SUBJECT: Update on COVID-19 Vaccine for AgeCare Staff

---

Due to an increased supply of vaccines and the rapid uptake of appointments over the last 24 hours, Alberta Health Services (AHS) is able to offer a vaccine appointment to all individuals who were previously sent an invite but either had their appointment cancelled or not yet booked in for an appointment.

If you were in this group of eligible individuals, please check your email for an email from **AHS Booking**.

**HINT:** Check your spam/junk folder if you do not see it.

Thank you for your support of the AgeCare Vaccine Champions program. **This vaccine will protect you, your family, your community, and your residents.** It is an essential step in ending this devastating pandemic. While getting vaccinated is voluntary, we wish to stress the importance of this vaccine.

A Staff COVID-19 [Vaccine FAQs \(PDF\)](#) and a [One Minute of Learning \(PDF\)](#). These are both posted on our **Staff page** at [www.agecare.ca/coronavirus](http://www.agecare.ca/coronavirus).
