How TapIn works?

Choose your preferred hourly pick-up slots from 9:00–13:00. Get delivered 11:00–13:00, 14:00–17:00 or 17:00 – 20:00 on the same day.

SMS alerts: customers can adjust the ETA by replying SMS and track in real-time from a web link.

Never leaving products unattended: We do a free re-attempt on the same day if we miss your customer!

Pick 1 of 18 delivery preferences: as specific as meeting our driver at her laneway house door.

Understanding Cost Per Delivery

Low Usage:

If **(80%)** of your customers live in our **zone 1** homes, and **20% live in zone 2**, you would only be using an average of **1.6 credits per delivery**.

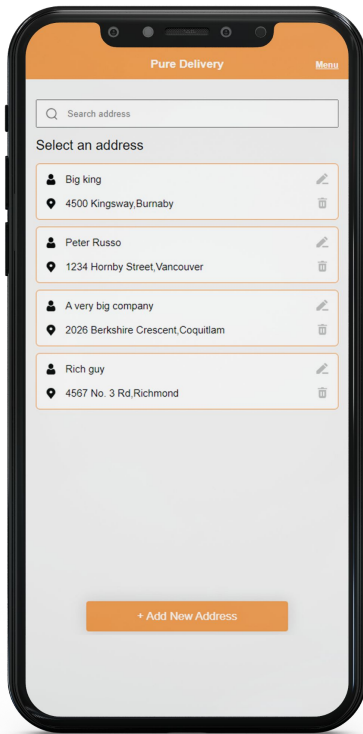

High Usage:

If **(30%)** of your customers live in our **zone 1** homes, and **70% live in zone 2** condos, you would only be using an average of **3.1 credits per delivery**.

	Low Usage Suitable Daily Delivery Volume	Low Usage Cost per delivery	High Usage Dollar per delivery	High Usage Suitable Daily Delivery Volume
Basic	2	\$6.24 ~	\$12.09	1
Classic	6	\$4.16 ~	\$8.06	3
Dedicated	17	\$3.12 ~	\$6.05	9
Enterprise	42	\$2.50 ~	\$4.84	22
