Subject: Temporary Supply Disruption for 1188053, 1188068

Dear Valued Customer,

Henkel aspires to provide high quality products and provide them on time to our customers. Unfortunately, we need to inform you of a temporary supply disruption to LOCTITE STYCAST 2651 BK, LOCTITE STYCAST 2651-40.

Due to an unanticipated shortage of a key raw material, Henkel is anticipating a temporary disruption in supply. We are working hard with our vendor to alleviate the issue and return to normal supply. Until a solution can be identified please expect delays in shipping of the following products through Q1 2022.

IDH	PRODUCT NAME
1188053	LOCTITE STYCAST 2651 BK
1188068	LOCTITE STYCAST 2651-40

Please contact your local sales representative or our Customer and Product Support Group if you require further clarification. We appreciate your continued business and support.

Sincerely,

Andrey Znamensky
Regional Product Manager - NA
