What support would you like with this Work Section?
Choose from the options offered by this Supplier.

- REPLACE**
The Supplier will write a replacement Work Section. You will be able to preview then import that, fully replacing your current Work Section.
- EDIT**
The Supplier will edit a cloned copy of your Work Section. You will be able to review and selectively adopt changes at Clause level.
- COMMENT**
The Supplier will append comments to clauses in a cloned copy of your Work Section. You will be able to review their comments.

Select Replace, Edit or Comment. Add any additional notes and Submit Request.
