

Revolutionizing How Restaurants Manage Workers' Wage and Tip Payouts

Your workers want to get paid faster and you want to reduce the hassle and costs of managing payroll and tip payouts.

Payouts Network solves both with its easy to set up and use PayNow Platform™.

PayNow Platform™ Benefits

Fast and Easy to Use:

- Sign up in minutes
- Give workers instant access to their tips and wages
- 24/7/365

Save Time and Money Managing Payouts:

- Eliminate bank runs
- Drastically reduce time to payout after each shift
- Accounting and reconciliation is a breeze

Recruit, Retain and Make Workers Happier:

- Attract better workers
- Offer daily payout of earned wages
- Payout tips at the end of every shift
- Compete with gig alternatives with competitive payout options

Increase Security and Reduce Fraud:

- Reduce amount of cash on hand
- Keep employees safe by paying digitally
- Eliminate tip payout bank runs
- Reduce exposure to theft and fraud with digital payments

Easy for You and Your Employees

- 1 Enroll your restaurant
- 2 Input your workers' info
- 3 Workers receive email/text and enter pay info
- 4 Get paid! \$\$\$\$

Payouts Network pushes funds directly to workers' accounts, 24/7/365. Funds typically arrive **within 30 minutes**, depending on the financial institution. Visa and Mastercard banked debit cards and most prepaid reloadable cards such as Visa MyVanilla, Netspend, and Greendot are available for immediate payouts.

PayNow Platform™ - Designed with your security and convenience in mind:

Best-in-Class UX/UI

Integrates seamlessly with the systems you already use.

Powerful Rules-Based Engine

Unparalleled control and visibility across all critical aspects of managing disbursements.

Security and Compliance

Includes direct integration into the Visa and Mastercard payment networks, PCI Level 1 compliant data storage, and a 3rd party vault to keep card data secure and anonymized.

Real-Time Reporting

To increase your control and visibility into the flow of funds

Payouts Network's market-leading technology gives restaurants speed, flexibility, and control to better manage how you pay workers.
