11635 Euclid Ave., Cleveland, Ohio 44106

A CRAZY FUNDRAISING EVENT

to benefit programs and services of the Cleveland Hearing & Speech Center

HOW IT WORKS

Teams of four register and begin peer-to-peer fundraising to hit their team's fundraising goal prior to the event itself. On race day, the teams show up in costumes and relay race adult-sized trikes in a tournament bracket. Prizes are given for tournament winner, first team, best costume and highest fundraising team.

WHO IT SUPPORTS

Your support of this event allows us to provide free/reduced-cost care and sustain and grow programs while serving more people.

FUNDRAISING

Over the past 8 years, New Partners has raised over \$200,000 for support of CHSC programs and services. By participating, sponsoring or donating, each person, family and organization gives the gift of communication to those who need it most.
