

VTM

VIRAL TRANSPORT MEDIA

The FDA has issued Emergency Use Authorizations (EUA) for numerous molecular and antigen tests for detection of SARS-CoV-2 (COVID-19). As a contract manufacturer for medical devices, Launchworks can manufacture VTM according to your laboratory's needs during the Coronavirus Health Emergency. The VTM is manufactured in the LaunchWorks CDMO facility which is FDA registered, cGMP compliant, and ISO 13485:2016 certified.
