

Leadership: Inventing the Future

October 16-17 and 23-24, 2020

Event Overview

During these unpredictable times, we are all dealing with unexpected challenges. The notion of “business as usual” has come to an abrupt end.

Leadership: Inventing the Future is a four-day virtual event designed for organizational leaders looking to create a future beyond the challenges of the present circumstances – a future that provides a sustainable competitive advantage, elevates corporate performance and positions them for success.

Grounded in the best-selling book, *The Three Laws of Performance: Rewriting the Future of Your Organization and Your Life*, this event is designed for attendees to apply this cutting-edge approach in their current business environments.

Participants will gain access to:

- The critical factors that drive team performance
- Hidden assumptions that limit organizational velocity
- The power of high-performance language, especially when dealing with uncertainty and challenges
- Authentic organizational alignment and coordinated action
- New ways of collaborating with others that expand your ability to produce results
- The tools to have your vision sustained over time and owned by others throughout your organization

The event is presented as a dialogue and includes inquiry and discussion, practice, exercises, work in small groups, and assignments between sessions.

Individuals and teams at all levels are welcome to attend – from top executives to emerging leaders.

Leadership: Inventing the Future will take place virtually via Zoom video conference over two consecutive Fridays and Saturdays. The event will consist of three two-hour sessions with two 30-minute breaks between sessions.

Dates: October 16-17 and 23-24, 2020
Times: 8:00am – 3:00pm Pacific (11:00am – 6:00pm Eastern)
Location: Virtual – Zoom Video Conference

Pricing: \$2,000 USD per person

Seating is extremely limited. Early registration is recommended.
Registration closes on Friday, October 9, 2020.

What Experts & Clients Say About Vanto Group's Methodology

"What greatly impressed me with regard to the Vanto Group process and technology is that it has a way of actually giving people hands-on access to altering the culture of an organization."

Michael C. Jensen, Professor of Business Administration, Emeritus, Harvard Business School

"The outcomes were incredible. We not only met what we considered stretch budgets, we exceeded them. We have set world records for production. Our costs are lower than they were when we started the program, and we were able to improve safety by 50%."

Craig Steinke, Former Senior Vice President, BHP Copper Metals

"By applying The Three Laws, I noticed an instant transformation in all areas of my life. In business, sport, and relationships, I was able to rewrite my future, which is now full of endless possibilities."

Natalie Cook, Olympic Beach Volleyball Gold Medalist, Sydney, 2000

"Running a business is a complex matter, and at the heart of any business is people. I have yet to see anything that has such a positive impact on people's ability to relate, communicate, and perform as Vanto Group has."

Paul Fireman, Former CEO, Reebok

"When we realized that our company was operating in silos, we used applications from The Three Laws of Performance to have cross-functional teams create unprecedented business results."

Chip Wilson, Founder, Lululemon
