

free pattern **PANSY 4 PACK** BY JACKIE ROBINSON (51" X 51")

Purple pansies... so elegant, so charming—they're hard to resist! It's understandable why Jackie chose pansies as the feature flower in her latest collection—they are among the most popular bloom in the world! Jackie's version is beautifully hand-painted. You'll find large and small blooms, a magnificent stripe and elegant damask textures. Be sure to look for Jackie's Classic Scrolls & Blenders to add more coordinates to this collection. This is not just an accent on pansies. It's an accent on beauty!
