IMPECCABLE SUPPORT.**

Dear Valued Customer,

Effective September 1, 2021, Henkel will implement a price increase due to the unfavorable market conditions impacting the supply and cost of raw materials. This action includes average increases of 11%-16% for structural adhesives (LOCTITE® AERO) and 10% for surface treatment products (BONDERITE® AERO). Price increase percentages may differ depending on the product.

Please reach out to your GracoRoberts' Technical Account Manager or Customer Service Representative with any questions.
