

KiZAN Solutions Tenant to Tenant Migration

Contact Us

KiZAN is a trusted advisor for Microsoft 365 tenant to tenant migrations.

Whether due to a divestiture, a rebrand, or a merger and acquisition, organizations that utilize Microsoft 365 may need to migrate mailboxes from one tenant to another. KiZAN's migration experts will guide the entire process to migrate your users, groups, and objects and help you develop an effective communication plan to ensure no data is lost and business disruption is minimal. KiZAN is a Microsoft National Solutions Provider with numerous Gold and Silver certifications to meet your organization's needs. We were named Microsoft's very first global partner of the year and we were recognized as Microsoft's 2019 US Partner of the Year for the automotive industry.

Industry-based solutions for:

-  Professional Services
-  Retail Services
-  Manufacturing Services
-  Financial Services
-  Healthcare Services
-  Government & Education

KiZAN is proud to partner with BitTitan for seamless and secure enterprise migrations.

Common reasons for tenant migrations

- ▶ M&A activity requiring migrating objects from one tenant to another.
- ▶ M&A activity requiring migrating multiple tenants into a new tenant.
- ▶ Divestitures requiring a business unit to spin off as a new company.
- ▶ Realignment of business due to regulatory or data residency concerns.
- ▶ Need for improved collaboration.
- ▶ Desire to function as a single organization.
- ▶ Financial concerns requiring streamlined IT.
