DR. HUW JONES ANNOUNCED AS INTRALINE'S MEDICAL DIRECTOR

London, England, October 7th, 2020– Intraline is delighted to announce the signing of Aesthetic Doctor Huw Jones as its new Medical Director.

"I am delighted and honoured to be joining Intraline as Medical Director. It is exciting to work with such an ambitious company who are driving to increase education and confidence, as well as extend their product portfolio and presence in the global aesthetic market. I have had the pleasure to work with Intraline from the beginning of their journey with both the dermal filler range and the PDO threads and I now look forward to helping them achieve their goals. These will be exciting years for us as a company and I am looking forward to a new chapter in my Aesthetic career already extending to over 30 years. Throughout my career I have had the pleasure to work with some of the major companies in this medical arena, but this opportunity is truly exciting." - Dr. Huw Jones.

Dr. Jones brings over 30 years of extensive experience in the Medical field, having qualified from Sheffield University Medical School in 1986. Working in General Medicine Dr. Jones soon developed an interest in Aesthetics and Anti-Ageing and now has a wealth of experience in Aesthetics spanning more than 25 years. Gradually, with considerable training and clinical treatments, Dr. Jones has developed extensive an extensive range of non-surgical treatments. He is highly regarded as a trainer for Dermal Fillers, Toxins and PDO Threads at both introductory and advanced level. Dr. Jones is the founder of HSJ Clinic and is registered both in the UK (GMC no 3129597) and Spain (070707348).

In his role as Medical Director with Intraline, Dr. Jones will provide medical leadership and expertise. He will be instrumental in helping to shape Intraline's training program and new product development. As Medical Director, Dr. Jones will be available to help give guidance to Intraline practitioners in the event of complications or adverse events.

"We are thrilled to appoint Dr. Huw Jones as Medical Director of Intraline. His reputation as a master practitioner in aesthetic injectables precedes him. His lifetime approach as both student and teacher, satisfaction in developing new techniques and the care he puts into every treatment make him a perfect fit with Intraline's values." - Terry Fraser, Intraline President
