### **DR. AMRIT THIARA ANNOUNCED AS INTRALINE'S BRAND AMBASSADOR**

**London, England, August 25th, 2020**– Intraline is delighted to announce the signing of Aesthetic Doctor Amrit Thiara as its new Brand Ambassador.

*"Dr. Thiara is a brilliant and passionate doctor, who truly cares about his patients and delegates. He will be a great addition as an Intraline Partner and will help to continue to build educational resources to serve our customers and authorized resellers."* - Terry Fraser, Intraline President

Dr. Thiara brings extensive experience in the Medical field, having graduated with Distinction from Keele Medical School in 2014. Dr. Thiara has extensive experience in the most advanced of aesthetic procedures and regularly teaches to masterclass level in aesthetics at Derma Medical Courses in aesthetic medicine, where he trains other surgeons, doctors, nurses and dentists from all over the world the art of aesthetic medicine. He has since founded Tiara Aesthetics clinic and runs clinics across the Midlands and works as an NHS doctor in Warwickshire specializing in Anesthetics and Intensive Care. This is a testament to his prowess in this field.

*"Having used a variety of Intraline's products over the years, I have always achieved industry leading, client focused results. Their products are very premium and of exceptional quality. The team behind Intraline are also very approachable, friendly and receptive of feedback. More recently their new M Plus range of dermal fillers was so good that I have entirely switched over to them for 90% of non-surgical procedures in my clinics. To be able to partner and work alongside Intraline is a valuable opportunity I am proud to be a part of."*– Dr. Amrit Thiara
