wireless accessory or the RadBeacon USB.

⁶ Not all Compatible Operating Systems are supported with In-box software. Full solution software available only for Windows 7 and newer. Legacy Windows Operation Systems (XP, Vista, and equivalent servers) get print and scan drivers only. Windows RT OS for Tablets (32/64-bit) uses a simplified HP print driver built into the RT OS. UNIX model scripts are available on http://www.hp.com (Model scripts are Print drivers for UNIX operating systems); Linux systems use in-OS HPLIP software.

⁷ Acoustic values are subject to change. For current information see http://www.hp.com/support. Configuration tested: base model, simplex printing, A4 paper at an average of 38 ppm.

⁸ Power requirements are based on the country/region where the printer is sold. Do not convert operating voltages; this will damage the printer and void the product warranty. Power consumption in Auto-Off mode depends on customer network switch capability, user configuration and network activity. Off-mode power may vary while checking network packets for print jobs.
