free pattern **PEACOCK PIZZAZZ**
BY ANN LAUER (36" X 55")

Ann Lauer has outdone herself, yet again with an exquisite collection of Peacock prints. When you see the metallic accent against the deep shades of violet, turquoise, and blue, your heart will flutter. The highlight of the collection is an elegant 24 inch panel of a gorgeous peacock with a graceful tail—a design you will want hanging on your wall. Ann also made two “Peacock Flourish Box Panels” in black and white which can be bordered with her “Feather Flourish Stripe”. Fussy-cut the “Peacock Flourish Allover” fabric for an impeccable accent to any quilt, table runner or accessory. The coordinates include stylized feathers and fan prints—make a grand quilt or a perfect pillow with these fabulous feathered fabrics. Ann’s peacock prints are also available in rayon, laminate and quilt backs for any peacock project your heart desires. Be sure to look for the accompanying Grizzly Gulch patterns from Ann Lauer and flourish away!
