

E-Z MIX

"Kick The Can" and Save Money.

February 22nd, 2021

Dear Valued Customer:

We regret to inform you that on Monday, February 22nd E-Z MIX is declaring force majeure with regard to supply of our E-Z MIX and E-Z FIX line of products, effective immediately.

A fire at a resin production plant, last fall's hurricanes in the gulf depleting supply of resin raw materials, extreme weather across the country causing major freight bottle necks, and unprecedented corrugated prices have left us with no choice but to increase our pricing by 10 percent across the board.

We recognize the difficulty this creates for your business and are committed to the best levels of service you have come to expect from E-Z MIX. In the meantime, please feel free to contact us at any time any questions.

Respectfully,

Marty Hyman

Owner | E-Z MIX
