

## WHAT IF...

Instead of playing youth basketball in hopes of maybe one day receiving an athletic college scholarship, you could receive a **guaranteed college scholarship** for playing youth basketball?

## SO THAT'S WHAT WE DID.

YOUTH basketball players can now earn **GUARANTEED** college scholarships valued at up to \$24,000.00 before they even begin high school.

\*Every single eligible youth player that attends any 3-Hour SDC Scholarship or 8-Night Academy receives:

- **1,000 Tuition Rewards Points.** Valued at \$1,000 in guaranteed college scholarships at nearly 400 participating colleges throughout the country.
  - We currently can offer every youth basketball player in your area **4,000 Tuition Rewards Points** per calendar year!
- ✓ 3-Hour SDC Scholarship Camps - (\$67 per player)
- ✓ 8-Night SDC Scholarship Academies - (\$295 per player) – 12 Hours

**Video programming for each type of camp is already created!**

SDC Scholarship Camps and Academies are versatile and flexible, allowing you to conduct different types of scholarship camps month after month.

**SDCCAMPS.COM**

**THERE ARE NO ATHLETIC, ACADEMIC, OR FINANCIAL REQUIREMENTS**

## **SDC SCHOLARSHIP CAMPS: HOW IT WORKS!**

Our YOUTH scholarships are guaranteed and backed by nearly 400 colleges throughout the country and have nothing to do with athletics, academics, or a family's financial situation.

More ways to make college affordable and attainable!

The 'Scholarship' component of our SDC Scholarship Camp is really easy to understand, yet very hard for most people to believe. We assure you, there are no gimmicks and it really is remarkable how this works! Tuition Rewards is a unique private college savings program that we are providing as a 'Rewards Benefit' for participating in our SDC Scholarship Camps. These Rewards Points function just like frequent flyer miles – but are used to reduce college tuition expenses!

Each SDC Scholarship Camp provides \*every eligible student-athlete with Rewards Points as part of their registration AND participation. For every SDC Scholarship Camp that a student-athlete attends, he/she will earn 1,000 Points.

When students submit their college applications to any of the participating colleges, the sponsor (i.e. parent) will also electronically submit their Rewards Points statement to the colleges. When a student applies and submits their account statement to any one of the participating colleges, their Points are converted to dollars and are immediately and automatically subtracted off of the cost of their tuition and divided evenly over four years.

Every 1,000 Points is equal to \$1000 off of any of the nearly 400 participating colleges. The network of participating schools continues to grow annually, with over 20 schools being added per year for the past 6 years.

Throughout their lives, youth basketball players can earn GUARANTEED college scholarships valued at up to \$24,000.00 before they even begin high school, and up to a full year's worth of college tuition at our participating schools. *The maximum amount of rewards points that can be earned through SDC Scholarship Camps and Academies is 4,000 (excluding bonuses) per calendar year.* These Rewards Points represent the guaranteed minimum scholarships that a student will ever receive.

Scholarships are typically classified as either a merit scholarship or institutional grant. \*The family's scholarship account MUST be set up prior to August 31st entering a student's JUNIOR YEAR of HIGH SCHOOL. Students attending our events can continue to accrue Points until their \*senior year of high school if they have already established a scholarship account. Rewards Points are transferable to any other member of the family, including brothers and sisters, step-children, nieces, nephews, cousins and God-children.
