SCHOOL PHILOSOPHY **REGARDING STUDENT BEHAVIOR**

No society can function effectively without policies and procedures. Lake Country Lutheran High School provides the opportunity for students to find identity, meaning, purpose and power for their lives in Christ by “growing in the grace and knowledge of our Lord and Savior Jesus Christ” (2 Peter 3:18). Jesus lived and died by the rules, always being obedient to God and man. Because He died for our sins, He offers to each of us freedom from our sin. This act of love frees us to appreciate our successes and to grow from our failures, while always striving to do our best. As Philippians 3:14 says, “I press on toward the goal to win the prize for which God has called me heavenward in Christ Jesus.”

High expectations come from God and are a part of every facet of school life. These rules and expectations are necessary to provide our students with a safe and orderly school environment where high achievement becomes the focus. These rules are kept at a minimum and are enforced. Students come to LCLHS with backgrounds and experiences as varied as they themselves. Our students come as they are and we accept them as they are. Our common goal is that each student grows in relationship to Jesus Christ and to one another. “For we are God’s workmanship created in Christ Jesus to do good works which God prepared in advance for us to do” (Ephesians 2:10).

PARTNERSHIP WITH PARENTS

This handbook contains information to enable students and parents to become better acquainted with the general policies and procedures of Lake Country Lutheran High School and to further develop the partnership between home and school. The faculty and staff of Lake Country Lutheran High School appreciate the tremendous blessings of a partnership with parents/guardians to further the ministry that takes place at LCL. Any behaviors or patterns exhibited by either students or parents/guardians that do not demonstrate respect for the school community or alignment with the ministry of Lake Country Lutheran High School may result in the restriction of access to school events or activities and/or the possible removal of the student from enrollment at Lake Country Lutheran High School. Each child is a blessing from God, and we embrace the joys, celebrations, and challenges that accompany each child’s journey. The faculty and staff of Lake Country Lutheran are grateful for our common goals and mission as we partner together in ministry as a family.

ATTENDANCE POLICY

1. Regular attendance is essential for earning of credits at the high school level.
2. Course credit will be forfeited following the tenth (10) absence in a semester. School sponsored activities will not count toward this total, such as school athletic events, fieldtrips, AP test periods, etc.
3. Acceptable absences are those approved and accounted for by the student’s parent/guardian. These absences include illness, family emergencies, vacations required by parent’s employer, special family events, doctor’s appointments, and absences approved in advance. All other absences are considered truancy.

NOTE: Where an extended absence is required for extenuating reasons, the administration may waive the regulations of the forfeiture of credit. The administration may require documentation to support the reasons for extended absences. In cases where the regulations of the forfeiture of credits are waived, the corresponding course names on the student’s official transcript may be amended to reflect the adjustments.

(continued-)

4. When a student is absent from school, educational opportunities that are available only during class time are lost. Make-up work and due dates are at the discretion of the teacher. Students may request assignments directly from their teachers on days of absences.
5. No student will be allowed to participate in an extra-curricular event, practice, rehearsal, game, performance, etc. if absent from school during the day. A student who arrives to school by 9:30am may participate. A parent excuse may be allowed for some absences (doctor or dentist appointment, field trip, college visit, funeral, etc.).
6. **Lake Country Lutheran High School is a CLOSED CAMPUS.** Students are not allowed to leave school grounds during lunch time or study halls, nor are students from other schools allowed to enter Lake Country Lutheran High School during the school day.

08/02/2021

ATTENDANCE PROCEDURES

1. Absences must be reported to the school office by a parent prior to 9:00am on the day of the absence. Parents are asked to call 262-367-8600 or email the office Administrative Assistant each day the student is absent. The office will record this information but will not respond to these attendance communications.
2. If it is necessary for a student to leave during school hours, a note signed by a parent must be presented to the school office before 8:00am. The student will be given a hall pass. If, at any time during the school day a student should become ill, he/she should report to the school office. The student's parent/guardian will be contacted and asked to give permission for the student to leave school. **Do not leave school without reporting to the school office for permission to leave school.**

06/01/2015

BUILDING HOURS

The school building is open from 7:00am to 4:00pm, Monday through Friday on school days. The first floor will remain open until all extracurricular activities are completed for the day. Students who must wait for a ride after 3:00pm are welcome in the Great Hall and those involved in a supervised school activity are welcome to be in the building after building hours. The entrance doors will be locked each day when school begins. Visitors entering the building after that time, will need to buzz and identify themselves to be granted permission to enter. Visitors, once they have entered, must report to the school office where they must sign in, obtain a visitor's pass, and sign out. All other access doors are locked during school hours.

10/28/2019

BULLYING POLICY

Lake Country Lutheran High School supports a secure school environment, conducive to teaching and learning in an environment free from threat, harassment and any type of bullying or cyberbullying behavior.

Bullying is defined as any written, verbal, physical act, gesture, electronic expression, or pattern thereof that is intended to cause distress upon or negatively affect the reputation of one or more students or teachers in the school, on the grounds, or at school activities or sanctioned events.

Students or parents who engage in any act of bullying or cyberbullying are subject to appropriate disciplinary action, which may include suspension or expulsion of the student and /or referral to law enforcement authorities. The severity and pattern, if any, of the bullying shall be taken into consideration when disciplinary decisions are made.

10/28/2019

CHAPEL

The primary purpose of Lake Country Lutheran High School is to help students find identity, meaning, purpose, and power for their lives in Christ (2 Peter 3:18). To this end, the students and faculty experience chapel on Tuesday and Friday mornings during a 25 to 30 minute period. Chapel includes the following: worship (formal and informal) and devotions which include testimonies, prayer, and praise. Participants include faculty, students, pastors, other members of the high school family and outside guests. Occasionally, assemblies are held in lieu of chapel. On other school days, prayers are shared at the start of first hour.

Chapel includes the following guidelines:

1. Chapel attendance is mandatory.
2. Students should participate.
3. Students should not detract from the experience of others.
4. Students should check in to 1st hour before chapel.
5. Students should go straight to class from chapel.

If a student detracts from the chapel experience, that student will be removed from the chapel setting. Continued unwillingness to follow the chapel guidelines will result in a disciplinary action.

08/02/2019

COMPUTER LAB PRIVILEGES

1. The Computer Lab is open to students only if they have permission.
2. Students must have a signed copy of the *Computer Network Acceptable Use Policy* on file to be eligible to use the computers or school laptops.

Any violation of school policy and/or including the Acceptable Use Policy will terminate privileges for a student.

COURSE SELECTION

The courses offered in the course selection list are approved for offering to students but inclusion on the list does not guarantee schedule availability. As the master schedule is built each year, every effort will be made to honor each student's request for courses, but conflicts between course offerings do occasionally arise. Any elective class with low enrollment may potentially be canceled.

(continued-)

In consultation with their parents, their teachers, and their school counselor, students should request specific courses desired prior to the course selection deadline in spring. The master schedule of all courses and teacher assignments for classes are based upon student selection of courses made prior to the course selection deadline. Careful course selection is imperative. After course selections are submitted, schedule changes are discouraged and may involve an administrative fee.

10/28/2019

CREDIT TRANSFER

In any case wherein a student may seek credits outside Lake Country Lutheran High School's course offerings, the student should contact the School Counselor and complete a request form seeking pre-approval. Lake Country Lutheran High School personnel will review the request to confirm whether the course may transfer for required credits counting toward a Lake Country Lutheran diploma. Lake Country Lutheran High School will not cover the costs of credits obtained and/or individual courses taken through other educational institutions.

DEVELOPING RESPONSIBILITY

LCL strives to instill responsibility in all students, and we appreciate our partnership with parents in embracing opportunities for students to experience productive struggle, growth, and development in the challenges that come along. We will resist the temptation of immediately "rescuing" students, but rather allow and encourage these young men and women to navigate challenges, problem solve, and develop resilience. We know that natural consequences often aide in productive learning and growth for students while they develop life skills and independence. LCL asks parents to allow and encourage their son/daughter to navigate challenges and advocate for themselves. Please refrain from making repeated deliveries of forgotten items (shoes, uniforms, supplies, lunch, etc.) to the office or school campus, as these repeated actions may inhibit a student's growth in his/her own development of responsibility. We look forward to supporting our LCL students through difficult life lessons and challenges as they develop into responsible young men and women.

DISCIPLINE POLICY

Lutheran high schools are Christian education settings in which God seeks to accomplish His good and gracious will for students. Students, as children of God, are both sinners and saints simultaneously. Therefore, Lutheran high schools endeavor regularly to lead all students to recognize themselves as sinners, to repent, and trust Jesus Christ as their Savior. Living in the assurance of God's love, mercy and forgiveness, students are encouraged by the power and leading of the Holy Spirit to live Christian lives in accord with God's will for them.

When a student conspicuously or consistently violates a rule(s) of Christian conduct, administrators and staff must deal with and minister to such a student with the goal of leading that student to a recognition of his behavior as sin against God, repentance, acceptance of God's forgiving love in Jesus Christ, and a demonstration of intent to live a Christian life with the help of God.

*If appropriate, the administration and staff will utilize the resources of a student's pastor, his/her parents, and other resources and agencies that may help achieve the goal of ministry for the student. Within the context of ministry, it may be appropriate that a **student be deprived of school privileges**, including suspension, so that the student and the entire student body recognizes the seriousness of sin against God, and value the Christian setting in which God seeks to accomplish His good and gracious will for His children.*

(continued-)

In the event a student apparently refuses to accept the ministry offered him and willfully or consistently demonstrates his unwillingness to live a Christian life, the student, by virtue of his own attitude and action, disqualifies himself from continued ministry. When, as a result of continued ministry, a student demonstrates and expresses his desire to return to the Christian education setting so that God may accomplish His good will for the student, the school administrators should seek to provide for re-enrollment.

- Lutheran High School Association of Greater Milwaukee

*All Appeals of Disciplinary Action should go first to the Principal and then if need be to the Head of Schools.

07/14/2016

- **BEHAVIOR RESULTING IN AUTOMATIC DISCIPLINARY ACTION**

(May include but not limited to):

1. Disrespectful behavior: continual disrespect, refusal/inability to conform to dress code, refusal to be on time, truancy, threatening others, bullying/cyberbullying, inappropriate online activity, inappropriate use of electronics, etc.
2. Dangerous/Illegal behavior: fighting, possession of weapon, drugs, alcohol, etc.
3. Destruction of property: vandalism, reckless driving, etc.

10/28/2019

- **BEHAVIOR RESULTING IN AUTOMATIC SUSPENSION FROM SCHOOL**

1. Any instruments, normally considered weapons, are not permitted on school property at any time. Violation of this rule will result in the weapon being confiscated and may potentially result in expulsion from school.
2. Smoking/Vaping is not permitted in the school building, on school grounds, in cars on school premises, or at any school related function (home or away). Furthermore, a student should not have cigarettes, e-cigarettes, vaping juice, tobacco, or lighting materials in his/her possession.
3. If a student is found to be in possession of any illegal drug, vaping materials, or alcohol, at school or at a school function either home or away, possible expulsion may result from this behavior.
4. If any student consistently shows and demonstrates disrespect toward teachers, staff, and others in authority, possible expulsion may result from this behavior.

08/02/2019

- **POLICY ON ALCOHOL & OTHER DRUG ABUSE (AODA) & TOBACCO**

Lake Country Lutheran recognizes that the use of alcohol and other drugs and the challenges associated with them are problematic in our communities and amongst our youth.

Lake Country Lutheran High School's primary purpose is to "provide the opportunity for students to find identity, meaning, purpose, and power for their lives in Christ by growing in the grace and knowledge of Him as their Lord and Savior." Scripture includes descriptions of appropriate uses of alcohol - e.g. as an aid to digestion, as part of a sacrament (Holy Communion), as medicine, and as part of family traditions and celebrations (weddings).

Misuse is also clearly defined. Using alcohol for the sake of merriment (changing the way one feels) is one example of misuse (Luke 12:18-19). Using alcohol to get drunk is another example (Proverbs 21, Romans 13:13, Galatians 5:19-21, 1 Peter 4:30). Scripture even provides examples of someone who no longer controls his alcohol use - alcoholism - (Proverbs 23:29-25, Luke 21:34). Because alcohol use by individuals under the age of twenty-one is illegal, any use of alcohol on the part of any LCLHS student is abuse, except with the knowledge, permission, and in the presence of his/her parent(s) (Wisconsin State Statutes 125.07). Whenever possible in the following, the acronyms AODA (Alcohol and Other Drug Abuse) or AOD (Alcohol and Other Drugs) will be used.

(continued-)

Lake Country Lutheran High School believes that it is in the best interest of its entire community to promote, enhance, and maintain an AOD-free school. The correct choice on students' parts to remain AOD-free is a most difficult one and is in need of the school's support.

LCLHS further recognizes that some students need education, assistance, and support because of their use, their peers' use, or a family member's use. Therefore, the school will provide an atmosphere of prevention which includes information, education, communication, alternatives, and intervention.

Lake Country Lutheran High School supports students and strives to help and intervene when needed. Students are encouraged to reach out to request help if addicted to any substances or behaviors.

The Board of Directors of the Lutheran High School Association of Greater Milwaukee has taken a firm stand against student AOD use by adopting the following policy: Students who use or possess on school property marijuana, vaping materials, alcohol, or drugs which have not been prescribed for them by a licensed, medical authority may be suspended from school for the remainder of the semester (with possible expulsion).

In addition to the Board policy regarding AOD possession on campus, Lake Country Lutheran High School takes a firm stand against any illegal AOD use on the part of its students. Lake Country Lutheran reserves the right to search lockers, book bags, cars, phone data, etc. in the event of suspicion. Any student who comes to a school event, either home or away, who is suspected of using, will be interviewed by a designated school official. If use is verified, the following procedures will be followed:

1. A parent or legal guardian will be notified as soon as possible.
2. Transportation home will be arranged for the student.
3. The student's return to school will be contingent on the results of a student/parent/administrator conference.

Students exhibiting evidence of acute intoxication, incapacitation, or a drug overdose will be transported by emergency medical personnel to an appropriate health facility. Parents will be notified as soon as possible.

Co-curricular activities provide an excellent alternative to AOD use. Research indicates that students who participate in co-curricular activities are less likely to be involved in AOD use. However, some students who do participate in co-curricular activities may still choose to use, thereby jeopardizing their privilege to participate. Students who are caught illegally using alcohol or other drugs will not be allowed to participate in co-curricular activities. Students must follow the appeal process to be considered for reinstatement.

08/02/2019

DRESS CODE

A Christian high school desiring to express and teach the principles of God should choose to include some direction and guidelines for dress. While principles that God has clearly established in Scripture apply consistently through time, apparel changes from culture to culture. Therefore, Lake Country Lutheran's dress code will be reviewed as necessary.

(continued-)

The dress code applies during school hours and is strongly recommended for any activity in which students represent Lake Country Lutheran to the community. The five principles of the dress code are easily understood and enforceable. These five principles and the specific examples listed are intended to help students make appropriate decisions regarding dress. What students wear to school must meet the principles of the dress code, regardless of whether it fits the examples. Any clothing or “look” which is determined to be disruptive to the educational process will be restricted. Final decisions about acceptability are made by the Principal.

Students are expected to demonstrate responsibility by following the guidelines of the dress code. Violation of the dress code could result in disciplinary action which may include removal from class, removal from extra-curricular activities/events, and/or suspension from school.

PRINCIPLE #1 - Students should wear apparel and accessories that are inoffensive to our Christian standards.

Examples of offensive dress:

- a. any picture or message that gives offense (i.e., vulgar, suggestive, advertising drugs or alcohol, etc.)
- b. offensive body piercing
- c. offensive tattoos

PRINCIPLE #2 - Students should dress appropriately for school.

Examples of inappropriate clothing:

- a. clothing which is inappropriately torn or frayed
- b. sleeveless shirts and tops
- c. pants or shorts that are considered athletic wear (e.g., sweatpants, windpants, jogging pants, yoga pants, etc.)
- d. coats designed for outdoor wear
- e. hats or bandanas

PRINCIPLE #3 - Students should dress with modesty and restraint.

Examples of immodesty and lack of restraint:

- a. extremely short dresses, skirts, and shorts
- b. any top that exposes the midriff and/or has an inappropriate neckline
- c. underwear that is visible
- d. skin-tight clothing, leggings

PRINCIPLE #4 - Hairstyles should reflect moderation and careful grooming.

PRINCIPLE #5 - Footwear must be worn at all times; State of Wisconsin law requires this.

Final decisions about acceptability are made by the Principal.

08/02/2021

DUAL CREDIT PROGRAMS, PROFESSIONAL PROGRAMS, & VOCATIONAL CERTIFICATIONS

Students seeking unique opportunities to enroll in online or off-campus programming leading to dual university credit, professional programming, and/or vocational certifications should contact the School Counselor for more information. Administrative approval must be provided for any programs outside the purview of the current curriculum if high school credit is being sought.

10/28/2019

ELIGIBILITY POLICY

Lake Country Lutheran has adopted a "No Pass/No Play" standard that must be met for participation in any school-sponsored or school-supported athletic and extracurricular activity. Students will be given a three-week grace period at the beginning of each semester. Grades will be checked each Monday and eligibility will be determined for that week.

If the student has an "F" in a class on a Monday, the student is ineligible to participate in any school-sponsored activities for the rest of the week (Tuesday through Sunday). If the student is no longer receiving an F in ANY class the following Monday, the student will be eligible for that upcoming week's events.

Students failing **more than one** class at the end of the semester will be ineligible for the entire upcoming semester. This includes a spring to a fall semester of grades. (Article V Section 2 of Rules of Eligibility in the WIAA Handbook)

Students failing **only one** class at the end of the semester may petition for temporary eligibility during the three-week grace period.

Students may take a summer school class(es) to regain eligibility for the fall semester.

06/01/2015

FOOD AND BEVERAGE PRIVILEGES

Consumption of food and drink in the classroom is at the discretion of each classroom teacher. Hot lunch service may be provided as a convenience for students. Students may also bring lunch from home. Students are not allowed to order food from delivery services. LCL does not allow the bringing in or delivery of restaurant or fast food to campus. LCL asks parents to abide by this policy as well. Violation of this policy will result in confiscation of the food and/or office refusal of the delivery.

GAMBLING

Gambling is not allowed. Materials and/or money will be confiscated, and disciplinary action will result.

06/05/2012

HEALTH SERVICES

2. Students who become ill during the school day must obtain a pass from the classroom teacher and report directly to the School Office. Following a parent/guardian contact, the student will be sent home.

06/05/2012

08/02/2021

LIFESTYLES POLICY

By living according to Your Word.” Because Lake Country Lutheran High School strives to uphold Biblical truth in all areas of life, Lake Country Lutheran High School reserves the right, within its sole discretion, to refuse admission of an applicant and/or to discontinue enrollment of a current student participating in, promoting, supporting, and/or condoning: pornography, sexual immorality, homosexual, transsexual, or bisexual activity; or displaying an inability or resistance to support the qualities and characteristics of a Biblically-based and Christ-like lifestyle. *“Flee from sexual immorality. Every other sin a person commits is outside the body, but the sexually immoral person sins against his own body.” (1 Corinthians 6:18)*

The school is not responsible for any items that are lost or stolen.
2. Valuable items (jewelry, purses, wallets, glasses, phones, etc.) that are found should be taken to and claimed from the school office. 06/05/2012

MOBILE TECHNOLOGY DEVICE POLICY (STUDENT POSSESSION & USE OF)

This policy is meant to help maintain an educational focus in the classroom. We acknowledge that this is the age of instant communication and we recognize the need to maintain a proper environment for students, faculty and the educational process. Overall, students and teachers can benefit when using mobile technology devices because it may allow students more control over their learning. These devices have many uses for the student and educator including logging into Schoology, accessing e-books, creating and editing documents, finding online information, creating quizzes and quick checks for understanding, and downloading data and applications.

(continued-)

Students are not required to have such a device for classroom use. These devices, if used as part of the curriculum, will be supplementary in nature. A student's possession of and/or use of a mobile device on LCL's campus is a privilege. Certain disciplinary situations may involve the loss of such privileges.

In all situations, these devices are to be used in a manner that brings glory to God and is supportive of our school's ministry.

Mobile Technology Devices (such as, but not limited to, cell phones, laptops, iPods, tablets, apple watches) may be used according to the following guidelines:

1. **Parents should continue to call the school for any emergency situation. We will contact your son/daughter.**
2. These devices may be used in classes for instructional purposes only. The classroom teachers have the right to set their own rules in regard to the use of devices in their classrooms.
3. Personal phone calls are disruptive to the normal school day. Parents should not call students' cell phones during the school day.
4. Ringers are to be in the silent/vibrate mode at all times.
5. **Students who need to contact parents regarding leaving school during the day must do so through the main office.**
6. The use of camera phones is strictly forbidden in private areas, such as, locker rooms, washrooms, dressing areas, classrooms, and offices at any time. Such use may also be in violation of the criminal code.
7. Recording during class sessions or in the school building is prohibited, unless authorized by the teacher.
8. A student's mobile device may be confiscated and/or searched at any time. Certain situations might require the administration to confiscate a student's mobile device and surrender it to law enforcement.
9. Students are prohibited from asking for, sending, taking, or possessing nude photographs or other pornography. Violations might require a report to law enforcement and may result in felony charges. Such situations may result in suspension or expulsion.
10. Violators of the policy will be subject to disciplinary action: confiscation of the device and possible suspension or expulsion from school.
11. Inappropriate behavior will not be tolerated and will be dealt with accordingly.

10/28/2019

NON- DISCRIMINATION POLICY

The school does not discriminate on the basis of race, color, or national and ethnic origin in administration of its educational policies, admissions policies, scholarship and loan programs, and athletic and other school-administered programs.

06/20/2017

08/02/2019

SCHOOL CANCELLATIONS & CAMPUS CLOSINGS

The campus of Lake Country Lutheran High School may close for severe or inclement weather. Guidelines for campus closings will be outlined within the school newsletter, and specific campus closings will be announced via the news media, school email alerts, and Schoology announcements. There may be some circumstances that necessitate the use of a "Digital Day" during which campus is closed but school will be in session online for students through the school's learning management system Schoology. In those cases, the campus closing announcement in the school email alert and the Schoology announcement will include the accompanying notice of a "Digital Day" and students should subsequently login to Schoology for instructions from their teachers.

10/28/2019

SENIOR STUDY HALL RELEASE

If their schedules allow, seniors in good standing at LCL may submit a request to seek privileges of early dismissal or late arrival. There is no guarantee of approval for such a privilege. Seniors who are granted this privilege must abide by all regulations and restrictions as listed on the accompanying request forms, including, but not limited to: required attendance for all chapel services, required attendance for all school-wide assemblies, and attendance within their assigned classes during any modified daily schedules.

10/28/2019

SOCIAL MEDIA

All online activities and interactions of the LCL community should reflect Christian love and care for others. Lake Country Lutheran appreciates the role of social media as a tool that may equip students and families with electronic communication, encouragement, connection, and friendship-building. The entire LCL community is encouraged to focus their use of social media appropriately in a manner that uplift others and reflects Christian values. Parents are encouraged to monitor their children's use of social media and other online resources or communications. If students or parents are found to have used social media or online communications in a manner that is inappropriate, inflammatory, vulgar, threatening, or in any way out of alignment with the mission and ministry of Lake Country Lutheran High School, disciplinary action may result which may include suspension or expulsion of the student. Whenever possible, the faculty, staff, and administration of Lake Country Lutheran seek to embrace every opportunity for learning and spiritual development, and they will aim to restore and strengthen relationships.

TARDY POLICY and PROCEDURES

1. **Timeliness Matters:** Being on time displays respect and love for the teachers and the relationship, prevents the student from missing important content, creates efficiency in the classroom, and develops important characteristics for students as they grow.
2. Students should be on time to ALL of their classes. Presence at school and in class is a security and a safety issue. Being in the classroom prepared to learn is the definition of being on time. (For 1st hour this means seated in the classroom and not just walking into the building.) The office will keep cumulative records of tardies which then become part of the student's permanent record.
3. A student must report to the office if late for 1st hour to receive a Building Pass to class and should report directly to class when late for any other periods.
4. If a teacher or other staff member detains a student, a Building Pass will be issued to the student by that person. The student should go directly to the next class and give the pass to the teacher.
5. Repeated tardies may result in disciplinary action which may include removal from extra-curricular activities/events, removal of privileges, and/or suspension on one's behavioral record.

Any student who has visitors on the LCL campus will be responsible for the visitor's behavior. Inappropriate conduct during the school day, before and after school hours, or extra-curricular events may result in disciplinary action for the LCL student according to our discipline policies.

All other visitors (including parents, family members, and alumni) that need to be in any part of the building other than the office during school hours must:

- A. be approved by the Administration, Faculty, or the Maintenance Staff.
- B. sign-in in the office upon arrival and sign-out upon departure.

To remove any uncertainty in our school community visitors are allowed in our building only when events are open to the public. If students have friends who come to meet them before or after school, they should only spend the time on campus that it takes to drop off or pick them up. Visitors are not to loiter on our campus.
