

## SERVANT TEAMS 2020-2021

“Each of you should use whatever gift you have received to serve others as faithful stewards of God’s grace in its various forms... If anyone serves, they should do so with the strength God provides, so that in all things God may be praised through Jesus Christ.” 1 Peter 4:10 -11

### What are Servant Teams?

Servant Teams have been a tradition here at LCL for many years. From the very beginning, LCL families wanted to serve their school community through athletic contests, concerts, and events. As an LCL Family member, you are automatically signed up for a team. These teams support all areas for the school by running concessions at sporting events, helping with concerts in our fine arts department, and other events. We ask you to volunteer your time a couple times out of the year to help with these specific events. The neat thing is that while serving and helping the school, you are meeting other families from different classes and getting to know one another.

### Changes to Servant Team

This year we made a change to the servant teams. We created them so that there are families from all the classes together on a team.

- 1- **Teams Structure** - This year we wanted to make it so that each team had members from each class.
- 2- **TEAM LEADER** - This year, the Junior class families (highlighted in purple) are the ones that are in charge of the team and making sure the shifts are covered. The idea is that we would like families who have been involved with the Servant Teams for a year or so to help the new families on what to do. Also, we did not want the Senior families to worry about this as it is your child’s senior year. The nice thing is that you serve in this position for one year. The Team Leader tasks include:
  - a. Communicate to their team about the times they need to help - Email reminders, **SignUpGenious.com** – great tool to set up and input your team dates, how many families you need for date and then they can sign up.
  - b. Make sure that the shifts are covered
  - c. Let us in the Office know on attendance of those who worked
  - d. Help to create a fun, family environment when working with those team members.
- 3- **Numbers at events**- As we are preparing for this year, the number of people that we need to help may be less than last year. We will communicate any changes via the school website at lakecountryhs.org – go to Quick Links- select Parents- halfway down the page is the Servant Team Schedule.
- 4- **Continuous updates as this is a year of continuous change.** As games get postponed or cancelled, we will let you know from the office as soon as we know something has changed.

### What are my duties on a Servant Team?

The Servant Team schedule will come out online on Monday, August 24<sup>th</sup> the day before the first day of school. This will be the most up to date version we will have, seeing that none of the events will be starting until the middle of September. To get to the schedule go to lakecountryhs.org – go to quick links- select Parents- halfway down the page is the Download the Servant Team Schedule.

**Freshmen, Sophomore and Senior Parents** -One parent from each family is expected to serve when your team is listed on the schedule. Descriptions of what each job requires will be sent in reminder emails approximately one week prior to the event. Your job is to sign up via Signup genius or with your team leaders. Most events will not require all team members. **If you are unable to work the date assigned, it is YOUR RESPONSIBILITY to find someone else to work for you.**

**Junior Parents**- Your role this year is a Team Leader- which means you will make sure all your teams shifts are covered. This does not necessarily mean you have to work every shift. You will have to set up a way for your team to sign up for a time slot. Most people will use **SignUpGenious.com** as it is simple to use and easy way to track for your team. I will send out an introductory email to your Teams with the best emails to reach out to your team members on August 24<sup>th</sup>. If you need to find an email of a parent or student you can go to Skyward- on the left hand side click Directory- it will take you to where you can search for last name and find the emails.

**THANKS FOR HELPING AND SERVING!!**

## SERVANT TEAM LIST
