PROCEDURES FOR SEVERE WEATHER

In the event of severe weather conditions, please watch for an **email notification from LCL's office** and **tune your radio and/or TV to WISN Channel 12** for school closings. Because weather conditions vary from one area to another, parents should use discretion in sending their son/daughter to school even though school may be in session on campus. A general

guideline to use in making the decision would be to follow the decision made by your local public school district. Should a sudden snowstorm force school to close before the regular closing time, please make sure that your son/daughter knows exactly where to go and what to do should no one be home during the school day. An occasional "snow day" cancellation might involve the closure of campus and the cancellation of classes/activities. However, there may be some circumstances due to recurring snow days that necessitate the use of a "Digital Day" during which the campus is closed but academic activities will be hosted online for students through the school's learning management system Schoology. In those cases, the campus closing announcement in the school email alert and the Schoology announcement will include the accompanying notice of a "Digital Day" and students should subsequently login to Schoology for instructions from their teachers.

Thank you for your continued prayers and support of the ministry of Lake Country Lutheran High School! For those who might be seeking specific ways to help provide resources for the students' academic and extra-curricular activities, please feel free to click [HERE](#) to explore options on the LCL Wish List. Thank you for your continued support of our ministry with the students!

STUDENT EMERGENCY FUND

Many Americans have lost their job due to COVID-19 with more than 3.9 million filing for unemployment. We understand some of these numbers are faces of people in our LHSAGM family. Our relationships with our families are important so we have implemented a plan to help those affected by a job loss or decrease in income.

We are grateful to announce that the LHSAGM Foundation has launched a Student Emergency Fund. This fund will give tuition relief to current and new LHSAGM families who are significantly affected by COVID-19 for the 2020-21 school year.

If you are a family in need of emergency funds, please reach out to your admissions director, Carson Cantwell at ccantwell@lakecountryhs.org to start a conversation.

If you are blessed to be in a position to help, please prayerfully consider [donating to the Student Emergency Fund](#) today. You will directly help families in need.

Regardless of your situation, please continue to keep us and those significantly affected in your prayers as we rely on our Christian community to come through this together.

Sincerely,
Cole Braun, CEO
