FOR COMPLETE FLEXIBILITY,  
OUR GIFT CARDS COME IN  
MANY FORMS:

### **Fixed denomination Gift Cards**

Sometimes simplicity is best. Fixed denomination cards come in set values (e.g. £5, £10) so ordering your card is super easy.

### **Variable load Gift Cards**

A variable load option means you can set the amount and we'll load it all on one card! If you want to vary the value per employee e.g. based on role or salary, we've got it covered.

### **Prepaid Cards**

Simply load an amount onto the card and your staff can spend at any retailer that accepts Visa PrePaid! Like cash but with the personal feeling of a gift card.
