

Digital Samba Customer Agreement

Effective starting: April 10, 2015

Last updated: May 11, 2021 (Change of Jurisdiction to New York, added language for indemnity against NPE claims)

This Digital Samba Customer Agreement (the “**Agreement**”) is between you and Digital Samba SL (“**Digital Samba**”). If you are agreeing to this Agreement not as an individual but on behalf of your company, then “**Customer**” or “**you**” means your company, and you are binding your company to this Agreement. If you are under 18, or if you are considered a minor in your country, region or state, you must obtain the consent of your parent or legal guardian before accessing, registering or otherwise using Digital Samba products. Digital Samba may modify this Agreement from time to time, subject to the terms in Section 26 (Changes to this Agreement) below.

You assent to be bound by this Agreement

1) by completing an Order when signing the Order Form, or

- 2) by completing an Order through the online signup process at digitalsamba.com, or
- 3) by using or accessing Digital Samba products.

1. Scope of the Agreement.

This Agreement governs your initial purchase as well as any future purchases made by you that reference this Agreement. This Agreement includes any Orders, supplemental policies and agreements it refers to, including but not limited to the following: [Privacy Policy](#), [Acceptable Use Policy](#), [Fair Use Policy](#), [Support Policy](#), [Service Level Policy](#), [Third Party Code in Digital Samba Products](#) and [Reporting Copyright and Trademark Violations](#).

2. Types of Digital Samba Products and Services.

All references in this document to Samba Live shall synonymously also apply to the products' previous brand name, OnSync. Digital Samba offers a wide range of products, including Samba Live Web-Conferencing, Samba Live API, PhoneSync Server, Samba Live Media Converter Server, Samba Live Edge Servers, Samba Live Redundancy Suite, Samba Live application sharing plugins, Samba Live mobile applications, Samba Live SystemCheck, Samba Live Outlook plugin and related Documentation which are governed by this agreement and are referred to as "**Products**". The Products and their permitted use are further described in Digital Samba's standard documentation ("**Documentation**"). The Products are made available as follows:

- (a) Commercially available to be installed and operated on server infrastructure not managed by Digital Samba (currently designated as "Self-Hosted" or "Server" deployments) ("**Software**"), or
- (b) Installed and operated on the fully-managed Digital Samba Samba Live cloud infrastructure as (i) a private server instance (currently designated as "Cloud Hosted", "Cloud Server", "Cloud Instance", "Hosted Server" or "Hosted Instance" deployments) ("**Cloud Server**") or (ii) as an individual named user account (currently designated as "Host", "Plan", "Account", or "Company Account") ("**Named User Cloud Account**") both of which are collectively referred to as the "**Hosted Services**".

In addition, Digital Samba may also provide related support, training, integration, development, system administration or maintenance services ("**Additional Services**").

Section 6 (Software Terms) applies specifically to Software, and Section 7 (Hosted Services Terms) applies specifically to Hosted Services, but unless otherwise specified, other provisions of this Agreement apply to all Products.

3. Scope of Use.

The scope of use for the Products may include: limits on disk space, port speed, traffic or other capacity metrics as may be specified in the [Fair Use Policy](#) (for Hosted Services), limits on numbers of licenses, installations or instances allowed (for Software), limits on concurrent users, the right to resell access, the right to apply custom branding, the right to use certain components of the Products, and various additional limitations or restrictions on use as may be specified in the Order or elsewhere (for both Hosted Services and Software)(as applicable, the "**Scope of Use**").

4. Orders.

4.1. Directly with Digital Samba. Digital Samba's Order Form or online signup process at digitalsamba.com ("**Order**") will specify your authorized Scope of Use for the Products. The term "**Order**" also includes any applicable Product or Support and Maintenance renewal, or purchases you make to increase or upgrade your Scope of Use.

4.2. Reseller Orders. This Agreement applies whether you purchase our Products directly from Digital Samba or through Digital Samba partners or other authorized resellers (each, a "**Reseller**"). If you purchase through a Reseller, your Scope of Use shall be as stated in the Order placed by Reseller for you, and Reseller is responsible for the accuracy of any such Order. Resellers are not authorized to make any promises or commitments on Digital Samba's behalf, and we are not bound by any obligations to you other than what we specify in this Agreement.

5. End Users.

By providing access to the Software or Hosted Services to your or your Affiliates' employees, representatives, consultants, contractors, agents, leads, customers or other third parties (your "**End Users**") you will be responsible for their use of the Software or Hosted Service. Accordingly, you must enter into valid, binding agreements with your End Users that require them to comply with the applicable terms of the Agreement, including any conditions or restrictions with respect to Scope of Use, use of, or access to, the Software or Hosted Services. You are responsible for compliance with this Agreement by your End Users. "**Affiliate**" means an entity which, directly or indirectly, owns or controls, is owned or is controlled by or is under common ownership or control with a party, where "control" means the power to direct the management or affairs of an entity, and "ownership" means the beneficial ownership of 50% (or, if the applicable jurisdiction does not allow majority ownership, the maximum amount permitted under such law) or more of the voting equity securities or other equivalent voting interests of the entity. For the avoidance of doubt, providing such access to End Users does not mean that you may distribute, resell, or OEM any Software or Hosted Services, or make the Products available to your customers on a standalone basis. You may however have the right to resell access to your instance of the Products, if the terms of your Order include the right to resell such access. Digital Samba will not have any direct or indirect liability or obligation to any of your End Users. For the avoidance of doubt, your End Users are not parties to, or third party beneficiaries under, the Agreement. You will defend, indemnify and hold harmless Digital Samba from and against any loss, cost, liability or damage, including attorneys' fees, arising from or relating to any claim brought against us by or on behalf of your End Users arising out of their use of the Software or Hosted Services, the use of the Software or Hosted Services by other End Users, or the performance, non-performance or breach of this Agreement by you.

6. Software Terms.

6.1. Your License Rights. Subject to the terms and conditions of this Agreement, Digital Samba grants you a non-exclusive, non-sublicensable and non-transferable license to install and use the Software during the applicable License Term (as defined below) in accordance with this Agreement, your applicable Scope of Use, and the Documentation. The term of each Software license ("**License Term**") will be specified in your Order as "Contract Duration" or similar term. Your License Term will end upon any termination of this Agreement, even if it is identified as "perpetual" or if no expiration date is specified in

your Order. The Software requires a license key in order to operate, which will be delivered as described in Section 10.2 (Delivery).

6.2. Renewals. Except as otherwise specified in your Order, the License Term will automatically renew for the term specified in your Order as “Contract Renewal Duration” or similar, or, in the absence of any specific provision in the Order, for periods equal to your initial License Term (and you will be charged at the then-current rates) unless you cancel by providing timely notice (as specified in section 27.1 Notice).

6.3. Number of Instances. Unless otherwise specified in your Order, for each Software license that you purchase, you may install one production instance of the Software on systems owned or operated by you (or by your third party service providers, on or for your behalf, so long as you remain responsible for their compliance with the terms and conditions of this Agreement). Hosted Services are not available to be operated outside Digital Samba’s systems.

6.4. Your Modifications. Subject to the terms and conditions of this Agreement (including without limitation Section 2 (Combining the Products with Open Source Software) of [Third Party Code in Digital Samba Products](#)): (1) for any elements of the Software provided by Digital Samba in source code form, and to the extent permitted in the Documentation, you may modify such source code solely for purposes of implementing permitted customizations for the Software and (2) you may also modify the Documentation to reflect your permitted modifications of the Software source code or the particular use of the Products within your organization. Any modified source code or Documentation constitutes “**Your Modifications**”. You may use Your Modifications solely with respect to your own instances in support of your permitted use of the Software but you may not distribute the code to Your Modifications to any third party. Notwithstanding anything in this Agreement to the contrary, Digital Samba has no support, warranty, indemnification or other obligation or liability with respect to Your Modifications or their combination, interaction or use with our Products. You shall indemnify, defend and hold us harmless from and against any and all claims, costs, damages, losses, liabilities and expenses (including reasonable attorneys’ fees and costs) arising out of or in connection with any claim brought against us by a third party relating to Your Modifications (including but not limited to any representations or warranties you make about Your Modifications or the Software, or infringement, violation or misappropriation of any third party intellectual property and other proprietary rights) or your breach of this Section 6.4. This indemnification obligation is subject to your receiving (i) prompt written notice of such claim (but in any event notice in sufficient time for you to respond without prejudice), provided that Digital Samba’s failure to notify you shall not alter or relieve you of your obligations hereunder; (ii) the exclusive right to control and direct the investigation, defense, or settlement of such claim, provided that Digital Samba may select its own counsel and direct its own defense of the claim, at its own expense; and (iii) all reasonably necessary cooperation of Digital Samba at your expense. You may not, without Digital Samba’s consent, settle any such claim against Digital Samba unless such settlement releases all liability of Digital Samba and does not impose any injunctive relief against Digital Samba or contain terms governing future activities that would materially adversely affect Digital Samba’s business or interests.

6.5. Third Party Code. The Software includes code and libraries licensed to us by third parties, including open source software. See [Third Party Code in Digital Samba Products](#) for additional provisions regarding our use of third party code.

7. Hosted Services Terms.

7.1. Access to Hosted Services. Subject to the terms and conditions of this Agreement, Digital Samba grants you a non-exclusive right to access and use the Hosted Services during the applicable Subscription Term (as defined below) in accordance with this Agreement, your applicable Scope of Use and the Documentation. If Digital Samba offers client software (e.g., a desktop or mobile application) for any Hosted Service, you may use such software solely with the Hosted Service, subject to the terms and conditions of this Agreement. You acknowledge that our Hosted Services are online, subscription-based products and that we may make changes to the Hosted Services from time to time.

7.2. Subscription Terms and Renewals. Hosted Services are provided on a subscription basis for a set term specified in your Order as Monthly or Annual Plan or Charge, Contract Duration, or similar (“**Subscription Term**”). Except as otherwise specified in your Order, all subscriptions will automatically renew for the term specified in your Order as Contract Renewal Duration or similar, or, in the absence of that, for periods equal to your initial Subscription Term (and you will be charged at the then-current rates) unless you cancel your subscription by providing Notice (as defined below).

7.3. Credentials. You must ensure that all users of the Products keep their user IDs and passwords for the Hosted Services strictly confidential and not share such information with any unauthorized person. User IDs are granted to individual, named persons and may not be shared. You are responsible for any and all actions taken using your accounts and passwords, and you agree to immediately notify Digital Samba of any unauthorized use of which you become aware.

7.4. Your Data. “**Your Data**” means any data, content, code, video, images or other materials of any type that you upload, submit or otherwise transmit to or through Hosted Services. You will retain all right, title and interest in and to Your Data in the form provided to Digital Samba. Subject to the terms of this Agreement, you hereby grant to Digital Samba a non-exclusive, worldwide, royalty-free right to (a) collect, use, copy, store, transmit, modify and create derivative works of Your Data, in each case solely to the extent necessary to provide the applicable Hosted Service to you and (b) for Hosted Services that enable you to share Your Data or interact with other people, to distribute and publicly perform and display Your Data as you (or your users) direct or enable through the Hosted Service. Digital Samba may also access your account or instance in order to respond to your support requests.

7.5. Security. Digital Samba implements security procedures to help protect Your Data from security attacks. However, you understand that use of the Hosted Services necessarily involves transmission of Your Data over networks that are not owned, operated or controlled by us, and we are not responsible for any of Your Data lost, altered, intercepted or stored across such networks. We cannot guarantee that our security procedures will be error-free, that transmissions of Your Data will always be secure or that

unauthorized third parties will never be able to defeat our security measures or those of our third party service providers.

7.7. Responsibility for Your Data.

7.7.1. General. You must ensure that your use of Hosted Services and all Your Data is at all times compliant with our [Acceptable Use Policy](#) and all applicable local, state, federal and international laws and regulations (“**Laws**”). You represent and warrant that: (i) you have obtained all necessary rights, releases and permissions to provide all Your Data to Digital Samba and to grant the rights granted to Digital Samba in this Agreement and (ii) Your Data and its transfer to and use by Digital Samba as authorized by you under this Agreement do not violate any Laws (including without limitation those relating to export control and electronic communications) or rights of any third party, including without limitation any intellectual property rights, rights of privacy, or rights of publicity, and any use, collection and disclosure authorized herein is not inconsistent with the terms of any applicable privacy policies. Other than its security obligations under Section 7.5 (Security), Digital Samba assumes no responsibility or liability for Your Data, and you shall be solely responsible for Your Data and the consequences of using, disclosing, storing, or transmitting it.

7.7.2. Sensitive Data. You will not submit to the Hosted Services (or use the Hosted Services to collect): (i) any personally identifiable information, except as necessary for the establishment of your Digital Samba account; (ii) any patient, medical or other protected health information regulated by HIPAA or any similar federal or state laws, rules or regulations; or (iii) any other information subject to regulation or protection under specific laws such as the Gramm-Leach-Bliley Act (or related rules or regulations) ((i) through (iii), collectively, “**Sensitive Data**”). You also acknowledge that Digital Samba is not acting as your Business Associate or subcontractor (as such terms are defined and used in HIPAA) and that the Hosted Services are not HIPAA compliant. “**HIPAA**” means the Health Insurance Portability and Accountability Act, as amended and supplemented. Notwithstanding any other provision to the contrary, Digital Samba has no liability under this Agreement for Sensitive Data.

7.7.3. Indemnity for Your Data. You will defend, indemnify and hold harmless Digital Samba from and against any loss, cost, liability or damage, including attorneys’ fees, for which Digital Samba becomes liable arising from or relating to any claim relating to Your Data, including but not limited to any claim brought by a third party alleging that Your Data, or your use of the Hosted Services in breach of this Agreement, infringes or misappropriates the intellectual property rights or other proprietary or privacy rights of a third party or violates applicable law. This indemnification obligation is subject to your receiving (i) prompt written notice of such claim (but in any event notice in sufficient time for you to respond without prejudice), provided that Digital Samba’s failure to notify you shall not alter or relieve you of your obligations hereunder; (ii) the exclusive right to control and direct the investigation, defense, or settlement of such claim, provided that Digital Samba may select its own counsel and direct its own defense of the claim, at its own expense; and (iii) all reasonable necessary cooperation of Digital Samba at your expense. You may not, without Digital Samba’s consent, settle any such claim against Digital Samba unless such settlement releases all liability of Digital Samba

and does not impose any injunctive relief against Digital Samba or contain terms governing future activities that would materially adversely affect Digital Samba's business or interests.

7.8. Removals and Suspension. Digital Samba has no obligation to monitor any content uploaded to the Hosted Services. Nonetheless, if we deem such action necessary based on your violation of this Agreement or in response to takedown requests that we receive following our guidelines for [Reporting Copyright and Trademark Violations](#), we may (1) remove Your Data from the Hosted Services or (2) suspend your access to the Hosted Services. We will generally alert you when we take such action and give you a reasonable opportunity to cure your breach, but if we determine that your actions endanger the operation of the Hosted Service or other users, we may suspend your access immediately without notice. You will continue to be charged for the Hosted Service during any suspension period. We have no liability to you for removing or deleting Your Data from or suspending your access to any Hosted Services as described in this section.

7.8.1. Suspension of Services for Non-Payment.

Digital Samba may suspend its provision of the Hosted Services if you fail to pay all fees when they are due, if within 5 business days of the payment being due, Digital Samba notifies you of the failure to pay, and you do not make the payment within 5 business days after receiving Digital Samba's notice. You will continue to be charged for the Hosted Service during any suspension period. Digital Samba shall resume providing the Hosted Services when you have paid all outstanding fees. We have no liability to you for any liabilities, claims, or expenses arising out of the suspension of the Hosted Services under this section.

7.9. Deletion at End of Subscription Term. We may remove or delete Your Data within a reasonable period of time after the termination of your Subscription Term.

7.10. Account Registration. You may need to register for a Digital Samba or Samba Live account in order to place orders or access or receive any Products. Any registration information that you provide to us must be accurate, current and complete. You must also update your information so that we may send notices, statements and other information to you by email or through your account. You are responsible for all actions taken through your accounts.

7.11. Service Level. Our Hosted Services are subject to our [Service Level Policy](#).

8. Support and Maintenance.

Digital Samba will provide the support and maintenance services for the Products described in the [Support Policy](#) ("**Support and Maintenance**") during the period for which you have paid the applicable fee. Support and Maintenance is subject to the terms of the Support Policy and will be provided at the support level and during the support term specified in your Order. The Support Policy may be modified by Digital Samba from time to time to reflect process improvements or changing practices. Support and Maintenance for Software includes access to New Releases, if and when available. You may use any New Releases that we provide to you during a valid support term in the same way that you use the

Software, and New Releases are included in the definition of Software in that case. “**New Releases**” are bug fixes, patches, major or minor releases, or any other changes, enhancements, or modifications to the Software that we make generally commercially available.

9. Attribution.

Unless you have paid to remove any mention of Digital Samba on the Software (also known as “Deep Branding” or “White Label”) all attribution to Digital Samba must remain intact and may not be tampered with, including all copyright, licensing terms, and hyperlinks pointing to www.digitalsamba.com or a related site.

10. Returns and Financial Terms.

10.1. Return Policy. Digital Samba does not offer a return policy. We do however provide various ways of trying out the Products before buying, including time or feature limited free trials (see section 11). You understand that Digital Samba may change this practice in the future in accordance with Section 26 (Changes to this Agreement).

10.2. Delivery. In the case of Named User Cloud Accounts, we will deliver the login instructions to the email address specified in your Order once we have received payment of the applicable fees. For Software we will carry out the installation on your infrastructure once (i) the infrastructure has been prepared by you and access to it has been provided to us as required by the Documentation, (ii) we have received all the required custom configuration information from you to carry out the installation, and (iii) we have received payment of the applicable fees. For Cloud Servers we will carry out the installation on our infrastructure once (i) we have received all the required custom configuration information from you to carry out the installation, and (ii) we have received payment of the applicable fees. All deliveries under this Agreement will be electronic.

10.3. Payment. You agree to pay all fees in accordance with each Order. Unless otherwise specified in your Order, you will pay all amounts at the time you place it, in the currency specified in your Order. All amounts are non-refundable, non-cancelable and non-creditable. In making payments, you acknowledge that you are not relying on future availability of any Products beyond the current License Term or Subscription Term or any Product upgrades or feature enhancements. If you add Scope of Use extensions during your License Term or Subscription Term, we will charge you for the increased Scope of Use pursuant to the then-currently applicable rates in your next billing cycle. You agree that we may bill your credit card for fees due, as applicable. If you purchase any Products through a Reseller, you owe payment to the Reseller as agreed between you and the Reseller, but you acknowledge that we may terminate your rights to use Products if we do not receive our corresponding payment from the Reseller. Similarly, if you purchase Products directly from Digital Samba, you acknowledge that we may suspend your rights to use Products if we do not receive payment from you, if within 5 business days of the payment being due, Digital Samba notifies you of the failure to pay, and you do not make the payment within 5 business days after receiving Digital Samba’s notice. You will continue to be charged for Products during any suspension period. Digital Samba shall resume providing the Products when you have paid all

outstanding fees. We have no liability to you for any liabilities, claims, or expenses arising out of the suspension of the Products under this section.

10.4. Taxes. Your payments under this Agreement exclude any taxes or duties payable in respect of the Products in the jurisdiction where the payment is either made or received. To the extent that any such taxes or duties are payable by Digital Samba, you must pay to Digital Samba the amount of such taxes or duties in addition to any fees owed under this Agreement. Notwithstanding the foregoing, you may have obtained an exemption from relevant taxes or duties as of the time such taxes or duties are levied or assessed. In that case, you will have the right to provide to Digital Samba any such exemption information, and Digital Samba will use reasonable efforts to provide such invoicing documents as may enable you to obtain a refund or credit for the amount so paid from any relevant revenue authority if such a refund or credit is available.

11. No-Charge Products.

We may offer certain Products to you at no charge, including free accounts, trial use, and access to Beta Versions as defined below (“**No-Charge Products**”). Your use of No-Charge Products is subject to any additional terms that we specify and is only permitted for the period designated by us. You may not use No-Charge Products for competitive analysis or similar purposes. We may terminate your right to use No-Charge Products at any time and for any reason in our sole discretion, without liability to you. You understand that any pre-release and beta products we make available (“**Beta Versions**”) are still under development, may be inoperable or incomplete and are likely to contain more errors and bugs than generally available Products. We make no promises that any Beta Versions will ever be made generally available. In some circumstances, we may charge a fee in order to allow you to access Beta Versions, but the Beta Versions will still remain subject to this Section 11 (No-Charge Products). All information regarding the characteristics, features or performance of Beta Versions constitutes Digital Samba’s Confidential Information. To the maximum extent permitted by applicable law, we disclaim all Digital Samba’s obligations or liabilities with respect to No-Charge Products, including any Support and Maintenance, warranty, and indemnity obligations.

12. Restrictions.

Except as otherwise expressly permitted in this Agreement (in particular with regards to the available license options granting the rights to resell access and to remove Digital Samba branding), you will not: (a) rent, lease, reproduce, modify, adapt, create derivative works of, distribute, sell, sublicense, transfer, or provide access to the Products to a third party, (b) use the Products for the benefit of any third party, (c) incorporate any Products into a product or service you provide to a third party, (d) interfere with any license key mechanism in the Products or otherwise circumvent mechanisms in the Products intended to limit your use, (e) reverse engineer, disassemble, decompile, translate, or otherwise seek to obtain or derive the source code, underlying ideas, algorithms, file formats or non-public APIs to any Products, except as permitted by law, (f) remove or obscure any proprietary or other notices contained in any Product, or (g) publicly disseminate information regarding the performance of the Products.

13. Your Development of Add-Ons.

13.1. License to Developer Guides. From time to time, Digital Samba may publish API’s or SDK’s and

associated guidelines (“**Developer Guides**”) to allow you to develop extensions, add-ons or other software products or services that interoperate or integrated the Products or parts thereof (“**Add-Ons**”). You may distribute your Add-Ons to third parties, but only for those Products permitted by Digital Samba, and only in accordance with the Developer Guides.

13.2. Conditions to Development of Add-Ons. Notwithstanding anything in this Agreement to the contrary, Digital Samba has no support, warranty, indemnification or other obligation or liability with respect to your Add-Ons or their combination, interaction or use with the Products. You shall indemnify, defend and hold us harmless from and against any and all claims, costs, damages, losses, liabilities and expenses (including reasonable attorneys’ fees and costs) arising out of or in connection with any claim brought against us by a third party relating to your Add-Ons (including but not limited to any representations or warranties you make about your Add-Ons) or your breach of this Section.

14. License Certifications and Audits.

At our request, you agree to provide a signed certification that you are using all Products pursuant to the terms of this Agreement, including the Scope of Use. You agree to allow us, or our authorized agent, to audit your use of the Products. We will provide you with at least 10 days advance notice prior to the audit, and the audit will be conducted during normal business hours. We will bear all out-of-pocket costs that we incur for the audit, unless the audit reveals that you have exceeded the Scope of Use. You will provide reasonable assistance, cooperation, and access to relevant information in the course of any audit at your own cost. If you exceed your Scope of Use, we may invoice you for any past or ongoing excessive use, and you will pay the invoice promptly after receipt. This remedy is without prejudice to any other remedies available to Digital Samba at law or equity or under this Agreement. To the extent we are obligated to do so, we may share audit results with certain of our third party licensors or assign the audit rights specified in this Section to such licensors.

15. Ownership and Feedback.

Products are made available on a limited license or access basis, and no ownership right is conveyed to you, irrespective of the use of terms such as “purchase” or “sale”. Digital Samba and its licensors have and retain all right, title and interest, including all intellectual property rights, in and to the Products (including all No-Charge Products), their “look and feel”, any and all related or underlying technology, and any modifications or derivative works of the foregoing created by or for Digital Samba, including without limitation as they may incorporate Feedback (“**Digital Samba Technology**”). From time to time, you may choose to submit comments, information, questions, data, ideas, description of processes, or other information to Digital Samba, including sharing Your Modifications or in the course of receiving Support and Maintenance (“**Feedback**”). You have and retain all right, title and interest, including all intellectual property rights, in and to the Feedback. You hereby grant Digital Samba the perpetual, worldwide, freely transferable and sublicensable right and license to freely use, reproduce, copy, disclose, license, distribute, display, perform, exploit and make derivative works from any Feedback, in connection with any of its products or services, in any manner without any obligation, royalty or restriction based on intellectual property rights or otherwise. No Feedback will be considered your Confidential Information, and nothing in

this Agreement limits Digital Samba's right to independently use, develop, evaluate, or market products, whether incorporating Feedback or otherwise.

16. Confidentiality.

Except as otherwise set forth in this Agreement, each party agrees that all code, inventions, know-how, business, technical and financial information disclosed to such party ("**Receiving Party**") by the disclosing party ("**Disclosing Party**") constitute the confidential property of the Disclosing Party ("**Confidential Information**"), provided that it is identified as confidential at the time of disclosure. Any Digital Samba Technology and any performance information relating to the Products shall be deemed Confidential Information of Digital Samba without any marking or further designation. Except as expressly authorized herein or in otherwise, in writing, by the Disclosing Party, the Receiving Party will hold in confidence and not use or disclose any Confidential Information. The Receiving Party's nondisclosure obligation shall not apply to information which the Receiving Party can document: (i) was rightfully in its possession or known to it prior to receipt of the Confidential Information; (ii) is or has become public knowledge through no fault of the Receiving Party; (iii) is rightfully obtained by the Receiving Party from a third party without breach of any confidentiality obligation; or (iv) is independently developed by employees of the Receiving Party who had no access to or knowledge of such information. The Receiving Party may also disclose Confidential Information if so required pursuant to a regulation, law or court order (but only to the minimum extent required to comply with such regulation or order and with advance notice to the Disclosing Party). The Receiving Party acknowledges that disclosure of Confidential Information would cause substantial harm for which damages alone would not be a sufficient remedy, and therefore that upon any such disclosure by the Receiving Party the Disclosing Party shall be entitled to appropriate equitable relief in addition to whatever other remedies it might have at law. For the avoidance of doubt, this Section shall not operate as a separate warranty with respect to the operation of any Product. You shall limit access to Confidential Information to personnel for whom such access is reasonably necessary for the proper use of the Products under this Agreement. Such personnel shall be bound by written confidentiality obligations not less restrictive than those provided for herein. You will be responsible for any breach of this Agreement by any of your personnel, including employees, contractors and End Users. Receiving Party shall protect the Confidential Information with the same degree of care, but no less than a reasonable degree of care, to prevent unauthorized disclosure or use of Confidential Information, as it exercises in protecting its own proprietary information.

17. Term and Termination; Liquidation.

17.1 Term and Termination. This Agreement is in effect for as long as you have a valid License Term or Subscription Term (the "Term"), unless sooner terminated as permitted in this Agreement. Either party may terminate this Agreement before the expiration of the Term if the other party materially breaches any of the terms of this Agreement and does not cure the breach within thirty (30) days after written notice of the breach. Either party may also terminate the Agreement before the expiration of the Term if the other party ceases to operate, declares bankruptcy, or becomes insolvent or otherwise unable to meet its financial obligations. You may terminate this Agreement at any time (subject to notice given to us, if applicable, as specified in section 27.1 Notice), but you will not be entitled to any credits or refunds as a result of convenience termination for prepaid but unused Software, Hosted Services subscriptions, or Support and Maintenance. Except where an exclusive remedy may be specified in this Agreement, the exercise by either party of any remedy, including termination, will be without prejudice to any other

remedies it may have under this Agreement, by law, or otherwise. Once the Agreement terminates, you (and your users) will no longer have any right to use or access any Products, or any information or materials that we make available to you under this Agreement, including Digital Samba Confidential Information. You are required to delete any of the foregoing from your systems as applicable (including any third party systems operated on your behalf) and provide written certification to us that you have done so at our request. The following provisions will survive any termination or expiration of this Agreement: Sections 7.7.3 (Indemnity for Your Data), 10.3 (Payment), 10.4 (Taxes), 11 (No-Charge Products) (disclaimers and use restrictions only), 12 (Restrictions), 13.2 (Conditions to Development of Add-Ons), 14 (License Certifications and Audits), 15 (Ownership and Feedback), 16 (Confidentiality), 17 (Term and Termination), 18.2 (Warranty Disclaimer), 19 (Limitation of Liability), 21 (Third Party Vendor Products), 24 (Dispute Resolution), 25 (Export Restrictions), and 27 (General Provisions).

17.2. Liquidation. If Digital Samba ceases to operate, declares bankruptcy, or becomes insolvent or otherwise unable to meet its financial obligations (collectively a "**Liquidation Event**") and you are a Cloud Server Customer or a self-hosted, non-perpetual license Software Customer you have the right to a Timeboxed License Survival, defined in section 27.4.

18. Warranty and Disclaimer.

18.1. Due Authority. Each party represents and warrants that it has the legal power and authority to enter into this Agreement, and that, if you are an entity, this Agreement and each Order is entered into by an employee or agent of such party with all necessary authority to bind such party to the terms and conditions of this Agreement.

18.2. WARRANTY DISCLAIMER. ALL PRODUCTS ARE PROVIDED "AS IS," AND DIGITAL SAMBA AND ITS SUPPLIERS EXPRESSLY DISCLAIM ANY AND ALL WARRANTIES AND REPRESENTATIONS OF ANY KIND, INCLUDING ANY WARRANTY OF NON-INFRINGEMENT, TITLE, FITNESS FOR A PARTICULAR PURPOSE, FUNCTIONALITY, OR MERCHANTABILITY, WHETHER EXPRESS, IMPLIED, OR STATUTORY. YOU MAY HAVE OTHER STATUTORY RIGHTS, BUT THE DURATION OF STATUTORILY REQUIRED WARRANTIES, IF ANY, SHALL BE LIMITED TO THE SHORTEST PERIOD PERMITTED BY LAW. DIGITAL SAMBA SHALL NOT BE LIABLE FOR DELAYS, INTERRUPTIONS, SERVICE FAILURES AND OTHER PROBLEMS INHERENT IN USE OF THE INTERNET AND ELECTRONIC COMMUNICATIONS OR OTHER SYSTEMS OUTSIDE THE REASONABLE CONTROL OF DIGITAL SAMBA.
