Remembrance Day 2021 ~ Weekly Shout Out

Friday, November 12, 2021

While the ceremonies may have looked slightly different this year, each AgeCare community observed Remembrance Day, allowing us time to pause, give thanks, and remember the men and women who served and sacrificed for our country.

Below are some shout-outs from residents/family members who attended in-person or virtually.

We attended the service at Skypointe. Thank you to the Recreation department for coordinating, and all the other departments that participated. It was much appreciated.
- Jerry M.

Kudos to Mehri and all who gave us a most meaningful and delightful remembrance day get together. A most appropriate blend of solemn remembrance and musical memories. Thank you!! - Claire B.

Safe Visits, Outings and Overnight Stays

Visitation Guidelines

[Visitation guidelines](#) with continuous masking are in effect.

At this time, we ask that visitors have either a photo of their vaccination status (on their phone) or a paper copy. Please do not rely only on the recently released QR codes for verification. Unfortunately, not all of our communities have the technology needed to scan these.

Communities on outbreak may have different visitation restrictions in effect. Contact your community or [sign up for email updates](#) to stay informed on the latest information.

Please familiarize yourself with these guidelines should you choose to visit.

Outings and Overnight Stay Guidelines

Residents are welcome to go on community walks, outings, and overnight stays as long as they follow all of the [current provincial guidelines](#).

As cases continue to be high throughout the province, we must remain diligent and take steps to keep ourselves and our loved ones safe. **Guidelines are in effect to ensure [outings and overnight stays](#) are as safe as possible.**

The safety of our residents and staff remains our top priority.
