

Flora COLLECTION

Price Guide | January 2022

How to get your new cabin or home started

In seven easy steps...
We'll have your new cabin or home finished and ready for enjoyment!

1 Step 1: Analysis

✓ To start with you need to decide on the floor plan - either one of our standard plans, or one of your own design, or a combination of both. Together with this floor plan you should decide on the roof design and any major extras you'd like e.g. Verandahs, Carports, Polished timber flooring etc. (small items and colour choice come later). Normally you'd also have a fair idea where the cabin or home is going to be situated.

✓ So that you know where you're heading, it's usually best to get an obligation free proposal at this stage. This is at no cost to you, and within a short time you'll have accurate pricing in your hands for the cabin or home you want, where you want it (subject to site inspection).

✓ To ensure your new cabin or home purchase goes smoothly, working out your finance should be done now.

For your free proposal simply fill in the 'Proposal Request' form included with this leaflet.

2 Step 2: Initial Design and Specifications

This is where it starts to happen... your dream of a new cabin or home takes shape. The starter pack is the next logical step to take, and here is exactly what's included:

- ✓ Site inspection to your property (if not previously requested)
- ✓ Plan drawings and specifications to be provided for you for the certifier or local council
- ✓ Your name is 'pencilled in' on the building schedule

✓ Site Inspection to your property - You can meet an "Asset Cabins & Homes" consultant on site and discuss where you want to put the cabin/home. The things you may wish to consider are slope, power and plumbing connections, the best views etc (The on site consultant may take levels of your building site and inspect access routes for the delivery of the building).

✓ Plan drawings and specifications for the certifier or your local council. Once a plan of a cabin or a home and locations are decided, a set of drawings is completed. These include the necessary plans, elevations, energy efficiency report, soil-testing, documents and engineers details for you to lodge with the certifier or your local council to get approval to build the cabin/home on your land. After lodgement it usually takes about 5 weeks before approval is granted OR it may be sooner if you choose to use a private building certifier.

✓ Your name is 'pencilled in' on the building schedule - This means your name is written on the next available cabin/home completion date on our building schedule (like a waiting list). In effect it means you're given the first option on having your cabin or home completed by that date, and as time passes by you 'move up the waiting list' instead of being put to the bottom of the list at contract stage.

- ✓ QBCC Insurance - Necessary for approvals if your cabin or home is a residential project.

Your cabin/home is built on a production-like basis, where everything happens at a set date, (scheduled weeks in advance). This means to have your cabin/home built as soon as possible, it's best to get your name 'pencilled in' on the list now. (Every week more orders come in, which means your name will be above any others that come in later.)

The 'Starter Pack' acts as an initial deposit (but is included in the overall cost of your cabin/home) and costs \$1,650.00 (incl. GST) plus an adjusted amount for QBCC Insurance if it is a residential project. Both amounts will be deducted off first payment when you've signed up. This amount of \$1,650.00 is for one cabin or home, however the amount can be adjusted for more than one.

3 Step 3: Final Design and Proposal

By now you'll just want to get your new cabin or home going, so you sign a contract. Before this you must have finance arranged and in place....once your cabin/home is in our building schedule everything happens very quickly!

Your contract is basically an agreement between you and Asset Cabins & Homes to build your cabin/home and sets out:

- a. What is included in your cabin/home
- b. The overall value
- c. The progress payment schedule
 This consists of:
 10% deposit (5% if its a residential build)
 15% at completion of frame
 35% at completion of lock-up stage
 20% at completion of fix-out stage (25% if it's a residential build)
 20% at final completion (once the on-site work is completed)

The signing of your proposal/contract is to be accompanied by the deposit amount of which the cost of the 'Starter Pack' (if purchased earlier) is deducted. Normally at this stage you will know exactly when your cabin/home will be completed (not just started) and the excitement really begins.

NOTE: You can progress straight to this stage without the starter pack if you wish to speed up the waiting time i.e. before approvals. However, your completion date on your contract could change depending on time taken for the approvals.

4 Step 4: Colour and Finishes Selection Time!

This is where you get to choose how you want your new cabin/home to look and feel. There is a selected variety in our standard allowance, or for that individual touch you may select something special. We'll advise you on any added investment.

In the standard allowances here are the items you can choose:

- ✓ Outside - Colour of fascia and guttering, windows and paintwork
- ✓ Inside - Colour of walls, ceilings, tiles and kitchen cupboard doors/benchtops
- ✓ Colour of vinyl floor coverings and carpet
- ✓ Colour of curtains/blinds (if applicable)

This stage should be completed at least 3 weeks before the building of your cabin/home begins to allow for ordering of your selected items (you can do your colour selections at contract stage if you wish).

5 Step 5: Your Cabin/Home is under Construction!

Now it really happens quickly - normally only 8-10 weeks before your cabin/home is ready for use now. It all continues easily though, because your cabin/home is being built in our secure premises in a controlled environment and under constant supervision.

During this stage:

- ✓ You can visit our factory as often as you wish during our normal business hours. You must give at least 48 hours notice, due to our OH & S requirements (It's hard to stay away when it's your cabin or home being built).

6 Step 6: Delivery and Installation

During this stage:

- ✓ Engineer designed concrete footings and galvanised steel piers are installed on your land (about 1 week before delivery of the building) ready for efficient positioning of your cabin or home.
- ✓ Once on your site the finishing touches are added (as per the contract) such as Verandahs, Carports etc.

7 Step 7: The Final Step... You're ready to Relax and Enjoy!!

Once all the work's complete and final payment is made, a final inspection is to be made by the certifier or the council and an Asset Cabins and Homes Team member.

All that's left is for you to enjoy your new cabin or home, new location and relax!

'Complete' Inclusions

We offer you a level of modern and individual features that will make your cabin or house a home.

Read through this comprehensive list of inclusions in which quality is emphasised and be prepared for a pleasant surprise.

General Construction

- ✓ Your cabin or home is fully built for you off-site
- ✓ You can use our floor plans or design your own

Steel Base Frame

- ✓ Engineer designed heavy duty steel chassis
- ✓ RHS Galvanized steel floor joists – welded system

Installation and Footings

- ✓ Installation on engineer designed steel stump/concrete pier footing system (On reasonably level site with max.700mm FFL)

Floor and Framing

- ✓ 22mm H2 termite treated particle board flooring
- ✓ FC Flooring to bathroom
- ✓ Termite treated pine wall framing and roof framing
- ✓ Continuous structural termite treated plywood wall bracing to all external walls for extra strength
- ✓ Individual engineer frame inspection and certificate to every building

Roofing

- ✓ 14 degree straight gable roof pitch with 'Colorbond' custom-orb roof sheeting (other roof options available)
- ✓ 'Colorbond' metal fascia and gutters
- ✓ Eaves to front & rear gables 300mm wide lined and painted

Cladding

- ✓ Your colour choice of maintenance-free vinyl weatherboards (foam-backed) - with 50 year manufacturer's warranty OR
- ✓ Painted Weathertex Millwood ruffsawn weatherboards – with a 25 years manufacturer's warranty OR
- ✓ Horizontal 'Colorbond' custom-orb wall cladding/feature walls only
- ✓ Western Red Cedar or Granosite upgrade options available

Insulation (Six Star System)

- ✓ Thermal min. R1.9 Insulation to all external walls plus
- ✓ Sisalation building paper to all external walls
- ✓ Thermal R1.8 non-flammable 75mm blanket/foil roof insulation to underside of roofing iron
- ✓ Thermal R2.5 insulation batts to all ceilings – cathedral and level
- ✓ Plywood wall bracing and polystyrene foam backing to vinyl cladding (if vinyl cladding used) provides additional insulation (>R1.5)
- ✓ Tinted (grey) windows and doors (where sliding doors are shown)

Internal Lining

- ✓ Painted plasterboard interior wall linings
- ✓ Plasterboard ceilings - raked ceilings in kitchen/living/dining area with 55mm cornice
- ✓ Wet areas lined with villaboard/water resistant board to laundry

Doors and Internal Fixout

- ✓ Flush panel front door
- ✓ Rear flush panel door with flyscreen door - to some designs
- ✓ Low maintenance Aluminium sliding door (grey tinted) with flyscreen door – where 'SGD' shown
- ✓ Painted flush panel internal doors with satin stainless door furniture throughout
- ✓ Painted gloss enamel colonial or bevelled skirtings & colonial or bevelled architraves

Windows

- ✓ Low maintenance aluminum sliding windows (all grey tinted) with fly screens
- ✓ Colour matched flyscreens to all windows

Kitchen

- ✓ Full size moisture resistant kitchen cabinets/rolled edge bench top with choice of edge profiles
- ✓ Formica cupboard doors and drawers (all PVC edge stripped for durability) with 'Blum' lifetime warranty hinges, 'Blum' lifetime warranty metal sided drawer runners and fitted cutlery tray
- ✓ Overhead cupboard unit as per plan plus microwave cupboard
- ✓ Euromaid Freestanding four plate electric oven or
- ✓ Euromaid Ceramic two plate hotplates set into kitchen bench top
- ✓ Fixed Rangehood over stove
- ✓ Double pronged pull out tea towel rails
- ✓ Single bowl stainless steel sink with draining board

Tiling

- ✓ Select tiles from standard choices
- ✓ Full ceramic floor tiling to WC & Laundry
- ✓ Ceramic tiled floor in bathroom/ensuite
- ✓ Tiled shower base
- ✓ Bathroom/Ensuite shower walls tiled to 2000mm high with feature mosaic tiles and tiled soap dish/shelf
- ✓ Skirting tile to Bathroom/Ensuite/Laundry/WC
- ✓ Tiled splashback over vanity unit/tub
- ✓ Full height tiled splashback between kitchen bench and overhead cupboards with feature mosaic tiles

Wet Area Fittings/Features

- ✓ Glass pivot door shower screen
- ✓ Quality gloss vanity on aluminium legs or wall hung with large mirror over
- ✓ Built in acrylic bath where shown
- ✓ Dual flush toilet suite
- ✓ Chrome plated toilet roll holder, towel ring, towel rail, robe hook
- ✓ Quality chrome plated flickmixer tapware to Bathroom/Ensuite
- ✓ 45 litre stainless steel tub with poly cabinet to Laundry as per plan
- ✓ Quality chrome plated solid brass washing machine tapware to laundry (under tub) as per plan

Built In Wardrobes/Linen Cupboards

- ✓ Ceiling height robe with laminated shelf and chrome hanging rail
- ✓ Full height sliding mirror robe and vinyl faced doors as per plan
- ✓ Walk in robe where shown
- ✓ Laminated robe cupboard with laminated shelf & chrome hanging rail to Bed 2 (as shown)
- ✓ Laminated linen cupboards with four laminated shelves

Painting

- ✓ Fully painted in your colour choice (with the additional option of feature walls and multi-colour indoor paint schemes)
- ✓ All external painting complete

Electrical and Plumbing

- ✓ Individual wall pipes inspection and certificate to every building
- ✓ Circular LED Oyster light fittings throughout
- ✓ Front and rear external light (where rear external door is shown) with external switch beside or sensor light to front entry door
- ✓ Ceiling exhaust fan to Bathroom/Ensuite
- ✓ Ample double power points throughout
- ✓ Earth leakage, circuit breakers fitted for safety
- ✓ Internal access to circuit breaker board for safety
- ✓ Hard wired smoke detector (with battery backup)
- ✓ Rinnai B16 instant gas hot water system
- ✓ Provision for TV Cabling to living room

Floor Coverings

- ✓ Your choice of quality Godfrey Hirst 'Retreat' series carpet to Bedrooms, installed on Dunlop Foam underlay
- ✓ Your choice of vinyl floor covering from 'Pegulan' range to kitchen/living/dining area installed on Masonite underlay

Roofed Verandah (Where Shown)

- ✓ Constructed on main steel chassis under main gable roofline (front, rear and entry verandahs)
- ✓ Maintenance free Latitudes composite decking
- ✓ Painted handrail with 5 wires of horizontal 316 stainless steel wires
- ✓ Painted FC lining and Cathedral ceiling
- ✓ Stairs with pipe handrail to all external doors

On-site Work

- ✓ Entry Stairs - aluminium treads 1100mm wide on hot-dipped galvanised steel stringers
- ✓ Powder coated pipe handrail to one side of steps

Other

- ✓ 8 year structural warranty with 12 month maintenance period
- ✓ All appliances/manufacturers warranties
- ✓ Your cabin/home built under factory supervision
- ✓ Tight quality control due to off-site building
- ✓ Delivery within 50km of Gympie QLD (of course we service all of QLD and NT)
- ✓ Site plans, elevations and drawings for certifier/council
- ✓ Full QBCC insurance coverage for residential projects
- ✓ Application to certifier/ council (not including fees)
- ✓ Soil Testing
- ✓ Engineer Designed
- ✓ Energy Efficiency Rating Report
- ✓ Wind rating for your area (including W50C/C2 areas)
- ✓ Relocatable but built to residential building standards

Optional Extras

- ✓ Upgrade the plan of your choice to Premium Range/Inclusions
- ✓ Colorbond dado or random feature panel sections to external cladding
- ✓ Western Red Cedar or Granosite Cladding
- ✓ 'Altache' Western Red Cedar cladding for gable feature infill

- ✓ Bullnose roof to verandah
- ✓ Hip/Dutch gable to front and rear roof
- ✓ Steeper Roof Pitch or Split Pitch or Double Gable
- ✓ Curved roof or curved ridge line
- ✓ Timber framed colonial awnings over windows with Colorbond mini-orb roof sheeting
- ✓ Curved Colorbond awnings
- ✓ Security screen door
- ✓ Cedar bi-fold doors opening onto verandah
- ✓ Solid clear lacquered V.J. pine or painted V.J. wall paneling to 900mm with dado rail
- ✓ Tiled entry
- ✓ Tiled bathroom walls to 1200mm high
- ✓ Fully moulded shower enclosure
- ✓ Fan/light/heater to bathroom
- ✓ Designer vanity unit
- ✓ Reading lights to beds
- ✓ Downlights
- ✓ Ceiling fans
- ✓ Split system air conditioners
- ✓ Keyed Switch to air conditioners / key tag switching
- ✓ Ceramic tiled floor to living/dining/kitchen area
- ✓ Appliance upgrade including stainless steel finish
- ✓ Gas oven/ gas hotplates
- ✓ Larger sinks/designer sinks
- ✓ Dishwasher/ larger refrigerator or Freezer
- ✓ Curtains/Privacy Sheers/Blinds
- ✓ Disabled design features to all or part of cabin/home
- ✓ Eaves upgrade to premium range/wider eaves

'Package' Inclusions

General

- ✓ Suede lined curtains to sliding door and all clear windows throughout except kitchen OR
- ✓ Roller blinds to all clear windows throughout and curtains or vertical blinds to sliding doors
- ✓ Sunscreen filter type fabric roller blind

Kitchen/Living Area

- ✓ 262L Haier two door Refrigerator /freezer - except Correa designs which have a Westinghouse 120L fridge
- ✓ Werzalit table and vinyl padded stacking chairs

Main Bedroom

- ✓ Queen bed with commercial innerspring mattress
- ✓ Four drawer dressing table with mirror in robe
- ✓ Drawers with 'Blum' lifetime warranty drawer sides
- ✓ Wall mounted light over mirror in robe
- ✓ Freestanding bedside tables or Melamine bedside shelves/drawers

Bunkroom

- ✓ Powder-coated steel bunks with safety rail and ladder
- ✓ 150mm foam mattresses

Pricing

Our **'Complete'** pricing includes finished with kitchen, robes (with vinyl/mirror door), painting, floorcoverings, tiling of wet areas and shower screens, all delivered and set up on-site with footings and installation within 50kms of Gympie (Excludes connection to services).

Includes supporting information and applications to the certifier/council (excluding certifier/council fees which are quoted per job).

Be sure to call one of our design consultants on **1800 225 224** to discuss pricing for commercial projects!

Take the option of upgrading to **'Package'** inclusions for your fully furnished option, and you will receive beds, bunks, mattresses, dressing table/mirror & light over to the main bedroom robe, bed-side tables, living room tables, living room chairs, curtains, refrigerator all appropriate to your plan.

Should you require a manufacture and delivery only option, speak to one of our friendly sales team today on **1800 225 224**.
