

Spiritual Sponsorship Program

To prepare students for a deeper encounter with Christ during the March for Life pilgrimage and to increase fervent prayer on behalf of the culture of life, we are inviting the young people going on pilgrimage to participate in the Spiritual Sponsorship Program. Our students will have the opportunity to invite family, friends or mentors to offer up prayers for the culture of life as well as those traveling on pilgrimage.

Those they invite will accompany the young person by following these three steps to being a spiritual sponsor:

- 1.** Pray for the student during the pilgrimage (and hopefully before and after).
- 2.** Pray that a culture of life would truly reign in our country and throughout the world.
- 3.** Ask the young person about their pilgrimage after their return.
