

Talent Management

Designed to help you create a culture that grows your people and your company.

From year-round goal collaboration and peer recognition to more formal performance evaluations, employees and managers are empowered to provide constructive feedback and stay engaged.

Review: Jerry Meyer's Self Review

11 Please rate your overall job performance over the past year (5 being the best year). Describe the biggest contributing factors to that rating.

0 1 2 3 4 5

It has been a really exciting and challenging year for me on the Engineering team. After my promotion to Lead Software Developer, I planned on improving my skills as a manager.

12 How well do you work with others? Do you remember an instance when you led your team to a success this year?

Very Well
 Good
 Okay
 Poor
