MEOW MIX
BY ANN LAUER (45" X 55")

Those cats of Ann's are the most popular cats on the planet! Guess what they are doing now—Singing the Blues! Blue and white combinations are always popular, and this one is just pure fun including blues, teals and purples with lime accents and pearlescent highlights. You'll find the cats climbing over hearts or sitting in boxes (the panel print). Ann's signature paisley is back in these cool colors along with feathers, triangles and other wonderful tonals designed to work in many projects. Don't be left out! Order "Cat-i-tude Singing the Blues" today.
