

CARING FOR YOUR
WORKFORCE AND BUILDING
A HEALTHIER WORKPLACE

BRIOTIX HEALTH INTRODUCES TELEHEALTH

Your on-the-go solution
for restoring workforce
health and preventing
musculoskeletal injuries.

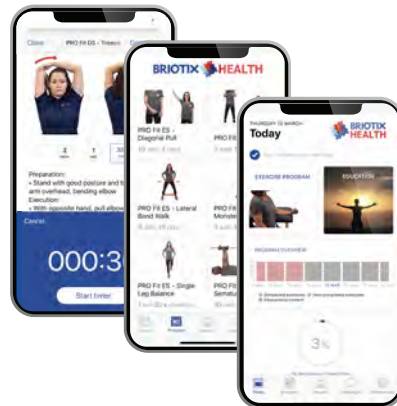

What is VIRTUAL INDUSTRIAL SPORTS MEDICINE (vISM)?

Briotix Health's virtual service extends our onsite solutions and provider care.

- Address employee needs while maintaining social distancing
- Connect with your Briotix Health Provider in real-time through a mobile device, tablet, or laptop, no matter the location
- Provide early discomfort management and immediate recommendations
- Provide virtual Home Office Assessment for employees working temporarily at home
- Access tailored PRO Fit™ stretching, strengthening, and conditioning programs

Ask your Briotix Health Client Manager or Provider for more information.
