

Accent on *Magnolias*

free pattern **MAGNOLIA STARS**
BY JACKIE ROBINSON (56" X 68.5")

Jackie Robinson chose a magnificent flower to place on fabric... a magnolia! The lush full petals of the magnolia give this flower a soft, rich look, and the coloring... pale ivory or blush pink, is almost translucent. Mix it with some smaller floral allover and a striking magnolia stripe, and you have a collection that is just perfect for home decorating, quilting and apparel. It's simply beautiful! The magnolia is set on black fabric which gives it an especially sophisticated look. Be sure to look for Jackie's other collection, Classic Scrolls and Blenders. It will go perfectly with this stunning fabric group. Let's put an accent on Jackie Robinson!
