PayNow Platform

Instant Payouts

By monitoring the status of your payments you will always know where your capital is while reducing the chances of fraud or confusion since payments are never lost.

Tracking Stages:

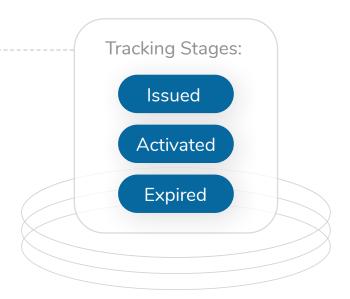

Rewards

Incetives/

Easily measure the effectiveness of your incentive programs by tracking credit usage and making adjustments in real-time. You'll have full visibility to ensure you're making the best use of capital and increasing ROI.

Digital Credits

Tracking your digital credits in real-time allows for greater visibility and control as well as allowing you to improve how you resolve customer service issues through vouchers or gift cards.

Payouts Network gives you everything you need to pay, any way you want, with complete flexibility and control.
