FULL BOBBIN (48.5" X 73") & STITCH (43" X 63") BY CHERRY GUIDRY

Here is a true quilter's collection that has everything—word prints, swirls, geo flowers, and an incredible panel full of sayings about quilters and quilting. (What a wonderful gift for a quilter!) There are even two sewing prints, one featuring sewing machines, the other featuring thimbles. Cool! Cherry's approach to this project is fun and her colors reflect this—pinks and yellow and teal, all with a touch of oh-so-trendy gray. From quilts to bags and quilting room accessories, Words to Quilt By will provide loads of inspiration. Be sure to visit Cherry's website for a cool assortment of patterns and quilts. As one saying on Cherry's panel says, "The best things in life are Quilted". So true.
