RISK FACTORS

The following are those risk factors which are material to each Company and of which each Company's respective Directors are aware. Material risk factors relating to the New Shares are contained in the Securities Note. Additional factors that are not presently known to the Directors, or that the Directors currently deem immaterial, may also have an effect on their respective Company's business, financial condition or results of operations.

Risks Relating to the Companies and their Investment Policies

- The COVID-19 pandemic and measures taken by the UK Government to contain the spread of the virus has resulted in significant disruption and ongoing uncertainty for businesses and consumers and the effects of the pandemic are expected to continue to present significant challenges going forward. The impact that this has on existing portfolio companies and those in which Maven VCT 3 and Maven VCT 4 may invest in the medium and long term, is difficult to predict. Existing and future portfolio companies may lose value or fail as a result of the ongoing effects or aftermath of the pandemic, resulting in a reduction in the value of investors' shares.
- The majority of the investments of Maven VCT 3 and Maven VCT 4 are in smaller companies, and it can be difficult to value and dispose of such companies relative to larger more established companies. It can also take a number of years for the underlying value or quality of the business of smaller companies to be fully reflected in their market values.
- The investments that Maven VCT 3 and Maven VCT 4 can make are also subject to the "risk-to-capital" condition in the Finance Act 2018 which is designed to focus investment towards earlier stage businesses, compared to those that the Companies have invested in previously. This may mean that there are fewer opportunities for investment and it may limit the ability to provide further investment for companies already in the portfolios. Where additional funding is not provided to such businesses, this may result in loss or dilution of the Companies' investment and could affect the returns to the Companies and Shareholders. The "risk-to-capital" condition increases the risk profile of companies in which a Company can invest as they are at an earlier stage of their growth and are higher risk than investments in more mature businesses. Consequently, past performance of the Companies is not a guide to future performance.
- The Companies also invest in businesses quoted on the Alternative Investment Market (AIM) and Aquis Stock Exchange (AQSE). Investment in AIM/AQSE traded companies is higher risk than investment in larger companies listed on the Main Market of the London Stock Exchange, as they may have limited trading records, product lines, markets or financial resources and may be dependent on a smaller number of key individuals for their management. The market for shares in these companies is less liquid than that for larger listed companies and may result in difficulties in acquiring and disposing of shares.
- The successful implementation of each Company's investment policy is dependent on the expertise of the Manager and its ability to attract and retain sufficient and suitable members of staff. Each Company's ability to achieve its investment objective is largely dependent on the performance of the Manager in the acquisition and disposal of assets and the management of such assets. Each Board has broad discretion to monitor the performance of the Manager and the power to appoint a replacement. The Manager's performance or that of any replacement cannot be guaranteed.
- As a minority investor, a Company will not control the boards of directors of investee companies and may not be in a position to protect its interests.
- The impact of the UK's withdrawal from the EU and the ending of the transition period on 31 December 2020 remains uncertain and may still have an impact on the business models, business operations and financial results of, or sales demand, material and labour costs, and availability and cost of finance for, the businesses in which the VCTs invest. The majority of the portfolio companies of Maven VCT 3 and Maven VCT 4 have limited direct exposure to the EU, and those with any exposure have been implementing contingency plans to mitigate any potential impact.

Risks Relating to Taxation and Regulation

- The information in this document is based on existing legislation, including taxation legislation. The tax reliefs described are those currently available. The tax rules or their interpretation in relation to an investment in any one or more of the Companies and/or rates of tax may change during the life of those Companies and can be retrospective. The value of tax reliefs depends on the personal circumstances of holders of Shares in any one or more of the Companies, and may affect the returns an Investor derives from their Shares.
- Each Company intends to manage its affairs in respect of each accounting period so as to obtain, and thereafter maintain, approval as a VCT. However, there can be no guarantee that a Company will be able to maintain VCT status. Where a Company fails to maintain approval as a VCT before Qualifying Investors have held their New Shares in that Company for five years, the income tax relief obtained on the amount subscribed in that Company will have to be repaid by such investors. Dividends paid in an accounting period where VCT status is lost will become taxable. HMRC have stated that VCT status will not be withdrawn where an investment is ultimately found to be non-qualifying if, after taking reasonable steps including seeking advice, a VCT considers that an investment is qualifying. However, HMRC may require rectification of the breach, which may mean that the VCT is forced to dispose of the investment at a loss. Where approval as a VCT is not maintained, a Company will also lose its exemption from corporation tax on capital gains.
- The sale of New Shares within five years of their issue will require the repayment of some or all of any initial income tax relief obtained on the investment. Therefore, an investment in New Shares is not suitable as a short or medium term investment. If a

Shareholder disposes of existing Shares in either Company within six months before or after acquiring New Shares in the same company, then the amount of the investment in New Shares on which they can claim VCT tax reliefs will be reduced by an amount equal to the proceeds of the disposal.

PART I: THE DIRECTORS AND THE MANAGER

A. THE DIRECTORS

The Directors of each Company are responsible for the determination of their Company's investment objective and policy and have overall responsibility for their Company's activities including the review of investment activity and performance. The Directors of each Company, together with the Manager, are determined to maintain the VCT status of their Company and, in this regard, recognise its critical importance to existing and potential Shareholders of their Company. Each Board has put in place procedures designed to ensure that VCT status is maintained and monitored closely through the provision of regular reports from the Manager on the status of the Company against the various tests that the Company must meet in order to maintain its VCT status.

The Directors are all non-executive and (other than Bill Nixon) are all independent of the Manager, and each Board has relevant experience of similar investment funds, regulatory organisations, corporate governance of listed companies, the private equity industry and/or investee companies. Each Board is also responsible for ensuring that its respective Company is managed so that risks to its profits and assets are minimised. They have each established an ongoing formal process to ensure that risk exposure is reviewed regularly. As part of this regular review, each Board tests market service providers in order to improve both service standards and value for money. Save in respect of Bill Nixon (who is a director of each of the Companies and managing partner of the Manager and is, therefore, interested in those contracts with the Companies referred to in paragraph 4 in Sections A and B in Part V of this document), and Atul Devani (who is a director of Maven VCT 3 and also a director and shareholder of The GP Service (UK) Ltd (which is an investee company of Maven VCT 3)), there are no potential conflicts of interest between any duties owed to any of the Companies by its Directors and their private interests and/or their other duties.

Corporate Governance

The Listing Rules require premium-listed companies, such as the Companies, to include in their annual report a statement of how they apply the principles of good corporate governance set out in the UK Corporate Governance Code (the Code) and whether or not they have complied with the best practice provisions set out in the Code throughout their respective latest accounting period. Where any of the provisions have not been complied with, the relevant Company must state the provisions in question, the period within which non-compliance occurred and the reasons for non-compliance.

Each Company is a member of the Association of Investment Companies (AIC). Both Boards have considered the principles and provisions (as relevant) of the AIC Code. The AIC Code addresses all the principles and provisions set out in the Code, as well as setting out additional provisions on issues that are of specific relevance to investment companies and their activities. Each of the Boards considers that reporting against the principles and provisions of the AIC Code, which has been endorsed by the Financial Reporting Council, provides more relevant information to Shareholders, and that this endorsement means that by reporting against the AIC Code the relevant Company is meeting its obligations under the Code and the associated disclosure requirements of the Listing Rules (and as such does not need to report further on issues contained in the Code that are not relevant to it). Such issues include:

- Provision 9 (dual role of the chairman and chief executive);
- Provision 19 (tenure of the chair);
- Provision 25 (internal audit function); and
- Provision 33 (executive remuneration).

For the financial year ended 30 November 2020, and up to the date of this document, Maven VCT 3 has complied fully with the main principles of the AIC Code, except where noted under the heading "Corporate Governance" in section 1 below.

For the financial year ended 31 December 2020, and as at the date of this document, Maven VCT 4 has complied fully with the main principles of the AIC Code, except where noted under the heading "Corporate Governance" in section 2 below.

1. Directors of Maven VCT 3

Atul Devani, Chairman and Independent Director

Atul has held a number of senior positions in software technology companies operating in various sectors including finance, mobile, telecoms, food and drink, health and pharmaceuticals. He was founder and chief executive officer of AIM listed United Clearing Plc, which was sold to BSG in 2006. He is currently a director of, and an investor in, a number of private limited companies (including The GP Service (UK) Ltd, a portfolio company of the Companies) and is also mentor of entrepreneurs at the Company of Information Technologists in the City of London. Atul has a First Class Honours Degree in Electronic Engineering from the University College of North Wales.

David Allan, Independent Director

David is a legally qualified corporate finance practitioner with significant experience in equity investment, M&A, VCTs and AIM. He is currently an executive director of Aridhia Informatics Limited, a private equity backed technology company. He is also a partner of Davidson Chalmers Stewart LLP, a commercial law firm based in Scotland. Prior to this, David was a partner with law firms Biggart Baillie LLP and Brodies LLP.

Keith Pickering, Independent Director

Keith is a Fellow of The Institute of Chartered Accountants in England and Wales. He is a partner at Alantra Corporate Finance, formerly Catalyst Corporate Finance, which he founded in 1998 along with two others and where he leads the industrial sectors team in the UK. Over the past twenty years he played a major role in the growth of Catalyst and in September 2017 the business was sold to Alantra Group, the Spanish listed mid-market investment bank. Prior to establishing Catalyst, Keith spent thirteen years at the predecessor firms of PwC and Deloitte, including a three-year period in the Far East, operating out of Hong Kong.

Bill Nixon, Director

Bill is managing partner of Maven and has 40 years' experience in banking and private equity. He is a Fellow of the Chartered Institute of Bankers in Scotland and obtained an MBA from Strathclyde University in 1996. In the 1990s, Bill was head of the private equity business at Clydesdale Bank plc, then a subsidiary of National Australia Bank, before joining Aberdeen Asset Management PLC (Aberdeen) in 1999. In 2004, he was appointed as principal fund manager to all Aberdeen managed VCTs. In 2009, Bill and his senior colleagues led a management buyout from Aberdeen to form Maven. He is also a director of Maven VCT 4.

- save for those companies and partnerships referred to above, is currently a director of a company or a partner in a partnership or has been a director of a company or a partner in a partnership within the five years immediately preceding the date of this document;
- has any unspent convictions in relation to fraudulent offences;
- save for those Maven VCT 3 Directors and the companies referred to above, has had any bankruptcies, receiverships or liquidations through acting in the capacity of a member of any administrative, management or supervisory bodies or as a partner, founder or senior manager of any partnership or company; or
- has had any official public recriminations and/or sanctions by any statutory or regulatory authority (including any designated professional body) nor has ever been disqualified by a court from acting as a member of the administrative management or supervisory bodies of any company or firm acting, or in the management or conduct of the affairs of, any company.

Corporate Governance

For the financial year ended 30 November 2020, and up to the date of this document, the Maven VCT 3 Board is of the opinion that the company has complied fully with the main principles identified in the AIC Code, except as set out below:

- Provision 14 (senior independent director).

A senior independent non-executive director has not been appointed as the Board considers that each Director has different qualities and areas of expertise on which they may lead.

Board of Directors

The Maven VCT 3 Board currently consists of four non-executive directors. All of the Maven VCT 3 Directors, with the exception of Bill Nixon, are considered to be independent of the Manager and free of any relationship that could materially interfere with the exercise of their independent judgement. Bill Nixon is the managing partner of Maven and as such is not considered to be independent. The Maven VCT 3 Board has delegated certain responsibilities and functions to the Audit & Risk Committee, the Management Engagement Committee, the Nomination Committee and the Remuneration Committee.

Keith Pickering is chairman of the Audit & Risk Committee, which operates within clearly defined terms of reference. The committee examines the annual or half yearly reports and financial statements and, when considering the annual reports, reviews the scope of the audit and the auditor's report to the Maven VCT 3 Board. Maven VCT 3 also reviews its approach for governing and controlling the provision of non-audit services by the external auditor, so as to safeguard its independence and objectivity. Maven VCT 3 Shareholders are asked to approve the re-appointment, and the Maven VCT 3 Directors' authority to fix the remuneration, of the auditor, at each annual general meeting. Any non-audit work requires the specific approval of the committee in each case. Non-audit work, where independence may be compromised or conflicts arise, is prohibited. The Audit & Risk Committee considers the external auditor to be independent of the Company. The committee also reviews Maven VCT 3's risk management systems, which allow Maven VCT 3 to identify, measure, manage and monitor all risks on a continuous basis. At least one meeting is held each quarter and further at such times as required by the Maven VCT 3 Board.

The Management Engagement Committee is chaired by Keith Pickering and, on an annual basis, reviews the management contract with the Manager.

Atul Devani is chairman of the Nomination Committee, which makes recommendations to the Maven VCT 3 Board on matters including the evaluation of the performance of the Maven VCT 3 Board and its committees, succession planning and the identification and nomination of candidates to fill Maven VCT 3 Board vacancies, as and when they arise, for the approval of the Maven VCT 3 Board. The performance of the Maven VCT 3 Board, committees and individual Maven VCT 3 Directors is evaluated through an assessment process, led by the Chairman of Maven VCT 3, and the performance of the Chairman of Maven VCT 3 is evaluated by the other Maven VCT 3 Directors.

Since Maven VCT 3 is a venture capital trust and only has non-executive directors, the Code principles relating to directors' remuneration do not apply (the relevant AIC Code principles are applied instead). Maven VCT 3 has a Remuneration Committee, comprising of all the independent Maven VCT 3 Directors and which is chaired by David Allan. The level of remuneration for the Maven VCT 3 Directors has been set in order to attract and retain individuals of a calibre appropriate to the future development of Maven VCT 3.

2. Directors of Maven VCT 4

Peter Linthwaite, Chairman and Independent Director

Peter was formerly a director of Maven Income and Growth VCT 2 PLC until the completion of its merger with Maven VCT 4, and oversees the portfolio of private equity fund investments of The Royal London Mutual Insurance Society Limited. Malcolm Graham-Wood, Independent Director

Bill Nixon, Director

See Maven VCT 3 above.

Steven Scott, Independent Director

He worked in the Bank of Scotland Structured Finance Group before becoming a director of Royal Bank Development Capital, the private equity division of The Royal Bank of Scotland plc. In 1999, he founded Penta Capital LLP, an independent UK private equity manager that specialises in buy-and-build investments in the UK and has over £300 million under management.

Fraser Gray, Independent Director

Fraser was a director of Maven Income and Growth VCT 6 PLC from 1 July 2016 until the completion of its merger with Maven VCT 4. He sits on a number of advisory boards, supporting smaller companies on growth and strategic matters. He was previously a managing director in AlixPartners' turnaround and restructuring practice, where he led the provision of restructuring and liquidity improvement solutions to clients across a wide variety of industry sectors. Fraser is a chartered accountant and was formerly a licensed insolvency practitioner and accredited mediator. Corporate Governance

For the financial year ended 31 December 2020, and up to the date of this document, the Maven VCT 4 Board is of the opinion that the company has complied fully with the main principles identified in the AIC Code, except as set out below:

- Provision 14 (senior independent director).

A senior independent non-executive director has not been appointed, as the Board considers that each Director has different qualities and areas of expertise on which they may lead.

Maven VCT 4 Board of Directors

The Maven VCT 4 Board currently consists of five non-executive directors. All of the Maven VCT 4 Directors, with the exception of Bill Nixon, are considered to be independent of the Manager and free of any relationship that could materially interfere with the exercise of their independent judgement. Bill Nixon is the managing partner of Maven and as such is not considered to be independent. The Maven VCT 4 Board has delegated certain responsibilities and functions to the Audit Committee, the Management Engagement Committee, the Nomination Committee and the Risk Committee.

Steven Scott is chairman of the Audit Committee, which operates within clearly defined terms of reference. The Audit Committee examines the annual or half-yearly reports and financial statements and, when considering the annual reports, reviews the scope of the audit and the auditor's report to the Maven VCT 4 Board. Maven VCT 4 also reviews its approach for governing and controlling the provision of non-audit services by the external auditor, so as to safeguard its independence and objectivity. Maven VCT 4 Shareholders are asked to approve the re-appointment, and the Maven VCT 4 Directors' authority to fix the remuneration, of the auditor at each annual general meeting. Any non-audit work, other than interim reviews, requires the specific approval of the Audit Committee in each case. Non-audit work, where independence may be compromised or conflicts arise, is prohibited. The Audit Committee considers the external auditor to be independent of the Company.

The Management Engagement Committee is chaired by Peter Linthwaite and on an annual basis reviews the management contract with

the Manager.

Peter Linthwaite is chairman of the Nomination Committee, which makes recommendations to the Maven VCT 4 Board on matters including the evaluation of the performance of the Maven VCT 4 Board and its committees, succession planning and the identification and nomination of candidates to fill Maven VCT 4 Board vacancies, as and when they arise, for the approval of the Maven VCT 4 Board. The performance of the Maven VCT 4 Board, committees and individual Maven VCT 4 Directors is evaluated through an assessment process, led by the Chairman of Maven VCT 4, and the performance of the Chairman of Maven VCT 4 is evaluated by the other Maven VCT 4 Directors.

Malcolm Graham-Wood is chairman of the Risk Committee, which comprises the full Maven VCT 4 Board. At least one meeting is held each quarter and further at such times as required by the Maven VCT 4 Board. The principal function of the Risk Committee is to review Maven VCT 4's risk management systems, which allows Maven VCT 4 to identify, measure, manage and monitor all risks on a continuous basis.

Since Maven VCT 4 is a venture capital trust and only has non-executive directors, the Code principles relating to directors' remuneration do not apply (the relevant AIC Code principles are applied instead). Maven VCT 4 does not have a remuneration committee, and matters relating to remuneration policy and Maven 4 VCT Directors' remuneration are dealt with by the Maven 4 VCT Board as a whole (with Peter Linthwaite as its chairman). The level of remuneration for the Maven VCT 4 Directors has been set in order to attract and retain individuals of a calibre appropriate to the future development of Maven VCT 4.

B. THE MANAGER

Maven Capital Partners UK LLP is appointed as each Company's investment manager and is authorised and regulated by the FCA (Reg. No. 495929). It took over the management of the Companies when senior members of the private equity division of Aberdeen Asset Management PLC (Aberdeen) bought out the business. The management team at the time of the buyout had been solely responsible for VCT activities at Aberdeen since October 2004. The key staff and services provided were unchanged on transfer to Maven. On 1 July 2021, Maven was acquired by Mattioli Woods plc, one of the UK's leading providers of wealth management services.

Maven Capital Partners UK LLP is a limited liability partnership incorporated and registered in England and Wales on 14 August 2008 under number OC339387 pursuant to the Limited Liability Partnerships Act 2000 (LEI: 213800M1GRNH1K5UIU30). The registered office of Maven is 1 New Walk Place, Leicester, England, LE1 6RU. Maven's principal place of business is Kintyre House, 205 West George Street, Glasgow G2 2LW (telephone number 0141 306 7400). Maven is authorised to advise on and manage investments, arrange deals in investments and to make arrangements with a view to transactions in investments. The principal legislation under which Maven operates is the Limited Liability Partnership Act 2000 and the applicable provisions of CA 2006 (and regulations made thereunder). Maven is domiciled in England.

Maven is paid the following fees in respect of its appointment as investment manager, administrator and secretary of each of the Companies.

Maven VCT 3

Investment Management Fee

Maven is entitled to an investment management fee of 2.5% per annum of the net asset value of Maven VCT 3 at the previous quarter end, payable quarterly in arrears and exclusive of VAT (if any).

Performance Incentive Fees

Maven is also entitled to a performance incentive fee, for each six month period ending 31 May and 30 November, of an amount equal to 15% of any increase in the total return (before applying any performance incentive fee) as at the end of the relevant six month period to the total return (after accruing for the performance incentive fee payable for that period) compared to the end of the last six month period on which a performance incentive fee was paid. Payments in relation to any performance incentive fee shall not exceed £890,000 in relation to any rolling twelve-month period ending on the date of the proposed payment. Total return for these purposes means net asset value, adjusted for dividends, share buybacks and share issues since the period in respect of which the last performance incentive fee was paid. The performance incentive fee will be exclusive of VAT (if any). The Maven VCT 3 Board and Maven have agreed that, subject to Shareholder approval, with effect from 1 December 2021, the £890,000 cap on the performance incentive fee will no longer apply. This change will align Maven VCT 3 with the approach taken by the other Maven VCTs (where such incentive payments are not subject to a monetary cap).

Administration and Secretarial Fee

Maven is also entitled to an annual fee for the provision of company secretarial, accounting and other management and administrative services (which amounted to £99,000, for the year ended 30 November 2020). This fee is subject to annual adjustment by reference to increases in the UK Retail Prices Index, is payable quarterly in arrears and is exclusive of VAT (if any).

- (b) As at 17 September 2021 (being the latest practicable date before the publication of this document) the shareholdings of the Maven VCT 3 Directors were as follows:

Maven VCT 3 Director	No. of Maven VCT 3 Shares	% of issued Maven VCT 3's share capital

Bill Nixon	683,333	0.86
Keith Pickering	99,202	0.13

- (c) Maven VCT 3 Directors may act as directors of companies in which Maven VCT 3 invests and receive and retain fees in that capacity.
- (d) None of the Maven VCT 3 Directors has a service contract with Maven VCT 3, and no such contract is proposed. However, each of the independent Maven VCT 3 Directors has entered into a letter of appointment for the provision of their services as directors. In the case of Bill Nixon, he is engaged as a non-executive director of Maven VCT 3, with the fees relating to his engagement being paid by Maven VCT 3 to the Manager. The fees currently payable for such services are disclosed below. The agreements are terminable by either party giving notice to the other (the length of such notice varying from no notice being required to three months' notice), subject to retirement by rotation and earlier cessation for any reason under the Maven VCT 3 Articles. There are no commission or profit sharing arrangements and no compensation is payable on termination of the agreements.

Atul Devani, as Chairman of Maven VCT 3, is entitled to annual remuneration of £20,500, while the annual remuneration receivable by David Allan and Keith Pickering is £16,800 each. In relation to Bill Nixon, the annual remuneration receivable is £16,800 (and since that fee is payable to the Manager it is subject to VAT).

- (e) The annual directors' fees payable to the Maven VCT 3 Directors for the financial year ending 30 November 2021 will be: Atul Devani £20,500 (2020: £20,500), David Allan £16,800 (2020: £16,800), Keith Pickering £16,800 (2020: £16,800) and Bill Nixon £16,800 (2020: £16,800), with the fees relating to Bill Nixon's engagement being paid by Maven VCT 3 to the Manager. The Maven VCT 3 Directors receive no other remuneration benefits, nor pension, retirement or similar benefits, in addition to their fees detailed above. It is estimated that the aggregate amount payable to the Maven VCT 3 Directors by Maven VCT 3 for the financial year ending on 30 November 2021 under the arrangements in force at the date of this document will not exceed £70,900 (exclusive of VAT and any employers' national insurance, if applicable) plus out-of-pocket expenses.
- (f) No loan or guarantee has been granted or provided by Maven VCT 3 to or for the benefit of any of the Maven VCT 3 Directors.
- (g) None of the Maven VCT 3 Directors nor any member of their respective immediate families has, or has had, an interest in any transaction or transactions which are or were unusual in their nature or conditions or significant to the business of Maven VCT 3 and which were effected by Maven VCT 3 during the current or immediately preceding financial year or during an earlier financial year and remaining in any respect outstanding or unperformed, except for:
 1. Bill Nixon who is a member of the Manager, which is a party to the agreements referred to in paragraphs 4(a), 4(b), 4(d), 4(e), 4(f) and 4(g) below (and is himself a party to the agreements referred to in paragraphs 4(c), 4(e), 4(f) and 4(g)), and consequently is interested in these agreements;
 2. Atul Devani, who is a director and shareholder of The GP Service (UK) Ltd (which is an investee company of Maven VCT 3), and is a party to the agreements referred to in paragraphs 4(c), 4(e), 4(f) and 4(g) below and consequently is interested in the relevant agreements; and
 3. Keith Pickering and David Allan, each of which is a party to the agreements referred to in paragraphs 4(c), 4(e), 4(f) and 4(g) below and consequently is interested in the relevant agreements.
- (h) Maven VCT 3 has taken out directors' and officers' liability insurance for the benefit of the Maven VCT 3 Directors, which is renewable on a bi-annual basis.

4. Material contracts

Save as disclosed in this paragraph, Maven VCT 3 has not entered, other than in the ordinary course of business, into any contract which is, or may be material to, Maven VCT 3 within the two years immediately preceding the publication of this document or into any contract that contains any provision under which Maven VCT 3 has any obligation or entitlement which is material to Maven VCT 3 as at the date of this document:

- (a) A management and administration deed dated 1 December 2015 between Maven VCT 3 and the Manager (as amended by the IMA Deed of Amendment and Restatement - see paragraph 4(d) below), pursuant to which the Manager provides discretionary investment management services to Maven VCT 3 in respect of its portfolio of qualifying and non-qualifying investments, together with administrative services. This deed superseded the investment and administration agreements that were previously in place. Maven is entitled to an annual investment management fee of 2.5% of the net asset value of Maven VCT 3 payable quarterly in arrears (the fee being exclusive of VAT (if any)). No performance incentive fee was previously payable to the Manager. However, in accordance with the terms of the IMA Deed of Amendment and Restatement (see paragraph 4(d) below), the terms of the deed were varied so that with effect from 1 December 2017 Maven was entitled to a performance incentive fee on the terms described in paragraph 4(d) below. Maven is also entitled to an annual fee for the provision of company secretarial, accounting and other management and administrative services (which amounted to £99,000 for the year ended 30 November 2020). This fee is subject to annual adjustment by reference to increases in the UK Retail Prices Index, is payable quarterly in arrears and is exclusive of VAT (if any). The total management and administrative expenses of Maven VCT 3 are capped at 3.8% of the average net asset value for the relevant financial period, adjusted annually and excluding performance fees, and all regulatory, compliance and exceptional costs. The investment management agreement may be terminated by either party giving 12 months' notice in writing at any time. The investment management agreement may also be terminated in circumstances of breach and certain other matters.

- (b) A co-investment agreement dated 19 June 2006 between Maven VCT 3 and Aberdeen Asset Managers Limited (which was subsequently novated to Maven and amended with effect from 1 December 2012) in respect of a co-investment scheme with Maven, which enabled employees and officers of Maven to participate in new and follow-on investments in portfolio companies alongside Maven VCT 3. All such investments were made through a nominee and under terms agreed by the Maven VCT 3 Board. The terms of the scheme ensured that all investments in ordinary shares were made at the same time and on identical terms to those of Maven VCT 3 and that no selection of investments was allowed. Total investment by participants in the co-investment scheme was originally set at 5% of the aggregate amount of ordinary shares subscribed for by Maven VCT 3 and the co-investment scheme, except where the only securities to be acquired by Maven VCT 3 were ordinary shares or AIM quoted securities, in which case the investment percentage would be 1.5%. The original 5% total investment limit was increased to 8% with effect from 1 December 2012 (with ordinary shares that only have an entitlement to a fixed rate return also being excluded from determining the level of co-investment). Notwithstanding the above, co-investment would only be offered alongside the relevant investment if that co-investment would not result in the aggregate of all co-investments made in the relevant calendar year of the scheme exceeding 5% of Maven VCT 3's net assets. Further to the IMA Deed of Amendment and Restatement (see paragraph 4(d) below), Maven and Maven VCT 3 agreed to vary that the terms of the co-investment agreement with the effect that the 8% total investment limit would be reduced back down to 5% with effect from 1 December 2017, with the change being made to take into account the introduction of the new performance incentive fee arrangement with Maven. The co-investment scheme was temporarily suspended with effect from 11 October 2018 to allow for a review by the Manager, and was re-introduced on the same terms with effect from 5 March 2021.
- (c) The letters of appointment between Maven VCT 3 and each of the Maven VCT 3 Directors referred to in paragraph 3(d) above.

Total return for these purposes means net asset value, adjusted for dividends, share buybacks and share issues since the period in which the last performance incentive fee was paid. The performance incentive fee is exclusive of VAT (if any). In the IMA Deed of Amendment and Restatement, Maven and Maven VCT 3 also agreed to vary that the terms of the co-investment agreement (see paragraph 4(b) above) with the effect that the 8% total investment limit was reduced to 5% with effect from 1 December 2017.

Under the agreement, which may be terminated by Howard Kennedy and the Manager in certain circumstances, certain warranties have been given by Maven VCT 3 and the Maven VCT 3 Directors to Howard Kennedy and the Manager, subject to certain limitations. Maven VCT 3 also agreed to indemnify Howard Kennedy in respect of its role as sponsor. The warranties and indemnity were in the usual form for a contract of this type. The agreement could be terminated by Howard Kennedy if any statement in the 2017 Prospectus was untrue, any material omission from that prospectus arose or any breach of warranty occurred.

5. Dividend policy

The Maven VCT 3 Board has a policy of distributing tax-free dividends to Qualifying Shareholders. Decisions on future distributions take into consideration a number of factors, including the availability of surplus revenue, the realisation of capital gains, the adequacy of distributable reserves and the VCT qualifying level of the Maven VCT 3 portfolio, all of which are kept under close and regular review by the Maven VCT 3 Board and the Manager. As announced in the annual report and accounts for the financial year ended 30 November 2020, it is the intention of the Maven VCT 3 Board, in respect of the financial year ended 30 November 2021 and for future years, to seek to pay an annual dividend that provides Maven VCT 3 Shareholders with a yield of up to 5% of NAV per Maven VCT 3 Share at the previous year end. As referred to in the 2020 annual report and accounts, the Maven VCT 3 Board reminded Shareholders that as the portfolio of the Company continues to evolve, and a greater proportion of holdings are invested in younger companies, distributions will be more closely linked to realisation activity, whilst also reflecting Maven VCT 3's requirements to maintain its VCT qualifying level. If larger distributions are required as a consequence of exits, this could result in a corresponding reduction in NAV per Maven VCT 3 Share.

6. Miscellaneous

- (a) The maximum expenses payable by Maven VCT 3 in connection with the Maven VCT 3 Offer (including VAT where applicable) will be an amount equal to 2.5% of the Application Amounts in respect of applications accepted under the Maven VCT 3 Offer, plus execution only initial and trail commissions. The total expenses will, therefore, be a maximum of £500,000 (assuming that the Maven VCT 3 Offer is fully subscribed with over-allotment facility fully utilised and all investors use an execution-only intermediary and the maximum amount of initial commission of 2.5% is payable, but ignoring any early investment incentive discounts, and any annual trail commission which may become payable by Maven VCT 3). The maximum net proceeds will, on the same basis, amount to at least £19,500,000. The issue premium on a New Share issued pursuant to the Maven VCT 3 Offer will be the difference between the issue price of that share and the nominal value thereof of 10p.
- (b) Except as disclosed at paragraph 3(a) of this Section A above, Maven VCT 3 does not have any major shareholders. No Shareholders of Maven VCT 3 have different voting rights. To the best of the knowledge and belief of the Maven VCT 3 Directors, Maven VCT 3 is not directly controlled by any other party and, as at 17 September 2021 (being the latest practicable date prior to the publication of this document) there are no arrangements in place that may, at a subsequent date, result in a change of control of Maven VCT 3.

- (h) The spread of coronavirus (COVID-19) was declared a global pandemic by the World Health Organisation on 11 March 2020 and has had a significant impact on the UK and global economy, affecting workers and businesses of all sizes. In particular, certain businesses have to continue to operate with a number of significant restrictions on their activities, resulting from the UK Government's ongoing measures to contain the spread of COVID-19 and to minimise the likelihood of a resurgence in infection rates. However, any of these factors could have an adverse effect on the Companies and their investee companies. With the exception of the above, there have been no significant factors, whether governmental, economic, fiscal, monetary or political, including unusual or infrequent events or new developments nor any known trends, uncertainties, demands, commitments or events that are reasonably likely to have an effect on Maven VCT 3's prospects or which have materially affected Maven VCT 3's income from operations so far as Maven VCT 3 and the Maven VCT 3 Directors are aware.

- (m) Pursuant and subject to the Uncertificated Securities Regulations, the Maven VCT 3 Board may permit title to shares of any class to be evidenced otherwise than by a certificate and title to shares of such a class to be transferred by means of a relevant system and may make arrangements for a class of shares (if all shares of that class are in all respects identical) to become a participating class.
- (n) Subject to the provisions of and to the fullest extent permitted by the Articles, every Maven VCT 3 Director, secretary or other officer of Maven VCT 3 shall be entitled to be indemnified by Maven VCT 3 against all costs, charges, losses, expenses and liabilities incurred by him in the execution and/or discharge of his duties and/or the exercise of his powers and/or otherwise in relation to or in connection with his duties, powers or office.

4. Material contracts

Save as disclosed in this paragraph, Maven VCT 4 has not entered, other than in the ordinary course of business, into any contract which is or may be material to Maven VCT 4 within the two years immediately preceding the publication of this document or into any contract which contains any provision under which Maven VCT 4 has any obligation or entitlement which is material to Maven VCT 4 as at the date of this document:

- (a) A management and administration deed dated 1 January 2016 between Maven VCT 4 and Maven, pursuant to which the Manager provides discretionary investment management and administrative services to Maven VCT 4. This deed superseded the investment and administration agreements that were previously in place. Maven is entitled to an annual investment management fee of 2.5% per annum of the net asset value of Maven VCT 4 payable quarterly in arrears (the fees being exclusive of VAT (if any)). Maven is also entitled to a performance incentive fee for each six month period ending 30 June and 31 December of an amount equal to 20% of any increase in the total return (before applying any performance incentive fee) as at the end of the relevant six month period to the total return (after accruing for the performance incentive fee payable for that period) compared to the end of the last six month period on which a performance incentive fee was paid. Total return for these purposes means net asset value, adjusted for dividends, share buybacks and share issues since the period in which the last performance incentive fee was paid. These fees are exclusive of VAT (if any). Maven is entitled to an annual fee for the provision of company secretarial and administrative services (which amounted to £127,000 for the year ended 31 December 2020, which had been increased on completion of the 2019 Merger). This fee is subject to annual adjustment by reference to increases in the Consumer Prices Index, is payable quarterly in arrears and is exclusive of VAT (if any).

The total management and administrative expenses of Maven VCT 4 are capped at 3.5% of Maven VCT 4's net asset value at the end of the relevant financial period (calculated before the deduction of management and administration expenses). All regulatory, compliance and any exceptional items, such as merger or performance incentive fees in respect of that year, are excluded from the cap.

- (b) A co-investment agreement dated 19 June 2006 between Maven VCT 4 and Aberdeen Asset Managers Limited (which was subsequently novated to Maven) in respect of a co-investment scheme with the Manager, which enabled employees and officers of Maven to participate in new and follow-on investments in portfolio companies alongside Maven VCT 4. All such investments were made through a nominee and under terms agreed by the Maven VCT 4 Board. The terms of the scheme ensured that all investments in ordinary shares were made at the same time and on identical terms to those of Maven VCT 4 and that no selection of investments would be allowed. Total investment by participants in the co-investment scheme was 5% of the aggregate amount of ordinary shares subscribed for by Maven VCT 4 and the co-investment scheme, except where the only securities to be acquired by Maven VCT 4 were ordinary shares or were securities quoted on AIM or AQSE, in which case the investment percentage would be 1.5%. Notwithstanding the above, co-investment would only be offered alongside the relevant investment if that co-investment would not result in the aggregate of all co-investments made in the relevant calendar year of the scheme exceeding 5% of Maven VCT 4's net assets. The co-investment scheme was temporarily suspended with effect from 11 October 2018 to allow for a review by the Manager, and was re-introduced on the same terms with effect from 5 March 2021.
- (c) The letters of appointment between Maven VCT 4 and each of the Maven VCT 4 Directors referred to in paragraph 3(d) above.
- (d) An offer agreement dated 22 September 2017 between Maven VCT 4, the Maven VCT 4 Directors, Howard Kennedy and the Manager, pursuant to which Howard Kennedy agreed to act as sponsor to the 2017 Offer and the Manager undertook, as agent of Maven VCT 4, to use its reasonable endeavours to procure subscribers under that offer. Neither Howard Kennedy nor the Manager was obliged to subscribe for Maven VCT 4 Shares under the 2017 Offer. Under the agreement, Maven VCT 4 agreed to pay the Manager an offer administration fee of 2.5% of the Application Amounts in respect of applications accepted by Maven VCT 4 under the 2017 Offer. The Manager also agreed to meet the costs of the 2017 Offer, excluding any initial commissions but including (unless the Manager ceases to be the investment manager of Maven VCT 4) annual execution-only intermediary trail commissions, and further agreed to indemnify Maven VCT 4 against any costs of the 2017 Offer in excess of that amount. If the Manager ceases to be the investment manager of Maven VCT 4, annual trail commission will become the responsibility of Maven VCT 4. 5. Dividend policy

The Maven VCT 4 Board has a policy of distributing tax-free dividends to Qualifying Shareholders. Decisions on future distributions take into consideration the availability of surplus revenue, the realisation of capital gains, the adequacy of distributable reserves and the VCT qualifying levels of the portfolio, all of which are kept under close and regular review by the Maven VCT 4 Board and the Manager. As announced in the Maven VCT 4 interim report for the six-month period ended 30 June 2021, it is the intention of the Maven VCT 4 Board, in respect of the financial year ended 31 December 2021 and for future years, to seek to pay an annual dividend that provides Maven VCT 4 Shareholders with a yield of 5% of NAV per Maven VCT 4 Share at the previous year end. As referred to in that interim report, the Maven VCT 4 Board reminded Shareholders that as the portfolio of the Company continues to expand and a greater proportion of holdings are invested in younger companies, future distributions will be more closely linked to realisation activity, whilst also reflecting Maven VCT 4's requirements to maintain its VCT qualifying level. If larger distributions are required as a consequence of exits, this could result in a corresponding reduction in NAV per Maven VCT 4 Share.

6. Miscellaneous

- (a) The maximum expenses payable by Maven VCT 4 in connection with the Maven VCT 4 Offer (including VAT where applicable) will be an amount equal to 2.5% of the Application Amounts in respect of applications accepted under the Maven VCT 4 Offer, plus execution only initial and trail commissions. The total expenses will, therefore, be a maximum of £500,000 (assuming that the Maven VCT 4 Offer is fully subscribed with over-allotment facility fully utilised and all investors use an execution-only intermediary and the maximum amount of initial commission of 2.5% is payable, but ignoring any early investment incentive discounts, and any annual trail commission which may become payable by Maven VCT 4). The maximum net proceeds will, on the same basis, amount to at least £19,500,000. The issue premium on a New Share issued pursuant to the Maven VCT 4 Offer will be the difference between the issue price of that share and the nominal value thereof of 10p.
- (b) Except as disclosed at paragraph 3(a) of this Section B above, Maven VCT 4 does not have any major shareholders. No Shareholders of Maven VCT 4 have different voting rights. To the best of the knowledge and belief of the Maven VCT 4 Directors, Maven VCT 4 is not directly controlled by any other party and, as at 17 September 2021 (being the latest practicable date prior to the publication of this document) there are no arrangements in place that may, at a subsequent date, result in a change of control of Maven VCT 4.
- (c) There have been no governmental, legal or arbitration proceedings (including any such proceedings which are pending or threatened of which Maven VCT 4 is aware), during the previous 12 months which may have, or have had in the recent past significant effects on Maven VCT 4's financial position or profitability.
- (d) The typical investor for whom investment in Maven VCT 4 is designed is an individual retail investor aged 18 or over who is a UK taxpayer.
- (e) Shareholders will be informed by means of the interim and/or annual report or through a public announcement if the investment restrictions which apply to Maven VCT 4 as a VCT (as detailed in this document) are breached.
- (f) Save for the offer agreement (as detailed at paragraph 4(h) above), and the fees paid to the Maven VCT 4 Directors (as detailed in paragraph 3(e) above), the fees paid to Maven in respect of its management and administration arrangements (as detailed in paragraph 4(a) above), there were no related party transactions or fees paid by Maven VCT 4 to a related party during the period from 30 June 2020 to the date of this document.
- (g) Applications will be made for the admission of the New Shares to be issued under the Maven VCT 4 Offer to the premium segment of the Official List and to trading on the Main Market for listed securities of the London Stock Exchange. The New Shares shall be in registered form and may be in either certificated or uncertificated form. New Shares in uncertificated form will be credited to CREST accounts.
- (h) The spread of coronavirus (COVID-19) was declared a global pandemic by the World Health Organisation on 11 March 2020 and has had a significant impact on the UK and global economy, affecting workers and businesses of all sizes. In particular, certain businesses have to continue to operate with a number of significant restrictions on their activities, resulting from the UK Government's ongoing measures to contain the spread of COVID-19 and to minimise the likelihood of a resurgence in infection rates. However, any of these factors could have an adverse effect on the Companies and their investee companies. With the exception of the above, there have been no significant factors, whether governmental, economic, fiscal, monetary or political,

including unusual or infrequent events or new developments nor any known trends, uncertainties, demands, commitments or events that are reasonably likely to have an effect on Maven VCT 4's prospects or which have materially affected Maven VCT 4's income from operations so far as Maven VCT 4 and the Maven VCT 4 Directors are aware.

- (i) Maven VCT 4 is subject to the investment restrictions relating to a venture capital trust in the Tax Act (a summary of which is set out in paragraph 5 of Section C of Part V of this document). In addition, for so long as the Shares are admitted to the Official List, Maven VCT 4 is required to abide by applicable Listing Rules including the following:
 - (i) Maven VCT 4 will at all times invest and manage its assets in a way which is consistent with its objective of spreading investment risk and in accordance with its published investment policy;
 - (ii) Maven VCT 4 will not conduct any trading activity which is significant in the context of Maven VCT 4 (or, if applicable, its group as a whole); and
 - (iii) not more than 10% in aggregate of the value of the total assets of Maven VCT 4 at the time the investment is made will be invested in other closed-ended investment funds which are listed on the Official List unless those investment funds have stated investment policies to invest no more than 15% of their total assets in other investment companies which are listed on the Official List.
- (j) Pursuant and subject to the Uncertificated Securities Regulations, the Maven VCT 4 Board may permit title to shares of any class to be evidenced otherwise than by a certificate and title to shares of such a class to be transferred by means of a relevant system and may make arrangements for a class of shares (if all shares of that class are in all respects identical) to become a participating class.
- (k) Subject to the provisions of and to the fullest extent permitted by the Articles, every Maven VCT 4 Director, secretary or other officer of Maven VCT 4 shall be entitled to be indemnified by Maven VCT 4 against all costs, charges, losses, expenses and liabilities incurred by him in the execution and/or discharge of his duties and/or the exercise of his powers and/or otherwise in relation to or in connection with his duties, powers or office.

2. General meetings

- (a) Convening of general meeting

The Board shall convene and the Company shall hold a general meeting as the annual general meeting in accordance with the requirements of the Statutes. Any meeting of the Company other than an annual general meeting shall be called a general meeting. The provisions of the Articles relating to proceedings of general meetings shall apply equally to annual general meetings. The Board may convene a general meeting whenever it thinks fit.

- (b) Notice of general meeting

The annual general meeting and all other general meetings shall be convened by notice in writing or by electronic communication of at least such length as is required in the circumstances by the Statutes. The notice shall specify the place, day and time of the meeting, and the general nature of the business to be transacted. Notice of every general meeting shall be given to all members (other than any who, under the provisions of the Articles or the terms of issue of the shares they hold, are not entitled to receive such notices from the Company), to the Directors and also to the Auditor or, if more than one, each of them.

- (c) Omission or non-receipt of notice

The accidental omission to give any notice of a meeting or the accidental omission to send any document, including an instrument of proxy, relating to any meeting to, or the non-receipt of any such notice or document by, any person entitled to receive the notice or document shall not invalidate the convening of or proceedings at that meeting.

- (d) Quorum at general meetings

No business shall be transacted at any general meeting unless a quorum is present when the meeting proceeds to business, but the absence of a quorum shall not preclude the choice or appointment of a chairman which shall not be treated as part of the business of the meeting. Save as otherwise provided by the Articles, two members present in person or by proxy and entitled to vote shall be a quorum for all purposes.

If within thirty minutes after the time appointed for the commencement of the meeting a quorum is not present, the meeting, if convened by or upon the requisition of members, shall be dissolved. In any other case it shall stand adjourned to such other day and at such time or place as the chairman of the meeting (or, in default, the Board) may decide and the Company shall give not less than ten clear days' notice in writing (or by electronic communication in accordance with the Acts) of the adjourned meeting. At any adjourned meeting one member present in person or by proxy (whatever the number of shares held by him) shall be a quorum and any notice of an adjourned meeting shall state that one member present in person or by proxy (whatever the number of shares held by him) shall be a quorum.

(e) Method of voting

At any general meeting a resolution put to the vote of the meeting shall be decided on a show of hands unless (before or on the declaration of the result of the show of hands or on the withdrawal of any other demand for a poll) a poll is duly demanded. Subject to the Statutes, a poll may be demanded by:

- (v) any member or members present in person or by proxy and representing in the aggregate not less than one tenth of the total voting rights of all the members having the right to attend to vote on the resolution at the meeting, or
- (vi) any member or members present in person or by proxy and holding shares conferring a right to attend and vote on the resolution at the meeting on which there have been paid up sums in the aggregate equal to not less than one tenth of the total sums paid up on all the shares conferring that right.

(f) Voting rights

Subject to any special rights or restrictions as to voting attached to any shares by or in accordance with the Articles, on a show of hands:

- (i) every member who is present in person has one vote;
- (ii) every proxy present who has been duly appointed by one or more members entitled to vote on the resolution has one vote, except that if the proxy has been duly appointed by more than one member entitled to vote on the resolution and is instructed by one or more of those members to vote for the resolution and by one or more others to vote against it, or is instructed by one or more of those members to vote in one way and is given discretion as to how to vote by one or more others (and wishes to use that discretion to vote in the other way) he has one vote for and one vote against the resolution; and
- (iii) each corporate representative present who has been duly authorised by a corporation has the same voting rights as the corporation would be entitled to.

2. Variation of rights

- (a) Subject to the provisions of the Statutes, all or any of the rights for the time being attached to any class of shares for the time being issued from time to time (whether or not the Company is being wound up) be varied either with the consent in writing of the holders of at least 75% in nominal value of the issued shares of that class or with the sanction of an extraordinary resolution passed at a separate general meeting of the holders of those shares.
- (b) All the provisions in the Articles as to general meetings shall mutatis mutandis, apply to any such general meeting, but so that the necessary quorum shall be two persons holding or representing by proxy not less than one third in nominal value of the issued shares of the class, in respect of ordinary shares (but so that any adjourned meeting one holder present in person or by proxy (whatever the number of shares held by him) shall be a quorum), that every holder of shares of the class present in person or by proxy shall be entitled on a poll to one vote for every share of the class held by him (subject to any rights or restrictions attached to any class of shares) and that any holder of shares of the class present in person or by proxy may demand a poll.

3. Transfer of shares

(a) Right to transfer

Subject to such restrictions of the Articles:

- (i) any member may transfer all or any of his uncertificated shares by means of a relevant system in such manner provided for, and subject as provided in the Uncertificated Securities Regulations and the rules of any relevant system, and accordingly no provision of the Articles shall apply in respect of an uncertificated share to the extent that it requires or contemplates the effecting of a transfer by an instrument in writing or the production of a certificate for the share to be transferred; and

(ii) any member may transfer all or any of his certificated shares by an instrument of transfer in any usual form or in any other form which the Board may approve. The instrument of transfer shall be executed by or on behalf of the transferor and (in the case of a partly paid share) by the transferee, and the transferor shall be deemed to remain the holder of the share concerned until the name of the transferee is entered in the Register in respect of it. All instruments of transfer, when registered, may be retained by the Company.

(b) Refusal of registration

The Board may decline to register any transfer of a certificated share unless:

(i) the instrument of transfer is left at the registered office from time to time of the Company or such other place as the Board may from time to time determine, accompanied (save in the case of a transfer by a person to whom the Company is not required by law to issue a certificate and to whom a certificate has not been issued) by the certificate for the share to which it relates and such other evidence as the Board may reasonably require to show the right of the person executing the instrument of transfer to make the transfer;

(ii) (if stamp duty is generally chargeable on transfers of certificated shares) the instrument of transfer is duly stamped or adjudged or certified as not chargeable to stamp duty;

(iii) the instrument of transfer is in respect of only one class of share; and

(iv) in the case of a transfer to joint holders, the number of joint holders to whom the share is to be transferred does not exceed four.

(c) Disclosure of interests in Shares

If any holder of shares, or any other person appearing to be interested in shares is in default in supplying within 14 days after the date of service of a notice requiring such member or other person to supply to the Company in writing all or any such information as is referred to in section 793 of CA 2006, the Directors may give such holder a notice imposing restrictions upon the relevant shares for such period as the default shall continue. The restrictions available in the case of a person with a 0.25% interest are the suspension of voting or other rights conferred by membership in relation to meetings, the withholding of payment of any dividends on, and the restriction of transfer of the relevant shares.

4. Dividends, return of capital and other payments

(a) Declaration of dividends

(i) Subject to the provisions of the Statutes, the Company may by ordinary resolution from time to time declare dividends but no dividend shall exceed the amount recommended by the Board.

(ii) Subject to the provisions of the Statutes, the Board may pay such interim dividends as appear to the Board to be justified by the profits of the Company available for distribution and may also pay any dividend payable at a fixed rate.

(b) Entitlement of dividends

(i) Except in so far as the rights attaching to, or the terms of issue of, any share otherwise provide, all dividends shall be declared and paid according to the amounts paid up on the share in respect of which the dividend is paid, but no amount paid up on a share in advance of calls shall be treated as paid up on the share.

(ii) Any dividend unclaimed after a period of twelve years from the date when it was declared or became due for payment shall be forfeited and shall revert to the Company.

(iii) The Board may, if authorised by an ordinary resolution of the Company, offer any holders of shares the right in the case of holders of shares to elect to receive new ordinary shares credited as fully paid, instead of cash in respect of the whole (or some part, to be determined by the Board) of any dividend specified by the ordinary resolution.

(c) Entitlement of return of capital

Subject to the provisions of the Articles, on a winding up or other return of capital, the net assets of the Company (including any income and/or revenue arising from or relating to such assets) less the Company's liabilities, including fees and expenses of liquidation or return of capital, shall be divided amongst the holders of shares pro

rata according to their holdings of shares.

5. Borrowing powers

- (a) Subject to the other provisions of the Articles, the Board may exercise all the powers of the Company to borrow money and to mortgage or charge all or any part of the undertaking, property and assets (present and future) and uncalled capital of the Company and to issue debentures and other securities, whether outright or as collateral security any debt, liability or obligation of the Company or of any third party.
- (b) The Board shall restrict the borrowings of the Company and exercise all voting and other rights or powers of control exercisable by the Company in relation to its subsidiary undertakings so as to secure (but as regards subsidiary undertakings only in so far as by the exercise of the rights or powers of control the Board can secure) that the aggregate principal amount from time to time outstanding of all borrowings by the Group (exclusive of borrowings owing by one member of the Group to another member of the Group) shall not at any time without the previous sanction of an ordinary resolution of the Company exceed an amount equal to three times the aggregate of the Adjusted Capital and Reserves (provided that, prior to the publication of the first audited balance sheet of the Company, the aggregate principal amount of such borrowing shall not exceed 90% of the amount paid on the issued share capital of the Company, without the previous sanction of an ordinary resolution of the Company).
- (c) The expression "the Adjusted Capital and Reserves" means the aggregate from time to time of:
 - (i) the amount paid upon the issued share capital of the Company;
 - (ii) the amount standing to the credit of the reserves (including any share premium account, capital redemption reserve and special reserve arising through the reduction or cancellation of share premium account) and any credit balance on the revenue account; all as shown by the then latest audited consolidated balance sheet but after:
 - (I) making such adjustments as may be deemed appropriate by the Auditors to reflect any variation in the amount of the paid up share capital, share premium account, capital redemption reserve or special reserve arising through the reduction or cancellation of share premium account since the date of the audited consolidated balance sheet;
 - (II) excluding therefrom (so far as not already excluded) (i) any sums set aside for future taxation; (ii) amounts attributable to outside shareholders in subsidiary undertakings; and
 - (III) deducting therefrom (i) an amount equal to any distribution by the Company out of profits earned prior to the date of its latest audited balance sheet and which have been declared, recommended or made since that date except so far as provided for in such balance sheet; (ii) goodwill and other tangible assets; and (iii) any debit balances on profit and loss account.

6. Directors

- (a) Subject to the provisions of the Articles, and unless otherwise determined by ordinary resolution of the Company, the number of directors (disregarding alternate directors) shall not be less than two nor more than 10.
- (b) Without prejudice to the power of the Company in general meeting pursuant to any of the provisions of the Articles to appoint any person to be a director, the Board may appoint any person who is willing to act to be a director, either to fill a vacancy or as an addition to the existing Board, but so that the total number of directors shall not at any time exceed any maximum number fixed by or in accordance with the Articles.
- (c) At each annual general meeting one third of the directors (or, if their number is not three or an integral multiple of three, then the number nearest to but not exceeding one third) shall retire from office.
- (d) The fees paid to, and benefits in kind received by, the directors for their services in the office of director shall not exceed in aggregate £100,000 per annum (for Maven VCT 3) or £150,000 per annum (for Maven VCT 4) or such higher amount as the Company may from time to time by ordinary resolution determine.

7. Directors' interests

- (a) The Directors may (subject to such terms and conditions, if any, as they think fit to impose from time to time, and subject always to their right to vary or terminate such authorisation) authorise, to the fullest extent permitted by law:
 - (i) any matter which would otherwise result in a Director infringing his duty to avoid a situation in which he has, or can have, a direct or indirect interest that conflicts, or possibly may conflict, with the interests of the Company and which may reasonably be regarded as likely to give rise to a conflict of interest

(including a conflict of interest and duty or conflict of duties); and

- (ii) a Director to accept or continue in any office, employment or position in addition to his office as a director of the Company and without prejudice to the Articles may authorise the manner in which a conflict of interest arising out of such office, employment or position may be dealt with, either before or at the time that such a conflict of interest arises provided that for this purpose the director in question and any other interested director are not counted in the quorum at any board meeting at which such matter, or such office, employment or position, is approved and is agreed to without their voting or would have been agreed to if their votes had not been counted.
- (b) Where any such matter is authorised by the Board, the Director shall not be required to disclose any confidential information relating to such matter, or such office, employment or position, to the Company if to make such a disclosure would result in a breach of a duty or obligation of confidence owed by him in relation to or in connection with that matter, or that office, employment or position.
- (c) Save as otherwise provided by the Articles, a Director shall not vote on, or be counted in the quorum in relation to, any resolution of the Board in respect of any contract in which he has an interest which (taken together with any interest or any person connection with him) is to his knowledge a material interest and, if he shall do so, his vote shall not be counted, but this prohibition shall not apply to any resolution where that material interest arises only from one or more of the following matters:
 - (i) the giving to him of any guarantee, indemnity or security in respect of money lent or obligations undertaken by him or by any other person at the request of or for the benefit of the Company or any of its subsidiary undertakings;
 - (ii) the giving to a third party of any guarantee, indemnity or security in respect of a debt or obligation of the Company or any of its subsidiary undertakings for which he himself has assumed responsibility in whole or in part under a guarantee or indemnity or by the giving of security;
 - (iii) where the Company or any of its subsidiary undertakings is offering securities in which offer the director is or may be entitled to participate as a holder of securities or in the underwriting or sub underwriting of which the director is to participate;
 - (iv) any contract in which he is interested by virtue of his interest in shares or debentures or other securities of the Company or by reason of any other interest in or through the Company;
 - (v) any contract concerning any other company in which he is interested directly or indirectly but in which he does not, to his knowledge, hold an interest in shares (as that term is used in Part VI of the Acts) representing 1% or more of either any class of the equity share capital of, or the voting rights in, such company;
 - (vi) any contract concerning the adoption, modification or operation of a pension fund or retirement, death or disability benefits scheme which relates both to directors and employees of the Company or any of its subsidiary undertakings and does not provide in respect of any director as such any privilege or advantage not accorded to the employees to which the fund or scheme relates;
 - (vii) any contract for the benefit of the employees of the Company or of any of its subsidiary undertakings under which he benefits in a similar manner to the employees and which does not accord to any director as such any privilege or advantage not accorded to the employees to whom the contract relates; and
 - (viii) any contract for the purchase or maintenance of insurance against any liability for, or for the benefit of, any Director or for, or for the benefit of, persons who include Directors.

8. Untraced members

The Company may sell at the best price reasonably obtainable any certificated shares of a member, or any share to which a person is entitled by transmission, provided that:

1. no cash dividend payable on the shares has either been claimed by presentation to the paying bank of the relevant cheque or warrant or been satisfied by the transfer of funds to a bank account designated by the holder of, or person entitled by transmission to, the shares or by the transfer of funds by means of a relevant system at any time during the relevant period;

2. so far as any Director of the Company at the end of the relevant period is then aware, the Company has not at any time during the relevant period received communication from the holder of, or person entitled by transmission to, the shares;
3. the Company has caused two advertisements to be published, one in a newspaper with a national circulation and the other in a newspaper circulating in the area in which the last known address of the holder of, or person entitled by transmission to, the shares or the address at which service of notices may be effected under the Articles is located, giving notice of its intention to sell the shares and a period of three months has elapsed from the date of publication of the advertisements or of the last of the two advertisements to be published if they are published on different dates; and
4. the Company has given notice to the FCA of its intention to make the sale.

9. Capital reserves

At any time when the Company has given notice in the prescribed form (which has not been revoked) to the Registrar of Companies of its intention to carry on business as an investment company (a **Relevant Period**) distribution of the Company's capital profits (as defined in the Acts) shall be prohibited as described below.

The Board shall establish a reserve to be called the "capital reserve" and during any Relevant Period shall either, at the discretion of the Board, carry to the credit of such reserve from time to time all capital profits or appreciations arising on the sale, realisation, transposition, repayment or revaluation of any investment (including, for the avoidance of doubt, any increase in the value of any investments in any subsidiary undertaking or amounts that may be paid by way of subscription under any subscription agreement) or other capital asset of the Company in excess of the book value thereof or apply the same in providing for depreciation or contingencies. Any losses realised on the sale, realisation, repayment or revaluation of any investment or other capital asset and any other expenses, loss or liability (or provision therefore) considered by the Board to be of a capital nature may be carried to the debit of the capital reserve. Subject to the Statutes and without prejudice to the foregoing generality, the Board may also debit the capital reserve with the whole or such part of: (i) any management fees incurred by the Company; and (ii) any finance costs (including, without limitation, any interest payable by the Company in respect of any borrowings of the Company) as may be deemed appropriate by the Board. During a Relevant Period all sums carried and standing to the credit of the capital reserve may be applied for any of the purposes to which sums standing to any reserve under the provisions of Article 127 are applicable, provided that during a Relevant Period no part of the capital reserve or any other moneys in the nature of accretion to capital shall in any event be transferred to the revenue reserves of the Company or be treated or regarded as profits of the Company available for distribution as dividend or any other distribution (within the meaning ascribed thereto by the Acts), otherwise than by way of the redemption or purchase of any of the Company's own shares in accordance with the Acts. In periods other than a Relevant Period, any amount standing to the credit of the capital reserve may be transferred to the revenue reserves of the Company or be regarded or treated as profits of the Company available for distribution (as so defined) or be applied in paying dividends on any shares in the capital of the Company.

10. Duration of the Company

The Board of each Company is required to procure that a continuation resolution is proposed (as to whether the relevant Company shall continue in being as a venture capital trust) at the annual general meeting which is to be held after the fifth anniversary of the last allotment of shares in that Company, and, if that Company has not then been liquidated, unitised or reconstructed, at each fifth subsequent annual general meeting of the relevant Company convened by its directors thereafter.

If, at such meeting, such a resolution is not passed, the Board shall within twelve months of such meeting, convene a general meeting of the Company at which a special resolution shall be proposed for the re-organisation or reconstruction of the Company or (in the event of this resolution not being passed) the winding up of the Company.

2. Valuation policy

- (a) Unquoted investments are valued at fair value through profit or loss in accordance with the International Private Equity and Venture Capital Valuation Guidelines. These guidelines set out recommendations, intended to represent current best practice on the valuation of venture capital investments. These investments are valued on the basis of forward looking estimates and judgments about the business itself, its market and the environment in which it operates, together with the state of the mergers and acquisitions market, stock market conditions and other factors. In making these judgments the valuation, which is undertaken by Maven as part of its role as investment manager of the Company, takes into account all known material facts up to the date of approval of the financial statements by the Board. The fees payable to Maven in relation to its role as investment manager are set out on pages 11 and 12. Investments in quoted or traded companies on a recognised stock exchange, including AIM, are valued at their bid prices.
- (b) Each Company's net asset value is calculated at every quarter and published on an appropriate regulatory information service. The calculation of net asset value of each Company's investments will only be suspended in circumstances where the underlying data necessary to value the investments of that Company cannot readily, or without undue expenditure, be obtained. Shareholders will be notified of any suspension by an announcement published on a

regulatory information service.

3. Custody arrangements

Investments in unquoted portfolio companies are held in the name of the relevant Company. Investments in each the Company's quoted assets are held by JPMorgan Chase Bank as custodian and, in that capacity, JPMorgan Chase Bank is responsible for ensuring safe custody and dealing and settlement arrangements. JPMorgan Chase Bank, National Association, London Branch is a sub-custodian of JPMorgan Chase Bank Association (incorporated on 11 April 1960 and registered as an overseas company in England and Wales under company number FC004891 and with branch number BR000746 and authorised and regulated by the FCA). The fees payable to JPMorgan Chase Bank in relation to its role as custodian is 0.0025% per annum of the market value of the relevant Company's listed investments. JPMorgan is a National Banking Association, organised under the laws of the State of New York and has its registered UK branch at 125 London Wall, London EC2Y 5AJ. Its telephone number at its registered UK branch is 0207 777 2000.

4. Taxation

The following paragraphs, which are intended as a general guide only and are based on current legislation and HMRC practice, summarise advice received by the Directors as to the position of the Shareholders who hold Shares in the Companies other than for trading purposes. Any person who is in any doubt as to their taxation position or is subject to taxation in any jurisdiction other than the United Kingdom should consult their professional advisers.

- (a) **Taxation of dividends** - under current law, no tax will be withheld by the Companies when it pays a dividend.
- (b) **Stamp duty and stamp duty reserve tax** - the Directors have been advised that no stamp duty or stamp duty reserve tax will be payable on the issue of New Shares. The Directors have also been advised that the transfer of Shares in the Companies will, subject to any applicable exemptions, be liable to ad valorem stamp duty at the rate of 0.5% of the consideration paid. An unconditional agreement to transfer such shares if not completed by a duly stamped stock transfer will be subject to stamp duty reserve tax generally at the rate of 50p per £100 (or part thereof) of the consideration paid.
- (c) **Close company** - the Directors of each Company believe that the relevant Company is not, and expect that following the relevant Offer will not be, a close company within the meaning of the Tax Act. If either Company was a close company in any accounting period, approval as a VCT for that Company would be withdrawn.

5. VCT Status

Each Company has to satisfy a number of tests to continue to qualify as a VCT. A summary of these tests is set out below. The following information is based on current UK law and practice and is subject to changes therein, is given by way of a general summary and does not constitute legal or tax advice.

(a) Qualification as a VCT

To qualify as a VCT, a company must be approved as such by HMRC. To obtain such approval it must:

- (i) not be a close company;
- (ii) have each class of its ordinary share capital listed on a regulated market;
- (iii) derive its income wholly or mainly from shares or securities;
- (iv) have at least 80% by VCT Value of its investments in shares or securities in Qualifying Investments of which 70% must be in eligible shares (investments made before 6 April 2018 from funds raised prior to 6 April 2011 are excluded from the eligible shares requirement);
- (v) invest at least 30% of funds raised from any issue of shares in Qualifying Investments by the end of the anniversary of the accounting period in which the funds are raised;
- (vi) have at least 10% by VCT Value of each Qualifying Investment in eligible shares;
- (vii) not have more than 15% by VCT Value of its investments in a single company at the time of investment (other than a VCT or a company which would, if its shares were listed, qualify as a VCT);
- (viii) not retain more than 15% of its income derived from shares and securities in any accounting period;
- (ix) not make an investment in a company which causes that company to receive more than £5 million of Risk Finance State Aid investment (including from VCTs) in the twelve months ending on the date of the investment (£10 million for a Knowledge Intensive Company), or more than £12 million in total (£20 million for a Knowledge Intensive Company);

- (x) not, in respect of any share capital created on or after 6 April 2014, and any reserves created from the cancellation thereof, make any payment or distribution to shareholders out of such share capital and reserves to shareholders within three years from the end of the accounting period in which that share capital was created;
- (xi) not invest in a company whose first commercial sale was more than seven years ago (ten years for a Knowledge Intensive Company) unless the company had previously received Risk Finance State Aid within that period, or the investment meets a turnover test and is used to enter a new market;
- (xii) not invest in a company that uses those funds to acquire a trade, intangible assets in use in a trade or to acquire shares in another company; and
- (xiii) not make a non-Qualifying Investment other than those specified in section 274 of the Tax Act.

The term "eligible shares" means shares which carry no preferential rights to assets on a winding-up and no rights to be redeemed, although they may have certain preferential rights to dividends.

(b) Qualifying Investments

A Qualifying Investment consists of shares or securities first issued to the VCT (and held by it ever since) by a company satisfying the conditions set out in Chapter 4 of Part 6 of the Tax Act.

The conditions are detailed, but include that the company must be a Qualifying Company, have gross assets not exceeding £15 million immediately before and £16 million immediately after the investment, have fewer than 250 full-time equivalent employees (500 for a Knowledge Intensive Company), apply the money raised for the purposes of a qualifying trade within a certain time period, cannot be controlled by another company and at the time of investment did not obtain more than £5 million of Risk Finance State Aid investment (£10 million for a Knowledge Intensive Company) in the 12 month period ending on the date of the investment by the VCT.

(c) Qualifying Companies

A Qualifying Company must be unquoted (for VCT purposes this includes companies whose shares are traded on AIM or AQSE) and must carry on a qualifying trade. For this purpose, certain activities are excluded such as dealing in land or shares or providing financial services. The qualifying trade must either be carried on by, or be intended to be carried on by, the Qualifying Company or by a qualifying subsidiary at the time of the issue of shares or securities to the VCT (and at all times thereafter). The company's first commercial sale must be less than seven years before the first investment from Risk Finance State Aid (ten years for a Knowledge Intensive Company) or the investment must meet a turnover test and be used to enter a new market. The company must have a permanent establishment in the UK, but the company need not be UK resident. A company intending to carry on a qualifying trade must begin to trade within two years of the issue of shares or securities to the VCT and continue it thereafter. A Qualifying Company may have no subsidiaries other than qualifying subsidiaries which must, in most cases, be at least 51% owned.

With effect from 6 April 2012 a "disqualifying purpose" test was introduced under which an investment will not be a Qualifying Investment if the investee company has been set up for the purpose of accessing tax reliefs or is in substance a financing business. With effect from 15 March 2018, there is a "risk-to-capital" condition for Qualifying Investments, designed to focus investments towards earlier stage, growing businesses, and away from investments which could be regarded as lower risk. Any loans made by VCTs must be unsecured.

VCT funds cannot be used by an investee company to fund the purchase of shares in another company or to acquire an existing trade or intangible assets in use in a trade.

(d) Non-Qualifying Investments

From 6 April 2016, a VCT may only make Qualifying Investments or certain Non-Qualifying Investments. Non-Qualifying Investments include short term deposit accounts, investments in UCITS and AIF funds, and shares and securities purchased on a European regulated market.

(e) Approval as a VCT

A VCT must be approved at all times by HMRC. Approval has effect from the time specified at approval. A VCT cannot be approved unless the tests detailed above are met throughout the most recent complete accounting period of the VCT and HMRC is satisfied that they will be met in relation to the accounting period of the VCT which is current when the application is made. However, where a VCT raises further funds, VCTs are given grace periods to invest those funds before those funds need to meet such tests. The Company has received approval as a VCT from HMRC.

- (f) Withdrawal of approval

Approval of a VCT may be withdrawn by HMRC if the various tests set out above are not satisfied. The exemption from corporation tax on capital gains will not apply to any gain realised after the point at which VCT status is lost. Withdrawal of approval generally has effect from time to time when notice is given to the VCT but in relation to capital gains tax of the VCT only can be backdated to not earlier than the first day of the accounting period commencing immediately after the last accounting period of the VCT in which all of the tests were satisfied.

6. Changes to Investment Policy

Each of the Boards is responsible for determining the investment policy of its Company. In accordance with the Listing Rules, a material change in the investment policy of a Company will only be effected with the prior approval of its Shareholders.

7. Conflicts of Interest

The Manager may be involved in other financial, investment or professional activities that may on occasion give rise to conflicts of interest with the Companies. In particular, it currently does, and may continue to, provide investment management, investment advice or other services in relation to a number of other funds or accounts that may have similar investment objectives and/or policies to that of the Companies and may receive ad valorem and/or performance-related fees for doing so. As a result, the Manager may have conflicts of interest in allocating investments among the Companies and other clients and in effecting transactions between the Companies and other clients. The Manager may give advice or take action with respect to such other clients that differs from the advice given or actions taken with respect to the Companies. The Boards of the Companies have noted that the Manager has other clients and have satisfied themselves that the Manager has procedures in place to address potential conflicts of interest.

8. Overseas Investors

- (a) No person receiving a copy of the Prospectus in any territory other than the UK may treat the same as constituting an invitation or offer unless, in the relevant territory, such an invitation or offer could be lawfully made to him without contravention of any registration or other legal requirements.
- (b) The distribution of the Prospectus in jurisdictions other than the UK may be restricted by law and therefore persons into whose possession the Prospectus comes should inform themselves about and observe any of these restrictions. Any failure to comply with any of those restrictions may constitute a violation of the securities law of any such jurisdiction.
- (c) It is the responsibility of any person outside the UK wishing to make an application to satisfy himself as to the full observance of the laws of the relevant territory in connection therewith, including obtaining any requisite governmental or other consents, observing any other formalities required to be observed in such territory and paying any issue, transfer or other taxes required to be paid in such territory.
- (d) No action has been taken to permit the distribution of the Prospectus in any jurisdiction outside the UK where such action is required to be taken.
- (e) None of the New Shares have been, nor will be, registered in the United States under the United States Securities Act of 1933, as amended, (the Securities Act) or under the securities laws of any Restricted Territory and they may not be offered or sold directly or indirectly within the United States or any of the Restricted Territories or to, or for the account or benefit of US Persons (as defined in Regulation S made under the Securities Act) or any national, citizen or resident of the United States or any of the Restricted Territories. The Offers are not being made, directly or indirectly, in or into the United States or any of the Restricted Territories or in any other jurisdiction where to do so would be unlawful. In particular, prospective shareholders who are resident in the United States or any Restricted Territory should note that this document is being sent for information purposes only.
- (f) All applicants under the Offers will be required to warrant that they are not a US Person (within the meaning of Regulation S made under the United States Securities Act of 1933, as amended), nor a resident, national or citizen of a Restricted Territory.

PART VI: TAX POSITION FOR INVESTORS

1. Tax Reliefs

The following is only a summary of the current law concerning the tax position of individual Qualifying Investors in VCTs. Potential investors are recommended to consult a duly authorised independent financial adviser as to the taxation consequences of an investment in a VCT. Qualifying Investors need not be resident in the UK, but such investors are recommended to seek advice regarding their overseas tax position. The tax rules or their interpretation in relation to an investment in the Companies and/or rates of tax may change during the life of the Companies and can be retrospective.

The tax reliefs set out below are those currently available to individuals aged 18 or over who subscribe for New Shares under the Offers and will be dependent on personal circumstances. Whilst there is no specific limit on the amount of an individual's acquisition of shares in a VCT, tax reliefs will only be given to the extent that the total of an individual's subscriptions or other acquisitions of shares in VCTs in any tax year does not exceed £200,000. Qualifying Investors who intend to invest more than £200,000 in VCTs in any one tax year should consult their professional advisers.

1.1 Income Tax

1.1.1 Relief from Income Tax on Investment

A Qualifying Investor subscribing for New Shares will be entitled to claim income tax relief on amounts subscribed up to a maximum of £200,000 invested in VCTs in any tax year.

The relief is given at the rate of 30% on the amount subscribed regardless of whether the Qualifying investor is a higher rate, additional rate or basic rate tax payer, provided that the relief is limited to the amount which reduces the Qualifying Investor's income tax liability to nil. Investments to be used as security for or financed by loans may not qualify for relief, depending on the circumstances. It is not necessary for the Qualifying Investor to be UK resident, but to obtain income tax relief they must have some liability to UK income tax in the tax year of subscription for New Shares.

1.1.2 Relief from Tax on Dividends

A Qualifying Investor, who acquires shares in VCTs in any tax year having a value of up to a maximum of £200,000, will not be liable to income tax on dividends paid on those shares and there is no withholding tax thereon.

1.1.3 Purchases in the Market

A Qualifying Investor who purchases existing shares in the market will be entitled to claim dividend relief (as described in paragraph 1.1.2 above) but not relief from income tax on investment (as described in paragraph 1.1.1 above).

1.1.4 Withdrawal of Relief

Relief from income tax on a subscription for VCT shares (including new shares) will be withdrawn if the VCT shares are disposed of (other than between spouses or on death) within five years of issue or if the VCT loses its approval within this period as detailed below. There should be no loss of relief from tax on dividends or capital gains tax on disposal if the VCT shares are disposed of within five years of their issue.

Dividend relief ceases to be available if the VCT loses its approval within this period as detailed below.

1.2 Capital Gains Tax

1.2.1 Relief from capital gains tax on the disposal of VCT shares

A disposal by a Qualifying Investor of VCT shares will give rise to neither a chargeable gain nor an allowable loss for the purposes of UK capital gains tax. The relief is limited to the disposal of VCT shares acquired within the limit of £200,000 for any tax year.

1.2.2 Purchases in the Market

An individual purchaser of existing shares in the market will be entitled to claim relief from capital gains tax on disposal (as described in paragraph 1.2.1 above).

1.3 Acquisition and Disposals of Shares in the same VCT

The disposal of existing shares in a VCT within six months either side of the subscription for new shares in the same VCT, or another VCT which it is known intends to merge with that VCT, (or otherwise where the acquisition and purchase is linked) will result in the amount of the investment in the new shares in the VCT to which VCT tax reliefs are available being reduced by an amount equal to the proceeds received on the disposal.

1.4 Loss of VCT Approval

For each of the Companies to be fully approved as a VCT it must meet the various requirements for full approval as set out below. If the Company, which has been granted approval as a VCT, subsequently fails to comply with the VCT conditions for approval, approval as a VCT may be withdrawn. In these circumstances, relief from income tax on the initial investment is repayable unless loss of approval occurs more than five years after the issue of the relevant VCT shares. In addition, relief ceases to be available on any dividend paid in respect of profits or gains in any accounting period ending when VCT status has been lost and any gains on the VCT shares up to the date from which loss of VCT status is treated as taking effect will be exempt but gains thereafter will be taxable.

2. Illustration of Effect of Tax Relief for Qualifying Investors

The table below has been prepared for illustrative purposes only and does not form part of the summary of the tax reliefs contained in this Section. The table shows how the initial income tax relief available can reduce the effective cost of an investment of £10,000 in a VCT by a Qualifying Investor subscribing for VCT shares to only £7,000:

	Amount invested	Effective cost	Tax relief*
Investors unable to claim income tax relief	£10,000	£10,000	Nil
Qualifying Investor able to claim full 30% income tax relief	£10,000	£7,000	£3,000

* Income tax relief is only available if the shares are held for the minimum holding period of five years (the sale of shares within this period will require the repayment of some or all of any initial income tax relief obtained on the investment). The limit for obtaining income tax relief on investments in VCTs is £200,000 in each tax year (see paragraph 1.1.1 on page 49).

3. Obtaining Tax Reliefs

The Companies will each provide to a Qualifying Investor a certificate which the Qualifying Investor may use to claim income tax relief, either by obtaining from HMRC an adjustment to his tax coding under the PAYE system or by waiting until the end of the tax year and using his tax return to claim relief.

4. Inheritance Tax

As shares in a VCT are listed on the Main Market of the London Stock Exchange, there is no relief from UK inheritance tax on VCT shares.
