

AbilityOne Toner Cartridges Help Federal Buyers Satisfy Multiple Purchasing Objectives

Convert with confidence from OEM national brands

AbilityOne "Powered by Clover" cartridges are remanufactured in partnership with Clover Imaging Group. Clover is the world's largest remanufacturer of imaging supplies, and the only remanufacturer formally recognized by GSA as having an Authorized Federal Dealer Program. Cartridges are available on GSA Schedule 75, OS4, and the new GSA MAS Consolidated Schedules Contract. AbilityOne cartridges are TAA Compliant, include US-Based Customer Support, and carry a two-year warranty.

Dealer is an Authorized AbilityOne Dealer

and a Clover Imaging Group Authorized Federal Dealer

Best Value to Maximize your Budget

Compared to the national brands, AbilityOne remanufactured imaging supplies deliver significant savings of up to 30%

Environmentally Friendly Solution

AbilityOne cartridges can validate an average recycled content of 89.60%*, and are compliant with Executive Order 13834, as seen on www.sustainability.gov

Mission Driven

Support the mission of employment and advancement for the blind and the severely handicapped. To learn more, visit www.aidb.org/AIB and www.CARTRIDGESThatCARE.org
