### **Briotix Health Joins with Focus on Intervention to Expand Services and Solutions**

*An opportunity to broaden our capabilities to our clients and the marketplace*

CENTENNIAL, CO – October 6, 2021

The Briotix Health management team is pleased to announce the acquisition agreement with Focus on Intervention, LLC. For 30 years, Focus on Intervention has provided state agencies, school districts, cities, municipalities and small and large companies with best-in-class return to work products and services for the home, field, or office. Focus on Intervention's service lines include Early Return to Work, Ergonomics, FocusLink (temporary off-site placement with non-profit organizations), Job Analyses and Descriptions, and ADA/FEHA compliance consulting services.

"The strategic fit between our two organizations is exceptional," says Stephen Brown, CEO of Briotix Health. "Briotix provides greater strength in delivering services to a diverse industry and technology solutions while Focus on Intervention brings a stronger focus on return-to-work solutions. This joint approach will expand the breadth and quality of service and solutions we provide to our clients."

"We are very pleased to merge team members of Briotix and Focus on Intervention. We look forward to conjoining our talented teams and implementing plans to deliver additional benefits to clients, provide career opportunities to our colleagues and strengthen our leadership in our industries." Susan Hendrickson and Michelle Gray, Managing Partners FOI

With this merger, clients can expect to receive the same great service from the same great people who have earned their confidence and trust in the past, backed in the future by the additional resources of the combined company. The merged company extends our leadership position and allows for building the business for the long term.
