## **MISCELLANEOUS NEWS**

### **HOST AN INTERNATIONAL STUDENT?**

We continue to receive requests from companies that provide international students from both Europe and Asia.

If you are interested in hosting an international student please contact Phil Wingfield at [pwingfield@martinlutherhs.org](mailto:pwingfield@martinlutherhs.org)

We always have a group of students that are very interested in the "cultural" experience, in addition to the academic opportunity, and prefer to live in a host family

environment. Your commitment can be as short as a semester or as long as one year.

These students are typically in our schools for one year. Most of these students must be placed by the end of June so it is important that you contact me as soon as possible.

We have had requests from France, Germany, China, Thailand and Singapore. Providing a student with a great school experience coupled with a loving Christian home environment is part of our mission within the World Cultures Program. We hope you might consider the opportunity this next year.

### **STUDENT EMERGENCY FUND**

Many Americans have lost their job due to COVID-19 with more than 3.9 million filing for unemployment. We understand some of these numbers are faces of people in our LHSAGM family. Our relationships with our families are important so we have implemented a plan to help those affected by a job loss or decrease in income.

We are grateful to announce that the LHSAGM Foundation has launched a Student Emergency Fund. This fund will give tuition relief to current and new LHSAGM families who are significantly affected by COVID-19 for the 2020-21 school year.

If you are a family in need of emergency funds, please reach out to your

admissions director, Carson Cantwell at [ccantwell@lakecountryhs.org](mailto:ccantwell@lakecountryhs.org) to start a conversation.

If you are blessed to be in a position to help, please prayerfully consider [donating to the Student Emergency Fund](#) today. You will directly help families in need.

Regardless of your situation, please continue to keep us and those significantly affected in your prayers as we rely on our Christian community to come through this together.

Sincerely,  
Cole Braun, CEO
