## Why People Love It:

This is Key West's Best Kept Secret. This trip takes you to the secluded back country beaches that are only reached by boat.

## Description:

Join us for a 2.5hr back country journey to some of Key West's hidden waters as you jump in your very own 2 person boat and journey into Key West's treasured back country. Captain your own boat through the mangrove islands and experience Key West the way locals do. This trip is Key West's best kept secret.

You will follow our experience guide and explore the local marine life on your way to some of Key West's most secluded sandbars that are only accessible by boat. On your way to these tropical locations keep your eyes peeled as you may see a wide variety of our local marine life such as sea turtles, dolphins, sea birds of a wide variety and many many more.

Once we reach one of our sandbar destinations we will put on some snorkels and swim amongst the aquatic life in the mangroves. Join Sunset Watersports on this unique watersport adventure.
