

Tech Talent Charter (TTC) [Ambassador Programme](#)

Ambassador Roles

Please select the role (or roles) where you would like to support the TTC and get in touch with Anna at hello@techtalentcharter.co.uk who will send you more information. [A reminder of what's in it for you!](#)

	Role	The ask	The commitment
1	Support us to recruit organisations as Tech Talent Charter Signatories	We would value your help to grow the number of organisations signed up as Signatories to the TTC (we have over 500).	Reach out to 20 companies in the next 6 months (using our recruitment toolkit) encouraging them to sign up.
2	Contribute your subject matter expertise	We are always looking to add strong content and case studies to every section of our Open Playbook . We are looking for additional interventions, initiatives, resources, company case studies.	Review 5 subsections of the Open Playbook .
3	Become a TTC facilitator	We host virtual and in person events and are always looking for facilitators for these events.	Commit to being a facilitator at 3 events.
4	Be a Virtual Hackathon team leader	We host virtual hackathons to develop our Open Playbook . If you'd like to contribute as a participant or as a Hackathon Team Leader and work with a small team (approx. 4 or 5 people) to refine/co-create/quality assure content using the subject matter expertise from participants, please follow us on Eventbrite to sign up for the next Hackathon (these are run 3 times a year).	Commit to being a team leader at 1 hackathon. Please follow the TTC on Eventbrite to learn more.
5	Support the TTC to increase our social media footprint	<ol style="list-style-type: none"> 1. <i>Follow</i> the TTC on Twitter and on LinkedIn. 2. <i>Retweet/reshare</i> our social content. 3. <i>Tag the TTC</i> when your company posts content relevant to the TTC's goal of driving greater inclusion and diversity in tech roles. 4. <i>Send us</i> leadership pieces & organisational case studies to push out. 	On a weekly basis, actively retweet/reshare our content, tagging us.
6	Support the TTC by researching I&D initiatives for our live directory	We are always looking for support to add to (and validate) our I&D Directory . The directory aims to map all UK initiatives which support people from underrepresented groups into tech. It is designed for three main user groups: <ul style="list-style-type: none"> • People looking to get into tech who want to know which initiatives could help them. • Commissioning bodies seeking information about initiatives within their scope/area. • Companies who are looking for other organisations with which to do business/collaborate. 	Map 30 tech initiatives over a 6 month period. Mapping instructions are here .
7	Adhoc support with website development, graphic design and / or video creation	From time to time we require support from people with website development, graphic design and / or video creation skills.	Adhoc, small requests, minimal time required.
