

# Weather any storm with brightwheel

Discover how brightwheel is leading the charge in crisis preparedness and support to help providers emerge stronger

## Ensure safety & compliance

- ✓ Reduce spread of germs with **contactless check-in, online tuition payments, & digital daily sheets**
- ✓ Record **health checks & entry screens** for students & staff
- ✓ Easily manage **ratios & staggered schedules**

## Give families peace of mind

- ✓ Share **milestones, photos, & videos** to keep families connected to their child's development
- ✓ Centralize communications with **messaging and newsletters**
- ✓ **Build trust with parents** even when face-to-face communication is limited

## Operate better—with less stress

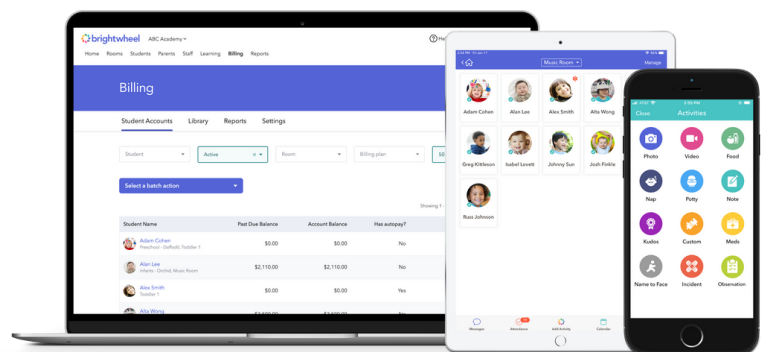

- ✓ Get paid on time with **online billing**
- ✓ **Simplify your enrollment process**, so you can focus on marketing, not paperwork
- ✓ Track **staff attendance & hours** from the same easy-to-use system
- ✓ Save each staff member 5 hours a week

## Be prepared for future closures

- ✓ **Access your most critical operations online**—such as tuition billing and enrollment—so you can support families from anywhere
- ✓ **Share lesson plans** with families at home and **receive photos back from parents**
- ✓ Deploy **emergency alerts** quickly

The best thing we did was sign on to brightwheel in January. I don't know if we could have survived these challenging times without it.
